

## JTEMAN L9-Pink

# JTEMAN Cell Phone Stand with Bluetooth Speaker

Model: L9-Pink

## 1. INTRODUCTION

The JTEMAN Cell Phone Stand with Bluetooth Speaker is a versatile 2-in-1 device designed to enhance your mobile experience. It combines a stable, adjustable phone stand with a high-quality Bluetooth speaker and a built-in microphone for hands-free communication. This product allows you to enjoy audio content with improved clarity and volume while keeping your device securely positioned for comfortable viewing.

## 2. WHAT'S IN THE BOX

Please check the package contents upon opening to ensure all items are present:

- Bluetooth Speaker Phone Holder
- User Manual
- USB-A to Type C Charger Cable

## 3. PRODUCT FEATURES AND COMPONENTS

The JTEMAN Cell Phone Stand with Bluetooth Speaker integrates multiple functionalities into a compact design:

- **Bluetooth Speaker:** Provides louder and clearer audio output for your device.
- **Phone Stand:** Securely holds smartphones, tablets, and e-readers.
- **Built-in Microphone:** Enables hands-free calls and clear voice communication.
- **Adjustable Angle:** Allows for multiple viewing angles to suit various needs.
- **Foldable Design:** Ensures portability and easy storage.
- **Anti-slip Silicone:** Covers the contact surfaces to protect your device and prevent sliding.

## 4. SETUP

### 4.1 Initial Charging

Before first use, fully charge the device using the provided USB-A to Type C charger cable. Connect the Type C end to the charging port on the speaker and the USB-A end to a compatible power source (e.g., computer USB port, wall adapter).

- A red light indicates that the device is charging.
- A green light indicates that the device is fully charged.

Charging typically takes approximately 4 hours.

## 4.2 Unfolding the Stand

Gently unfold the phone stand component from its compact, folded position. Adjust the angle of the phone holder to your desired viewing preference. The stand is designed to be stable at various angles.

---

## 5. OPERATING INSTRUCTIONS

### 5.1 Power On/Off

Locate the power button on the device. Press and hold the power button to turn the speaker on or off. An indicator light will confirm the power status.

### 5.2 Bluetooth Pairing

To connect your device via Bluetooth:

1. Ensure the JTEMAN speaker is powered on.
2. On your smartphone, tablet, or e-reader, navigate to the Bluetooth settings.
3. Search for available devices. The JTEMAN speaker should appear in the list (e.g., as "JTEMAN Speaker" or similar).
4. Select the JTEMAN speaker to pair. A confirmation sound or light indicator will signal a successful connection.

The device will automatically attempt to reconnect to the last paired device when powered on.

### 5.3 Audio Playback

Once paired, audio from your connected device will play through the JTEMAN speaker. The speaker provides loud and clear sound due to its unique design and precision diaphragm technology. Adjust the volume directly from your connected phone or tablet.

## 5.4 Hands-Free Calls

The built-in microphone allows for hands-free calling. When a call comes in, the audio will be routed through the speaker, and you can speak into the microphone for clear communication. This feature is particularly beneficial for individuals who may have difficulty hearing phone audio directly.

