FORIOUS FF0033B-SD

FORIOUS Classic Matte Black Kitchen Faucet with Pull-Down Sprayer and Soap Dispenser

Model: FF0033B-SD

Brand: FORIOUS

1. INTRODUCTION

Thank you for choosing the FORIOUS Classic Matte Black Kitchen Faucet with Pull-Down Sprayer and Soap Dispenser. This instruction manual provides essential information for the proper installation, operation, and maintenance of your new faucet. Please read this manual thoroughly before installation and retain it for future reference.

Product Overview

This kitchen faucet set is designed to enhance your kitchen experience with its functional features and stylish design. It includes a high-arc faucet with a pull-down sprayer and a matching soap dispenser.

Key Features:

- **Lead-Free Material:** Constructed from premium SUS 304 stainless steel for durability and safety.
- **Drip-Free Ceramic Cartridge:** Features a ceramic cartridge tested over 5 million times for leak-proof performance.
- **Multi-Functional Sprayer:** Offers 3 spray modes (Stream, Spray, and Pause) for versatile use.
- **Extended Reach:** Includes a 360° rotating head and an 18-inch retractable hose for comprehensive sink coverage.
- **Easy to Clean Finish:** Five-layer nanotechnology finish resists fingerprints and spotting, simplifying maintenance.

2. INCLUDED COMPONENTS

Verify that all components are present before beginning installation:

- Kitchen Faucet with Pull-Down Sprayer
- Soap Dispenser (11.83 oz / 350 ml)

- Deck Plate (10-inch, detachable for one or three-hole sinks)
- Installation Hardware
- Instruction Manual

3. SAFETY INFORMATION

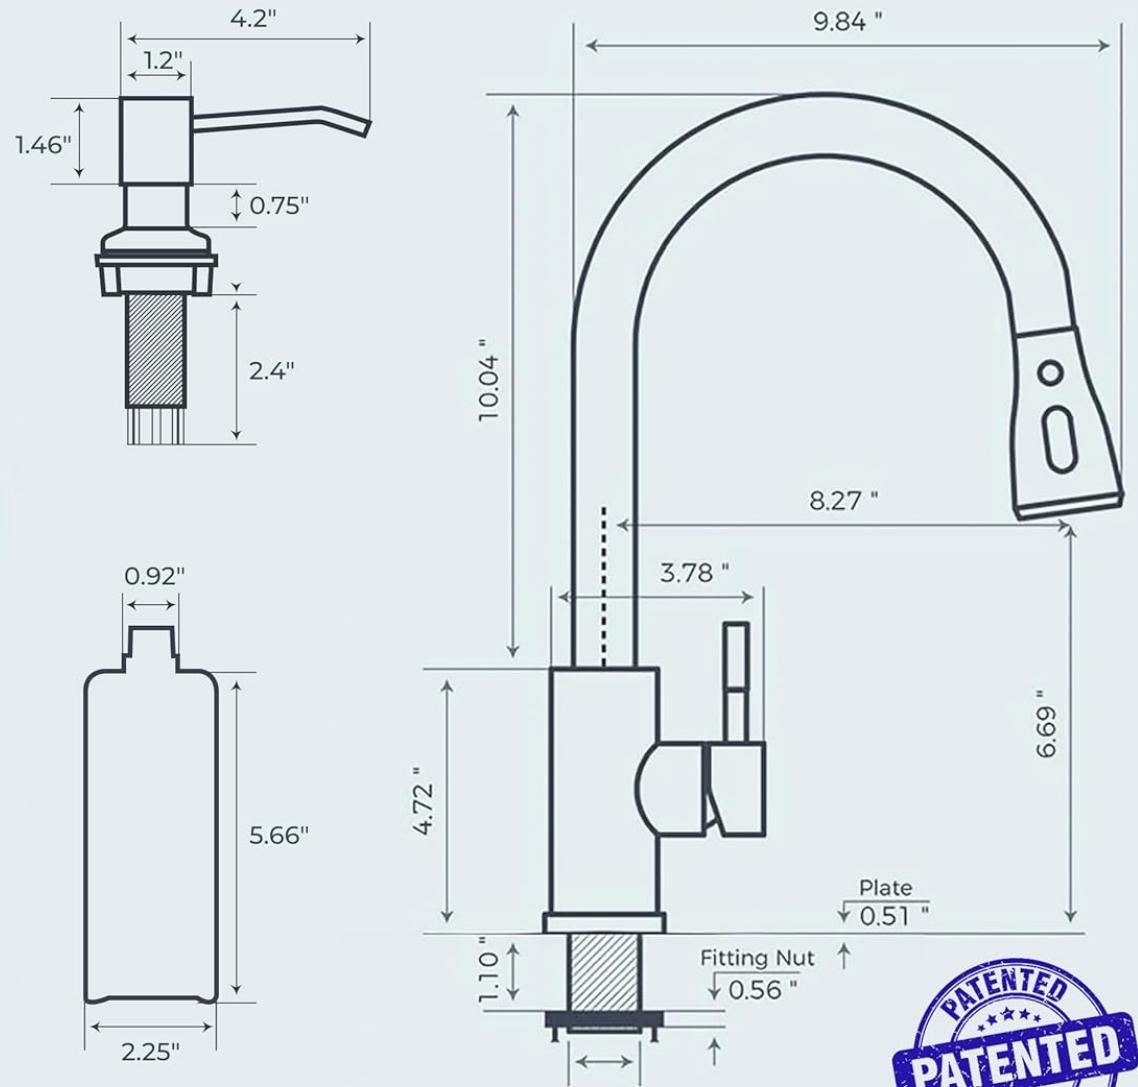

- Always turn off the main water supply before beginning any installation or maintenance.
- Wear appropriate personal protective equipment, such as safety glasses and gloves, during installation.
- Ensure all connections are secure to prevent leaks. Do not overtighten.
- If you are unsure about any part of the installation process, consult a qualified plumber.

