ErGear EGESD38V-US

ErGear Electric Standing Desk with Drawers (Model EGESD38V-US) - Instruction Manual

INTRODUCTION

This manual provides essential information for the safe and efficient assembly, operation, and maintenance of your ErGear Electric Standing Desk with Drawers, Model EGESD38V-US. Please read all instructions carefully before use and retain this manual for future reference.

SAFETY INFORMATION

To ensure safe operation and prevent damage, observe the following guidelines:

- Ensure proper assembly according to the instructions provided.
- Do not exceed the maximum weight limit of 132 pounds.
- Anchor the desk if using at maximum height for enhanced stability.
- Keep children and pets away from the desk during height adjustment.
- Ensure no obstacles are in the path of the desk during movement to prevent collisions.

PRODUCT FEATURES

Your ErGear Electric Standing Desk is designed with several features to enhance your workspace:

- **Ultimate Stability:** Crafted with automotive-grade cold-rolled steel and a powerful motor tested to withstand 50,000 lift cycles, ensuring durable and reliable support for up to 176 lbs of weight.
- **C-Clamp Mount Compatible:** Designed with an extended 2.95" rear edge, compatible with C-clamp monitor mounts on the top platform. Monitors can also be placed directly on the stand to elevate screens closer to eye level.
- **Customize Your Height:** Features a wide adjustable height range from 28" to 47" tall, allowing easy switching between sitting and standing work positions.
- **Triple Desktop Storage:** Boasts a deeper 27.3" desktop with two drawers for concealed storage. Includes an open storage cubicle for keyboard, mouse, and accessories, and an integrated monitor riser.
- **Loaded with Ergonomic Features:** Includes 4 custom height presets for one-press adjustment. Raised anti-drop edges keep items secure, and advanced anti-collision detection helps avoid damage during height adjustment.

PRODUCT DIMENSIONS

Refer to the diagram below for detailed product dimensions.

Detailed dimensions of the ErGear Electric Standing Desk with Drawers. The desk measures 63 inches in width and 28 inches in depth. The monitor stand is 27.5 inches deep, with a 25.6 inch wide open cubicle and 17.5 inch wide drawers. The height adjusts from 27.9 inches to 46.8 inches.

- **Item Dimensions:** 28 x 63 x 28.3 inches (Depth x Width x Height)
- **Minimum Height:** 28 Inches

- **Maximum Height:** 47 Inches
- **Tabletop Thickness:** 15 Millimeters
- **Working Surface Diagonal Length:** 70.71 Inches

SETUP AND ASSEMBLY

Follow these steps to assemble your ErGear Electric Standing Desk. For a visual guide, please refer to the assembly video below.

Official ErGear Standing Desk Installation Guide video. This video provides step-by-step visual instructions for assembling your desk.

Assembly Steps:

1. **Supplied Parts and Hardware:** Unpack all components and verify against the parts list in your physical manual. Ensure all parts are present and undamaged before proceeding.
2. **Step 1: Assembling the Frame:** Attach the motor and crossbar to the desk legs using the provided screws. Ensure all connections are secure.
3. **Step 2: Assembling the Top Stand:** Secure the side supports to the main monitor stand panel using the dowels and screws.
4. **Step 3: Assembling the Desktop:** Connect the two main desktop panels using the wooden dowels and metal plates. Press firmly to ensure no gap remains between the panels. Attach the side panels of the desktop.
5. **Step 4: Attaching the Desktop to the Frame:** Carefully place the assembled desktop onto the frame. Align the screw holes and secure the desktop to the frame using the provided screws. Attach the headphone hook.
6. **Step 5: Connecting the Cables:** Connect the motor cables to the control box. Route the cables neatly using the cable management grommets and ties. Insert the cable hole cover.
7. **Step 6: Attaching the Drawers:** Place the fabric drawers into their designated slots on the desktop.

OPERATING INSTRUCTIONS

Your ErGear Electric Standing Desk features an intuitive control panel for easy height adjustment and preset management.