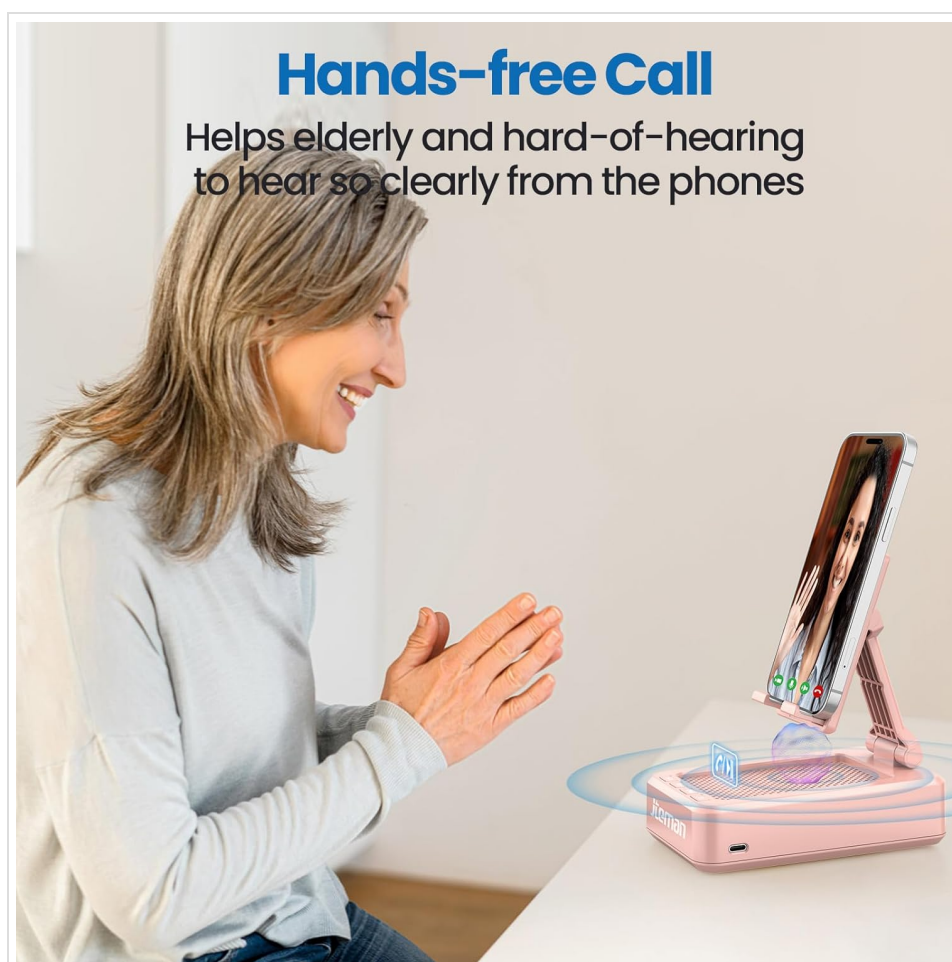

Image: An elderly woman utilizing the JTEMAN device for a hands-free call, highlighting its benefit for clear communication.

## 5.5 Using the Phone Stand

Place your smartphone, tablet, or e-reader onto the stand. The adjustable hinge allows you to set the device at various viewing angles, making it ideal for watching videos, participating in video calls, or following recipes in the kitchen. The anti-slip silicone ensures your device remains secure.

## 6. COMPATIBILITY

The JTEMAN Cell Phone Stand with Bluetooth Speaker is widely compatible with most 4-13 inch smartphones, tablets, and e-readers that support Bluetooth functionality. The device hook can accommodate devices up to 0.59 inches (15 mm) thick.

Compatible devices include, but are not limited to:

- Smartphones (e.g., iPhone 16, 15, 14, 13 Pro, XS, 8 Plus; Samsung Galaxy S25, S24, S23, Note 20)
- Tablets (e.g., Mini iPad)
- E-readers with Bluetooth capability

## 7. MAINTENANCE

To ensure the longevity and optimal performance of your JTEMAN Cell Phone Stand with Bluetooth Speaker, follow these maintenance guidelines:

- **Cleaning:** Wipe the device with a soft, dry cloth. For stubborn marks, a slightly damp cloth can be used, but ensure the device is completely dry before use or charging. Avoid using abrasive cleaners or solvents.
- **Storage:** When not in use, fold the stand to its compact form to save space and protect the components. Store in a cool, dry place away from direct sunlight and extreme temperatures.
- **Protection:** The anti-slip silicone surfaces are designed to protect your device. Keep these surfaces clean and free of debris to maintain their grip.
- **Avoid Drops:** While durable, avoid dropping the device, as this can damage internal components or the folding mechanism.

## 8. TROUBLESHOOTING

If you encounter issues with your JTEMAN Cell Phone Stand with Bluetooth Speaker, please refer to the following common solutions:

Problem	Possible Cause	Solution
No power/Device won't turn on	Low battery	Charge the device fully using the provided USB-C cable.
Cannot pair via Bluetooth	Bluetooth not enabled on phone; Device out of range; Speaker not in pairing mode; Interference	Ensure Bluetooth is on for your phone. Move devices closer. Turn the speaker off and on again. Disconnect from other Bluetooth devices.
No sound or low volume	Phone volume too low; Speaker not connected; Audio source issue	Increase volume on your phone. Ensure the speaker is successfully paired. Check if audio is playing from the correct app/source.
Audio skipping or distortion	Interference; Device too far; Low battery	Move closer to the speaker. Ensure no strong Wi-Fi signals or other Bluetooth devices are causing interference. Charge the speaker.
Phone stand unstable	Device too heavy/thick; Stand not fully extended; Surface uneven	Ensure your device is within the compatible size/thickness. Fully extend and lock the stand into position. Place the stand on a flat, stable surface.

If the problem persists after trying these solutions, please contact JTEMAN customer support for further assistance.
