LEGAMI SPS0002

Legami Teddy Bear Wireless Speaker with Phone Stand (Model SPS0002) Instruction Manual

INTRODUCTION

Thank you for purchasing the Legami Teddy Bear Wireless Speaker with Phone Stand. This manual provides detailed instructions for the setup, operation, maintenance, and troubleshooting of your device. Please read this manual carefully before use and retain it for future reference.

1. SETUP

1.1 Unboxing and Package Contents

Carefully remove all items from the packaging. Ensure all components are present.

- Legami Teddy Bear Wireless Speaker
- USB Charging Cable

Image 1.1: The Legami Teddy Bear Wireless Speaker shown with its included USB charging cable.

1.2 Charging the Speaker

Before first use, fully charge the speaker.

1. Locate the Micro-USB charging port on the back of the speaker.
2. Connect the small end of the included USB charging cable to the speaker's Micro-USB port.
3. Connect the standard USB end of the cable to a USB power adapter (not included) or a computer's USB port.
4. The charging indicator light (if present, typically red) will illuminate during charging and turn off or change color when fully charged.
5. A full charge provides up to 3 hours of playing time.

Image 1.2: Rear view of the speaker, highlighting the Micro-USB charging port and Aux port.

2. OPERATION

2.1 Powering On/Off

To power the speaker on or off:

- Locate the ON/OFF switch on the back of the speaker.
- Slide the switch to the "ON" position to power on the speaker. A sound or indicator light may confirm it is on.
- Slide the switch to the "OFF" position to power off the speaker.

High-quality sound

Up to 3 hours of playing time

2 connection options: wireless and cable

Charging cable included

Compatibility: iOS & Android

ON/OFF switch
Speaker

Aux port

Micro-USB port

Image 2.1: The ON/OFF switch is located on the rear panel of the speaker.

2.2 Bluetooth Pairing

Connect your smartphone or other Bluetooth-enabled device to the speaker wirelessly.

1. Ensure the speaker is powered on. It will automatically enter pairing mode.
2. On your device (smartphone, tablet, laptop), enable Bluetooth.
3. Search for available Bluetooth devices. The speaker will appear as "Legami Speaker" or similar.
4. Select the speaker from the list to pair. A confirmation sound may play upon successful connection.
5. Once paired, you can play audio from your device through the speaker.

Compatibility: This speaker is compatible with all devices featuring wireless technology, including iOS and Android smartphones and tablets.

2.3 Wired Connection (Aux Port)

For devices without Bluetooth or for a wired connection, use the Aux port.

1. Ensure the speaker is powered on.

2. Connect a 3.5mm audio cable (not included) from your device's headphone jack to the Aux port on the back of the speaker.

3. Play audio from your device. The speaker will automatically switch to Aux input.

Image 2.2: The Aux port is located next to the Micro-USB port on the speaker's rear.

2.4 Using as a Phone Stand

The speaker is designed to function as a convenient phone stand.

- Position your smartphone or tablet between the speaker's paws.
- The speaker's design provides a stable base for viewing content.

Image 2.3: A smartphone is securely placed in the speaker's integrated stand.

Image 2.4: Various angles showing the speaker's phone stand capability.

3. MAINTENANCE

3.1 Cleaning

To maintain the appearance and functionality of your speaker:

- Ensure the speaker is powered off and disconnected from any power source before cleaning.
- Wipe the surface with a soft, dry, or slightly damp cloth.
- Do not use abrasive cleaners, solvents, or harsh chemicals, as these may damage the finish.
- Avoid getting moisture into any ports or openings.

3.2 Storage

When not in use for extended periods:

- Store the speaker in a cool, dry place, away from direct sunlight and extreme temperatures.
- Keep it away from dust and moisture.

4. TROUBLESHOOTING

If you encounter issues with your speaker, refer to the following common problems and solutions:

Problem	Possible Solution
Speaker does not turn on.	- Ensure the battery is charged. Connect the speaker to a power source using the USB cable. - Check if the ON/OFF switch is in the "ON" position.
Cannot pair via Bluetooth.	- Ensure the speaker is powered on and within range (typically 10 meters). - Make sure Bluetooth is enabled on your device. - If previously paired, try "forgetting" the device on your phone's Bluetooth settings and re-pairing. - Ensure no other device is currently connected to the speaker.
No sound from the speaker.	- Check the volume level on both the speaker and your connected device. - Ensure the speaker is correctly paired via Bluetooth or connected via the Aux cable. - If using Aux, ensure the cable is fully inserted into both the speaker and your device.
Poor sound quality.	- Move the speaker closer to your Bluetooth device to reduce interference. - Ensure there are no obstructions between the speaker and your device. - Try a different audio source or file.

5. SPECIFICATIONS

Feature	Detail
Model Number	SPS0002
Brand	LEGAMI
Dimensions (L x W x H)	6 cm x 5 cm x 8 cm
Material	Plastic
Connectivity Technology	Bluetooth, USB (for charging)
