## VECELO 04TV-BRN-140

# VECELO 55-inch TV Stand Instruction Manual

Model: 04TV-BRN-140 | Brand: VECELO

## INTRODUCTION

This manual provides detailed instructions for the assembly, use, and maintenance of your VECELO 55-inch TV Stand. Please read all instructions carefully before beginning assembly and retain this manual for future reference.

Image: VECELO 55-inch TV Stand, Rustic Brown.

The VECELO TV Stand is designed to accommodate televisions up to 55 inches, offering a sturdy and stable structure with customizable storage shelves. Its industrial design features a solid metal frame and durable engineered wood shelves.

## SAFETY INFORMATION

Please observe the following safety guidelines to ensure safe use of your TV stand:

- Always ensure the TV stand is fully assembled before use.
- Do not exceed the weight limit of **55 pounds (25 kg)** per middle shelf.
- Use appropriate safety gear during assembly.
- Ensure all parts and screws are firmly attached before placing items on the stand.
- Place the TV stand on a level and stable surface to prevent tipping.
- Keep small parts and packaging materials away from children to prevent choking hazards.
- Contact customer service for any safety-related concerns or missing parts.

## PACKAGE CONTENTS

Before assembly, verify that all components listed below are present and undamaged. If any parts are missing or damaged, please contact customer support.

## DIY Make Your Own Style

### Parts List:

- Top Shelf Boards (x2)
- Middle Shelf Boards (x3)
- Side Metal Frames (x2)
- Center Metal Frames (x2)
- Mesh Back Panel (x1)
- Adjustable Feet (x8)
- Screws (various types: A, B, C, D)
- Allen Wrench / Screwdriver (x1)
- Instruction Manual (x1)

*Note: The exact quantity of screws and small parts may vary slightly. Refer to the included instruction manual for precise counts.*

Follow these steps carefully for proper assembly. It is recommended to assemble the unit on a soft, clean surface to prevent scratches.

Video: Step-by-step assembly guide for the VECELO Industrial TV Stand.

**1. Step 1: Prepare the Side Frames**

Attach the adjustable feet to the bottom of the two side metal frames (parts 5 and 6). Ensure they are securely tightened.

**2. Step 2: Assemble the Center Frame**

Connect the two center metal frames (parts 7 and 8) using the provided screws (type B). This forms the central support structure.

**3. Step 3: Attach Top Boards**

Place the two top shelf boards (parts 1 and 2) onto the assembled side and center frames. Secure them using screws (type C and B) as indicated in the diagram.

**4. Step 4: Install Middle Shelves**

Attach the middle shelf boards (part 3) to the designated positions on the side and center frames using screws (type B and A). The placement of these shelves is customizable.

**5. Step 5: Secure Mesh Back Panel**

Install the mesh back panel (part 10) to the rear of the center frame using screws (type D) and nuts (type E).

**6. Step 6: Final Tightening**

Once all parts are in place, carefully tighten all screws to ensure the stand is stable and secure. Do not overtighten.

*For visual guidance, please refer to the assembly video provided above.*

---

## CUSTOMIZATION OPTIONS

The VECELO TV Stand features adjustable middle shelves, allowing you to customize the storage layout to suit your needs. You can arrange the three wooden boards in various configurations to accommodate different media devices, books, or decorative items.

## CARE AND MAINTENANCE

To maintain the appearance and longevity of your VECELO TV Stand, follow these care instructions:

- **Cleaning:** Wipe with a damp cloth. Avoid harsh chemicals or abrasive cleaners that may damage the finish.
- **Dusting:** Regularly dust the surfaces with a soft, dry cloth.
- **Spills:** Clean spills immediately to prevent staining.
- **Heat and Moisture:** Avoid placing hot items directly on the surface. Use coasters or protective pads. Protect from excessive moisture.
- **Inspection:** Periodically check all screws and connections to ensure they remain tight. Retighten if necessary.

## TROUBLESHOOTING

If you encounter any issues during or after assembly, please refer to the following common solutions:

- **Wobbly Stand:**

- Ensure all screws are fully tightened.
- Check that the stand is placed on a level surface. Adjust the feet if necessary to stabilize the unit.
- **Missing Parts:**
  - Double-check the packaging and all corners for small parts.
  - If parts are genuinely missing, contact VECELO customer support with your purchase details.
- **Difficulty Assembling:**
  - Review the assembly video and diagrams carefully.
  - Ensure you are using the correct screws for each step.
  - Do not force parts together; if they don't fit, re-check the orientation.

## CUSTOMER SUPPORT

---

VECELO is committed to providing professional and friendly customer service. If you have any questions, concerns, or require assistance with your TV stand, please do not hesitate to contact our support team.

Please have your model number (04TV-BRN-140) and purchase information ready when contacting support.
