AMERLIFE BMM001

AMERLIFE Queen Size Bed Frame (Model BMM001) Instruction Manual

Metal Rattan Headboard and Footboard with LED Lighting

1. INTRODUCTION

Thank you for choosing the AMERLIFE Queen Size Bed Frame. This manual provides essential information for the safe assembly, operation, and care of your new bed frame. Please read all instructions carefully before beginning assembly and retain this manual for future reference.

2. SAFETY INFORMATION

- Ensure all parts are present and undamaged before assembly. Do not use if any parts are missing or broken.
- Assemble the bed frame on a soft, clean surface to prevent scratches.
- Tighten all bolts and screws securely. Periodically check and re-tighten fasteners to maintain stability.
- Do not exceed the maximum weight capacity of 1000 pounds.
- Keep small parts and packaging materials away from children to prevent choking hazards.
- Use only the provided LED remote control for operating the LED lights.
- Avoid exposing LED components to excessive moisture or direct water contact.

3. PACKAGE CONTENTS

Before assembly, verify that all components listed below are included in your package:

- Headboard with integrated LED lighting
- Footboard
- Side Rails (2)
- Center Support Beam
- Metal Slats

- Support Legs
- Hardware Pack (bolts, washers, nuts, Allen wrench)
- LED Remote Control
- Installation Manual (this document)

4. SETUP AND ASSEMBLY

Assembly typically requires two adults. Please follow the steps outlined in the included installation manual for detailed instructions. The general assembly sequence is as follows:

1. Unpack all components and lay them out on a soft, flat surface.
2. Attach the side rails to the headboard and footboard using the provided hardware. Ensure all connections are secure.
3. Install the center support beam and its legs.
4. Place the metal slats onto the bed frame, ensuring they are evenly spaced and secured according to the manual.
5. Connect the LED power cable from the headboard to a suitable power outlet.

5. OPERATING INSTRUCTIONS (LED HEADBOARD)

The integrated LED headboard offers customizable lighting options to enhance your bedroom ambiance. Use the provided remote control to operate the LED lights.

- **Power On/Off:** Press the power button on the remote to turn the LED lights on or off.
- **Color Selection:** Choose from 20 static colors by pressing the corresponding color buttons.
- **Dynamic Effects:** Select from 19 dynamic color effects, such as fade, jump, or strobe, to create different moods.
- **Brightness Adjustment:** Use the brightness control buttons to increase or decrease the light intensity.
- **Timing Function:** Set a timer for the lights to automatically turn off after a specified duration. Refer to the remote's specific instructions for setting the timer.

6. MAINTENANCE

- **Cleaning:** Wipe the metal frame and rattan surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners.
- **LED Care:** Do not attempt to disassemble the LED strip. If the lights malfunction, contact customer support.
- **Fasteners:** Periodically check all bolts and screws to ensure they remain tight. Re-tighten as necessary to maintain structural integrity.
- **Placement:** Avoid placing the bed frame in direct sunlight or near heat sources to prevent material degradation.

7. TROUBLESHOOTING

Problem	Possible Cause	Solution
LED lights not working	Power cable disconnected; Remote battery low; LED strip damaged.	Check power connection; Replace remote battery; Contact customer support.
Bed frame is wobbly or noisy	Loose fasteners; Uneven floor; Missing support leg.	Tighten all bolts and screws; Adjust bed frame position; Ensure all support legs are installed and touching the floor.
Parts do not fit during assembly	Incorrect orientation; Incorrect parts used.	Refer to the assembly diagrams in the manual; Verify part numbers.
