VINNOVA San (705772-NW-GW-NM)

Vinnova San Bathroom Vanity Instruction Manual

Model: San (705772-NW-GW-NM)

Brand: VINNOVA

1. PRODUCT OVERVIEW

The Vinnova San Bathroom Vanity is a premium fixture designed to enhance your bathroom space with its durable construction and timeless aesthetic. Crafted from natural, imported solid wood, this vanity offers exceptional longevity and a sophisticated look.

Key features include:

- **Durable Materials:** Crafted from natural, imported solid wood for superior durability and long-lasting beauty.
- **Stunning Finish:** Available in Natural Walnut, finished with environmentally friendly Sherwin-Williams paint products.
- **Ample Storage Space:** Four soft-closing doors and three sturdy, soft-closing dovetail drawers provide organized access to toiletries. Built-in partition storage space in the drawer allows for neat organization.
- **High-Quality Hardware:** Rugged zinc alloy knurled Matte Black or Brushed Gold handles add a stylish contrast.
- **Modern Top:** 1-inch thick, White grain composite stone top with 45-degree chamfered water retaining edges and backsplash.

Image 1.2: The Vinnova San Bathroom Vanity integrated into a bathroom environment, showcasing its aesthetic appeal and how it complements modern decor.

2. SAFETY INFORMATION

Please read and understand all safety instructions before installation and use of the Vinnova San Bathroom Vanity. Failure to follow these instructions may result in injury or damage to the product.

- Always ensure the vanity is installed on a level and stable surface to prevent tipping.
- Due to the weight of the vanity (approximately 312 pounds), it is recommended that at least two people assist with lifting and positioning during installation.
- Exercise caution when handling the stone countertop to avoid chipping or cracking.
- Ensure all plumbing connections are secure and leak-free to prevent water damage.
- Keep small children away from the installation area.
- This product contains materials that may be subject to California Proposition 65 warnings.

3. COMPONENTS AND DIMENSIONS

The Vinnova San Bathroom Vanity package includes the following main components:

- 1 x Main Cabinet (Natural Walnut finish)
- 2 x Ceramic Basins (Undermount)
- 1 x Composite Stone Countertop (White Grain)

Please verify all components are present and undamaged before beginning installation.

- 2 x Ceramic basin
- 1 x Countertop

(All measurements are approximate. Measurements may vary +/- 1/2")

Image 3.1: Dimensional drawing of the vanity. The overall dimensions are approximately 72.0 inches (Width) x 22.0 inches (Depth) x 33.8 inches (Height). The countertop thickness is 3.9 inches.

Detailed dimensions:

- Product Dimensions: 22"D x 72"W x 33.8"H
- Item Weight: 312 Pounds

4. INSTALLATION GUIDE

This section provides general guidelines for installing your Vinnova San Bathroom Vanity. Professional installation is recommended for optimal results and to ensure proper plumbing connections.

4.1 Tools and Materials Required (Not Included)

- Adjustable Wrench
- Screwdriver Set (Phillips and Flathead)
- Level
- Measuring Tape
- Silicone Sealant (mildew resistant)
- Plumbing Supplies (faucets, drain assemblies, supply lines, P-trap -*faucets sold separately*)
- Safety Glasses and Gloves

4.2 Pre-Installation Steps

1. **Inspect Components:** Unpack all components and inspect for any damage. Report any issues to the retailer immediately.
2. **Prepare Area:** Ensure the installation area is clean, dry, and level. Turn off the main water supply to the bathroom.
3. **Measure and Mark:** Measure and mark the desired location for the vanity, ensuring adequate space for plumbing connections and door/drawer clearance.

4.3 Assembly and Placement

1. The main cabinet comes pre-assembled. Carefully position the cabinet in its designated location.
2. With assistance, carefully place the composite stone countertop onto the main cabinet. Ensure it is properly aligned with the cabinet base.
3. Apply a bead of silicone sealant along the top edges of the cabinet where the countertop will rest to secure it in place.
4. Install the ceramic undermount sinks into the pre-drilled openings in the countertop. Secure them according to the sink manufacturer's instructions, typically using clips and sealant.

