INTRODUCTION

Thank you for choosing the Kinglucky Mini Karaoke Machine. This portable and fun device is designed to bring joy and entertainment to kids and families with its clear sound, wireless microphones, and exciting voice effects. Please read this manual carefully to ensure proper use and maintenance of your new karaoke machine.

The Kinglucky Mini Karaoke Machine, featuring a beige speaker with colorful LED lights and two matching wireless microphones.

WHAT'S IN THE BOX

Your Kinglucky Mini Karaoke Machine package includes the following items:

- 1 x Karaoke Speaker
- 2 x Wireless Microphones
- 1 x Charging Cable
- 1 x User Manual (this document)

SETUP

1. Charging the Device

Before first use, ensure both the karaoke speaker and the wireless microphones are fully charged. Use the provided charging cable to connect the devices to a compatible USB power source.

1. Connect the charging cable to the charging port on the karaoke speaker.
2. Connect the charging cable to the charging port on each wireless microphone.
3. The charging indicator light will show the charging status (refer to the device for specific light behavior).
4. Once fully charged, disconnect the charging cable.

2. Powering On

1. To power on the karaoke speaker, press and hold the power button for a few seconds until the LED lights illuminate.
2. To power on each wireless microphone, press and hold the power button on the microphone until its indicator light turns on.

3. Pairing Microphones with Speaker

The wireless microphones should automatically pair with the karaoke speaker upon powering on. If they do not pair automatically:

1. Ensure both the speaker and microphones are powered on and within close proximity.
2. If pairing issues persist, power off and then power on both devices again.

OPERATING INSTRUCTIONS

1. Connecting to Audio Source (Bluetooth)

The Kinglucky Karaoke Machine supports Bluetooth 5.3 for seamless wireless connection to your devices.

1. Turn on the karaoke speaker. It will automatically enter Bluetooth pairing mode.
2. On your smartphone, tablet, or TV, enable Bluetooth and search for available devices.
3. Select "Kinglucky K12" (or similar name) from the list of devices to connect.
4. Once connected, you will hear an audible confirmation. You can now play music from your device through the karaoke speaker.

4 connection ways, easy, fast, stable.

Bluetooth 5.3 technology, compatible with all devices.

The karaoke machine offers multiple connection methods including Bluetooth 5.3, USB, and AUX for versatile audio playback.

2. Adjusting Volume

You can adjust the volume of the music, microphone, and echo effect independently.

1. **Music Volume:** Use the volume controls on your connected device (phone, tablet) to adjust the music playback volume.
2. **Microphone Volume (Mic VOL):** Use the '+' and '-' buttons on the wireless microphones to increase or decrease your voice volume.
3. **Echo Volume (Echo VOL):** Long press the '+' or '-' button on the microphone for 2-3 seconds to adjust the echo level. There are 5 levels of echo, with 0 being the default (no echo).

Microphone controls allow for independent adjustment of echo, music, and microphone volume.

3. Voice Effects

The karaoke machine features 5 fun voice-changing effects to enhance your singing experience.

1. Press the voice effect button (often indicated by a microphone icon or 'M') on the wireless microphone to cycle through the available voice effects.
2. Effects include Original, Mom, Dad, Monster, and Baby.

Be the **star** of the party anytime.
