LifePro LP-VBRCP

LifePro VibraCare Plus Foot Massager User Manual

Model: LP-VBRCP | Brand: LifePro

1. Important Safety Information

Please read all instructions carefully before using the LifePro VibraCare Plus Foot Massager. Failure to follow these instructions may result in injury or damage to the device.

- May cause burns if used on injured or sensitive skin.
- Do not use if you have a blood clotting disorder or are taking blood-thinning medication.
- Consult a doctor before use if you have any medical conditions.
- Keep electrical cord away from water to prevent electrical shock.
- Ensure the device is placed on a stable, level surface during operation.
- Do not operate the massager if it has been damaged or submerged in water.
- Keep out of reach of children and pets.

2. Product Overview

The LifePro VibraCare Plus Foot Massager is designed to provide relaxing calf and foot therapy with an optional heat function. It aims to alleviate pain, reduce stiffness, and promote blood circulation for overall revitalization.

Image: The LifePro VibraCare Plus Foot Massager, showing its main unit, textured footpads, control panel, and wireless remote. Red arrows indicate the heat function.

Key Features:

- **Healing Foot & Calf Massage:** Soft rubber bar gently rolls the arch and alleviates pain.
- **Chronic Pain Relief:** Reduces joint stiffness and discomfort.
- **Vibration and Acupressure Therapy:** Clinically proven method for foot pain and arthritis.
- **Revitalization & Better Blood Circulation:** Relieves tension and promotes circulation.
- **Easy & Smart Solution:** Features 5 programs and 30 intensity levels, controllable via wireless remote.
- **Heat Option:** Provides maximum soothing effect.

3. Setup

1. **Unpack:** Carefully remove all components from the packaging. Ensure all parts are present: the main massager unit, power adapter, and wireless remote control.

2. **Placement:** Place the foot massager on a flat, stable surface. For optimal stability, especially on hard floors, use the included anti-slip mat.
3. **Power Connection:** Insert the power adapter into the DC input port on the massager unit. Plug the other end of the power adapter into a standard electrical outlet.
4. **Remote Control:** Ensure the wireless remote control has working batteries. It is ready for use once the main unit is powered on.

4. Operating Instructions

The LifePro VibraCare Plus can be operated using the control panel on the unit or the wireless remote control.

Control Panel & Remote Functions:

- **Power Button:** Turns the unit ON/OFF.
- **Mode Button (M):** Cycles through 5 pre-set massage programs (P1-P5).
- **Intensity Buttons (+/-):** Adjusts the vibration intensity (30 levels).
- **Heat Button (U):** Activates or deactivates the heat function.
- **Timer:** Displays remaining massage time.

Using the Massager:

1. **Positioning:**
    - For **Foot Massage:** Sit comfortably and place your bare feet on the textured footpads. The angled design provides ergonomic support.
    - For **Calf Massage:** Adjust your position so your calves rest on the footpads. The device can be tilted to optimize contact.

Image: A man comfortably seated, using the LifePro Foot Massager to massage his calves. The device is angled to provide optimal contact for calf therapy.

2. **Power On:** Press the Power button on the control panel or remote. The unit will start operating.
3. **Select Program/Intensity:**
    - Use the 'M' button to cycle through the 5 pre-set programs (P1-P5). Each program offers a unique vibration pattern and intensity variation.
    - Alternatively, use the '+' and '-' buttons to manually adjust the vibration intensity from 1 to 30.

Image: A man holding the remote control for the LifePro Foot Massager, highlighting the features of 30 intensity levels, 5 massage programs, and a heat function.

4. **Activate Heat (Optional):** Press the 'U' button to turn the heat function ON or OFF. The heat indicator light will illuminate when active.

Image: A person using the foot massager, with an icon indicating the heat function is active, providing soothing warmth to the feet.

5. **Duration:** The massager has a default timer setting. You can adjust the session duration if desired (refer to specific model instructions for timer adjustment, if available).
6. **Ending Session:** The unit will automatically shut off after the set time. You can also manually turn it off by pressing the Power button.

5. Maintenance

- **Cleaning:** Unplug the device before cleaning. Wipe the surface with a soft, damp cloth. Do not use abrasive cleaners or immerse the unit in water.
- **Storage:** Store the massager in a cool, dry place away from direct sunlight and extreme temperatures. Keep the power cord neatly coiled to prevent damage.
- **Inspection:** Regularly inspect the power cord and the unit for any signs of damage. If damage is found, discontinue use and contact customer support.

6. Troubleshooting

Problem	Possible Cause	Solution
Unit does not power on.	Not plugged in; power outlet issue; damaged cord.	Ensure power cord is securely plugged into both the unit and a working outlet. Try a different outlet. Inspect cord for damage.
Vibration is weak or inconsistent.	Low intensity setting; internal malfunction.	Increase intensity using the '+' button. If problem persists, contact customer support.
Unit slides on hard floors.	Lack of friction on smooth surfaces.	Ensure the anti-slip mat is placed underneath the unit. For best results, use on carpeted surfaces or a non-slip rug.
Remote control not working.	Dead batteries; obstruction.	Replace batteries in the remote. Ensure no objects are blocking the signal path to the unit.
Heat function not working.	Heat function not activated; internal issue.	Press the 'U' button to activate heat. Check if the heat indicator light is on. If not, contact customer support.

7. Specifications

Brand: LifePro

Model Name: LifePro Foot Massager

Model Number: LP-VBRCP