4.4 Plumbing Connections

1. Install your chosen faucets (sold separately) into the pre-drilled holes on the countertop according to the faucet manufacturer's instructions.
2. Connect the hot and cold water supply lines from the wall to the faucet connections. Ensure all connections are tight to prevent leaks.
3. Install the drain assemblies into the sinks. Connect the P-trap to the drain assembly and then to the wall drain pipe.
4. Turn on the main water supply slowly and check all connections for leaks. Tighten any leaking connections.

Image 4.1: Overhead view of the vanity, highlighting the pre-drilled faucet holes and the undermount sink design. Faucets are not included with the vanity.

Countertop has a pre-drilled hole for single hole faucet with Backsplash. That gives it a clean and elegant look. Especially with a high-gloss and anti-fouling coating, it is also is scratch-resistant, wear-resistant, and easy to clean."Faucet sold separately"

Undermount Ceramic Sink

Ceramic Sink has nano coating on surface for easy cleaning.

Image 4.2: Detail of the undermount ceramic sink and the white grain composite stone countertop. The countertop features a pre-drilled hole for a single-hole faucet and a high-gloss, anti-fouling coating for scratch and wear resistance.

5. OPERATION

The Vinnova San Bathroom Vanity is designed for straightforward operation.

5.1 Doors and Drawers

- The vanity features soft-closing doors and drawers. To open, gently pull the handles. To close, push gently; the soft-close mechanism will engage to prevent slamming.
- The drawers include built-in partition storage space. These partitions can be adjusted to customize storage compartments for various items.

Image 5.1: Interior view of the vanity with doors and drawers open, demonstrating the ample storage capacity and organizational features.

- Adjustable drawer box: Up to 5 individual storage space in 1 drawer, capable of changing direction as well.

Adjustable Drawer box

Individual storage space for personal items.

Image 5.2: Detail of an adjustable drawer box, illustrating how the internal partitions can be reconfigured to create up to five individual storage spaces for personal items.

6. CARE AND MAINTENANCE

Proper care and maintenance will ensure the longevity and beauty of your Vinnova San Bathroom Vanity.

6.1 Wood Cabinet Care

- Wipe the wood surfaces with a soft, damp cloth. Avoid using abrasive cleaners or harsh chemicals, as these can damage the finish.
- Immediately wipe up any water spills to prevent water spots or damage to the wood.
- Avoid placing hot items directly on the wood surface.
- Periodically check and tighten any loose hardware.

6.2 Stone Countertop and Ceramic Sink Care

- Clean the stone countertop and ceramic sinks with a mild, non-abrasive cleaner and a soft cloth or sponge.
- Avoid using acidic cleaners (e.g., lemon juice, vinegar) or abrasive scrubbing pads, as these can etch or scratch the surface.
- Wipe down the countertop after each use to prevent water spots and mineral buildup.
- The ceramic sink has a nano coating for easy cleaning, but regular wiping is still recommended.

7. TROUBLESHOOTING

This section addresses common issues you might encounter with your Vinnova San Bathroom Vanity.

Problem	Possible Cause	Solution
Water Leaks	Loose plumbing connections; damaged seals.	Check all water supply lines and drain connections. Tighten any loose fittings. Inspect seals and replace if damaged. If issues persist, consult a plumber.
Drawers Sticking/Not Closing Smoothly	Obstruction in drawer slides; misaligned drawer; overloaded drawer.	Remove drawer and check slides for debris. Ensure drawer is properly seated on slides. Reduce weight if overloaded. Check if adjustable partitions are causing obstruction.
Doors Not Closing Properly	Misaligned hinges; obstruction.	Check hinges for proper alignment and tightness. Adjust hinges if necessary. Ensure nothing is blocking the door's path.
Countertop Stains	Spills left for too long; use of harsh cleaners.	Clean spills immediately. Use only recommended mild cleaners. For stubborn stains, consult a stone care professional.
