

CHiQ CSF120BE

CHiQ CSF120BE 126L Single Door Upright Refrigerator User Manual

Model: CSF120BE

1. IMPORTANT SAFETY INFORMATION

Read all instructions before using the appliance. Keep this manual for future reference.

- Ensure the appliance is properly grounded.
- Do not damage the refrigerant circuit.
- Do not use electrical appliances inside the food storage compartments unless they are of the type recommended by the manufacturer.
- Unplug the appliance before cleaning or maintenance.
- Keep ventilation openings clear of obstruction.
- This appliance is intended for household use only.
- Do not store explosive substances such as aerosol cans with a flammable propellant in this appliance.

2. PRODUCT OVERVIEW

The CHiQ CSF120BE is a compact 126-liter single-door upright refrigerator designed for efficient food storage in various spaces.

Caractéristiques principales

Image: Overview of the CHI Q CSF120BE refrigerator highlighting its 126L capacity, 7 temperature controls, low noise design, energy efficiency class D, and flexible internal combination options.

Key Features:

- **Compact Design:** 126L total volume with a footprint of only 0.31 m². External dimensions: 549 x 556 x 845 mm.
- **Reversible Door:** Offers flexibility for placement in any room.
- **Adjustable Temperature Control:** 7 levels, ranging from 2°C to 8°C, suitable for various food items.
- **Optimal Space Utilization:** Features five storage shelves (three in the door, two interior sliding shelves) and a large vegetable drawer.
- **Quiet Operation:** Operates at a low noise level of 39 dB.
- **Energy Efficient:** Certified Energy Class D, with a daily power consumption of only 0.092 kWh/24h.
- **LED Lighting:** Provides clear visibility inside the refrigerator.

3. SETUP AND INSTALLATION

3.1 Unpacking

Carefully remove the refrigerator from its packaging. Inspect for any damage during transit. The package includes the refrigerator, an egg tray, this user manual, and a warranty card.

3.2 Placement

- Place the refrigerator on a firm, level surface.
- Ensure adequate ventilation around the appliance. Maintain a minimum distance from walls as specified in the diagram below.
- Avoid direct sunlight or heat sources.

Image: Diagram showing the external dimensions of the CHI Q CSF120BE refrigerator (549x556x845mm) and its compact footprint of 0.31 m².

3.3 Reversible Door Installation

The door of the CHI Q CSF120BE refrigerator is reversible, allowing it to open from either the left or right side to suit your space. Refer to the diagram for the general process. Professional assistance is recommended for door reversal to avoid damage.

Image: Illustration demonstrating the reversible door feature of the CHIQ CSF120BE refrigerator, showing how the door can be configured to open from either side.

3.4 Power Connection

Before plugging in, allow the refrigerator to stand upright for at least 2-4 hours to allow the refrigerant to settle. Connect the appliance to a dedicated, properly grounded power outlet (220-240V/50Hz).

4. OPERATING INSTRUCTIONS

4.1 Temperature Control

The refrigerator features a 7-level adjustable temperature control system. The temperature range is from 2°C to 8°C. Turn the dial inside the refrigerator to select the desired cooling level.

Système de contrôle de la température à 7 niveaux

Zone de contrôle de la température réglable de 2 à 8 °C

Image: Close-up of the 7-level temperature control dial inside the CHIQ CSF120BE refrigerator, with visual examples of food items suitable for different temperature settings.

- Setting 1-2: Less cold, suitable for light storage.
- Setting 3-5: Normal cooling, ideal for everyday use.
- Setting 6-7: Maximum cooling, for quick chilling or when the refrigerator is full.

4.2 Internal Storage

The refrigerator is equipped with two interior sliding shelves and three door compartments for flexible storage. A dedicated vegetable drawer helps maintain the freshness of produce.

5. MAINTENANCE AND CLEANING

5.1 Defrosting

This refrigerator features manual defrosting. When frost accumulates to a thickness of about 5mm, defrost the appliance:

1. Unplug the refrigerator.
2. Remove all food items and place them in a cool storage area.
3. Leave the door open to allow frost to melt naturally.
4. Wipe away melted water with a soft cloth.
5. Clean the interior and dry thoroughly before plugging back in and returning food.

5.2 Cleaning the Interior

Clean the interior regularly with a solution of mild detergent and warm water. Avoid abrasive cleaners or solvents. Remove shelves and drawers for thorough cleaning.

5.3 Cleaning the Exterior

Wipe the exterior surfaces with a soft, damp cloth. For stubborn stains, use a mild detergent. Ensure the power cord and plug remain dry.

5.4 Power Saving Tips

- Do not place hot food directly into the refrigerator.
- Avoid opening the door too frequently or for extended periods.
- Ensure the door seal is clean and intact.
- Defrost when necessary to maintain efficiency.

6. TROUBLESHOOTING

If you encounter any issues, refer to the following common problems and solutions before contacting service.

Problem	Possible Cause	Solution
Refrigerator not cooling	Power outage; plug not inserted correctly; temperature setting too high.	Check power supply; ensure plug is secure; adjust temperature control to a lower setting.
Unusual noise	Appliance not level; items inside rattling; compressor noise (normal).	Adjust leveling feet; rearrange items; compressor noise is normal during operation.
Excessive frost buildup	Door not closed properly; door seal damaged; high humidity.	Ensure door is fully closed; check and clean door seal; defrost the unit.
Water on floor	Drain hole blocked; defrost water overflowing.	Clear the drain hole; ensure proper defrosting procedure is followed.

7. SPECIFICATIONS

Detailed technical specifications for the CHIQ CSF120BE refrigerator.

Model: CSF120BE		Brand: CHIQ	
Capacité	126L	Dimensions (W*D*H)	549x556x845mm
Type	Fridge	Installation	Sur pied
Type de puissance	220-240V/50Hz	Type de climat	7 Gears
Type de puissance	2~8°C	Contrôle de la température	ST,N
Poids net	28kg	Certifié	CE; Rosh

Image: Table displaying key specifications for the CHIQ CSF120BE refrigerator, including model, capacity, dimensions, power, temperature control, and certifications.

Feature	Specification
Model	CSF120BE
Brand	CHIQ
Capacity	126 Liters
Dimensions (W*D*H)	549 x 556 x 845 mm
Power	220-240V/50Hz
Temperature Control Range	2-8°C (7 levels)
Climate Type	ST/N
Net Weight	28 kg
Energy Efficiency Class	D

Feature	Specification
Annual Energy Consumption	71 kWh/year
Noise Level	39 dB
Refrigerant	R-600A
Certification	CE

8. WARRANTY AND SUPPORT

8.1 Warranty Information

CHiQ offers a **2-year warranty** on all products (3 years for Spain). Additionally, a special **12-year compressor replacement warranty** is provided for this refrigerator.

Image: A badge indicating the 12-year compressor replacement warranty offered by CHIQ for this refrigerator. Please retain your purchase receipt and warranty card for any claims.

8.2 Customer Support

For technical assistance or inquiries, an online support line is available during business days. Refer to the warranty card or CHIQ's official website for contact details.

CHiQ is committed to sustainable development and environmental protection, adhering to ecological concepts in product development, production, packaging, and logistics. The product is RoHS compliant and uses recyclable packaging materials.