4. SETUP AND INSTALLATION

The FORIOUS kitchen faucet is designed for DIY-friendly installation, typically taking under 15 minutes without professional assistance. It is compatible with one or three-hole kitchen sinks using the included 10-inch detachable deck plate.

Installation Steps:

- 1. Prepare the Sink:** Ensure the sink area is clean and dry. If replacing an old faucet, remove it and clean any residue.
- 2. Install Deck Plate (Optional):** If your sink has three holes, place the deck plate over the holes.
- 3. Mount the Faucet:** Insert the faucet body through the center hole (and deck plate if used). Secure it from underneath the sink using the provided mounting hardware (gasket, washer, and mounting nut).
- 4. Connect Water Lines:** Attach the hot and cold water supply lines to the corresponding inlets on the faucet body. Ensure a tight seal.
- 5. Connect Sprayer Hose:** Connect the pull-down sprayer hose to the quick-connect fitting under the sink.
- 6. Install Weight:** Attach the weight to the pull-down hose at the marked location to ensure smooth retraction.
- 7. Install Soap Dispenser:** Insert the soap dispenser body into the designated hole on the sink or countertop. Secure it with the nut from underneath. Fill the dispenser with soap from the top.
- 8. Test for Leaks:** Turn on the main water supply and check all connections for leaks. Operate the faucet to ensure proper function of all spray modes and the pull-down feature.

Single - Hole

INSTALL IN SECONDS

The braiding adds flexibility and durability, while the integration into the faucet saves valuable installation time.

Image: A hand demonstrating the installation of the faucet, highlighting the ease of setup.

5. OPERATING INSTRUCTIONS

Single Handle Operation:

The single handle controls both water flow and temperature. Lift the handle to turn on the water and adjust the flow. Move the handle left for hot water and right for cold water.

Pull-Down Sprayer with 3 Modes:

The faucet features a pull-down sprayer with an 18-inch retractable hose for extended reach and flexibility. The

sprayer head offers three distinct modes:

- **Stream Mode:** Provides a steady, aerated flow for filling pots and general washing.
- **Spray Mode:** Delivers a powerful spray for rinsing dishes and cleaning the sink.
- **Pause Mode:** Temporarily stops water flow, useful for moving the sprayer between tasks without turning off the main handle.

To switch between modes, press the corresponding buttons on the sprayer head. The sprayer head also rotates 360 degrees for full sink coverage.

Soap Dispenser Operation:

To dispense soap, simply press down on the pump head. Refill the dispenser by lifting the pump head and pouring soap directly into the reservoir from the top.

**PRESS LIGHTLY
TO GET THE SOAP
OUT SMOOTHLY**

Keep your countertop more organized and make life easier.

6. MAINTENANCE

Cleaning:

The faucet's five-layer nanotechnology finish is designed to resist fingerprints and spotting. To maintain its pristine look, wipe the surface with a soft, damp cloth. Avoid using abrasive cleaners, harsh chemicals, or scouring pads, as these can damage the finish.

Ceramic Cartridge Care:

The integrated ceramic cartridge is designed for long-lasting, drip-free performance. In the event of a leak or reduced water flow, the cartridge may need inspection or replacement. Consult a professional if you are unsure about this procedure.

Image: An internal view highlighting the drip-free ceramic cartridge technology, emphasizing its role in preventing leaks.

7. TROUBLESHOOTING

If you encounter any issues with your FORIOUS kitchen faucet, refer to the common problems and solutions below:

- **Low Water Flow:** Check if the aerator is clogged with debris. Unscrew the aerator from the sprayer head

and clean it. Also, ensure that the water supply valves are fully open.

- **Leaks from Faucet Base:** Ensure the mounting nut under the sink is tightened securely. Check the O-rings and gaskets for proper seating and damage.
- **Leaks from Sprayer Head:** Inspect the connection between the hose and the sprayer head. The internal seals of the sprayer head might need cleaning or replacement.
- **Sprayer Not Retracting:** Check if the weight on the pull-down hose is positioned correctly and if there are any obstructions preventing the hose from moving freely.
- **Difficulty Adjusting Temperature:** Ensure both hot and cold water supply lines are connected correctly and their respective valves are open. The ceramic cartridge might require inspection if the issue persists.

For persistent issues or problems not listed here, please contact FORIOUS customer support.

8. SPECIFICATIONS

Feature	Detail
Brand	FORIOUS
Model Name	Kitchen Faucets with Soap Dispenser
Item Model Number	FF0033B-SD
