DOSS DOSS SoundBox Ultra

DOSS SoundBox Ultra Bluetooth Speaker User Manual

Model: DOSS SoundBox Ultra
Brand: DOSS

INTRODUCTION

Welcome to the DOSS SoundBox Ultra user manual. This guide provides detailed instructions to help you set up, operate, and maintain your new Bluetooth speaker, ensuring you get the best possible audio experience.

The DOSS SoundBox Ultra delivers 80W of superior sound with deep bass, featuring 2.1 channel audio and dual DSP technologies for a rich, immersive listening experience. Its sleek design and extended playtime make it ideal for various settings.

WHAT'S IN THE BOX

- 1 x DOSS SoundBox Ultra Speaker
- 1 x USB-C Charging Cable
- 1 x User Manual

SETUP

Charging the Speaker

Before first use, fully charge the DOSS SoundBox Ultra using the provided USB-C charging cable. The charging indicator light will show the charging status.

Powering On/Off

To power on the speaker, press and hold the power button located on the top panel until the indicator light illuminates. To power off, press and hold the power button again.

OPERATING INSTRUCTIONS

Bluetooth Connection

1. Ensure the speaker is powered on. It will automatically enter Bluetooth pairing mode.

2. On your device (smartphone, tablet, etc.), enable Bluetooth and search for "SoundBox XL Ultra" in the list of available devices.

3. Select "SoundBox XL Ultra" to connect. A voice prompt will confirm successful pairing.

Your browser does not support the video tag.

TWS (True Wireless Stereo) Pairing

For an immersive stereo sound experience, you can pair two DOSS SoundBox Ultra speakers together:

1. Ensure both speakers are powered on and not connected to any Bluetooth device.

2. Press the TWS button on both speakers simultaneously. The main speaker's LED will flash quickly, and the secondary speaker's LED will flash slowly.

3. Once paired, the main speaker's LED will flash slowly, and the secondary speaker's LED will remain solid. Then, connect your device via Bluetooth to the main speaker.

MAINTENANCE

To ensure the longevity and optimal performance of your DOSS SoundBox Ultra, follow these maintenance guidelines:

- Keep the speaker away from water and excessive moisture. It is not waterproof.
- Clean the speaker with a soft, dry cloth. Do not use abrasive cleaners or solvents.
- Avoid exposing the speaker to extreme temperatures or direct sunlight for prolonged periods.
- Store the speaker in a cool, dry place when not in use.

TROUBLESHOOTING

No Power

- Ensure the speaker is fully charged.
- Verify the charging cable is securely connected to both the speaker and a power source.

No Sound

- Check if the speaker is properly connected via Bluetooth or Aux-in.
- Increase the volume on both the speaker and your connected device.
- Ensure the speaker is not muted.

Bluetooth Disconnection

- Ensure your device is within the Bluetooth range (up to 99 feet).
- Clear the speaker from your device's Bluetooth history and re-pair.
- Turn off and on both the speaker and your device.

Poor Sound Quality

- Move the speaker closer to your audio source to avoid interference.
- Ensure there are no obstructions between the speaker and the audio source.
- Try a different audio source or file to rule out source issues.