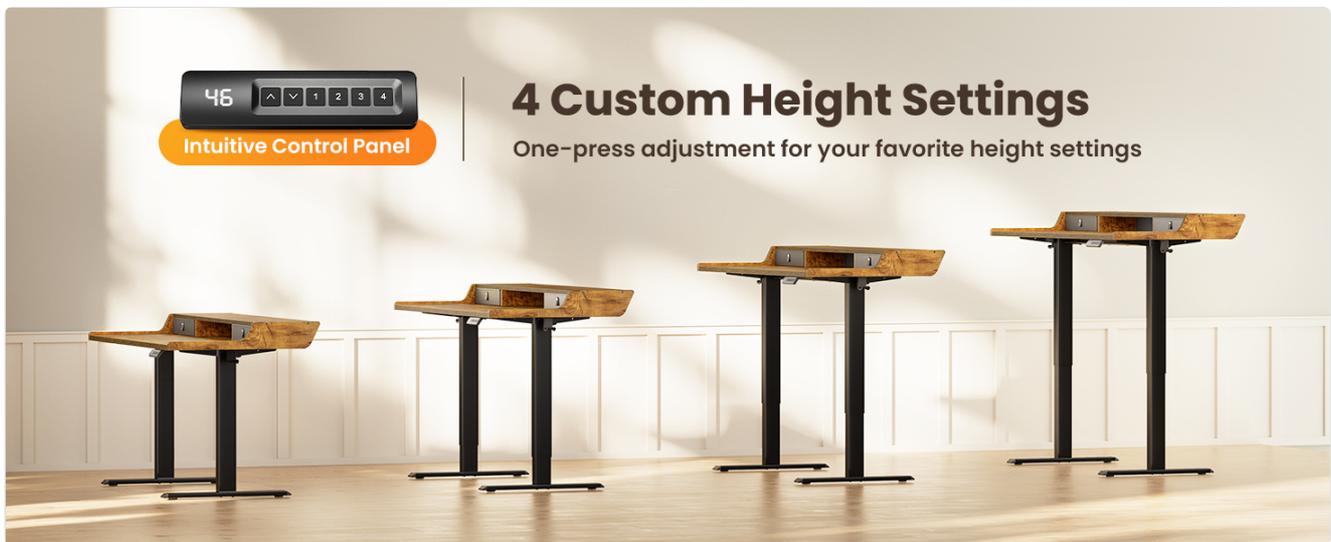

Height Adjustment:

- Use the up (▲) and down (▼) arrows on the control panel to manually adjust the desk height.
- The desk has a wide adjustable height range from 28 inches to 47 inches.

Preset Heights:

The desk offers 4 custom height presets for quick transitions between your preferred sitting and standing positions.

- **To Set a Preset:** Adjust the desk to your desired height. Press the 'M' button, then press one of the number buttons (1, 2, 3, or 4) within 3 seconds. The height is now saved to that preset.
- **To Use a Preset:** Simply press the corresponding number button (1, 2, 3, or 4) to automatically move the desk to the saved height.

The intuitive control panel allows for easy height adjustments and saving up to 4 custom height settings.

Anti-Collision Detection:

The desk is equipped with advanced anti-collision detection. If the desk encounters an obstacle during height adjustment, it will automatically stop and reverse slightly to prevent damage to the desk or surrounding objects.

MAINTENANCE

Regular maintenance ensures the longevity and optimal performance of your standing desk:

- **Cleaning:** Wipe the desk surface with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals that may damage the finish.
- **Cable Management:** Periodically check and organize cables to prevent tangling or interference with the desk's movement.
- **Fasteners:** Ensure all screws and fasteners are tight. Retighten if necessary to maintain stability.
- **Motor Inspection:** If you notice any unusual noises or irregular movement, discontinue use and contact customer support.

TROUBLESHOOTING

If you encounter issues with your ErGear Electric Standing Desk, refer to the following common solutions:

- **Desk Not Moving:** Check if the power cord is securely plugged into both the desk and the wall outlet. Ensure no cables are pinched or disconnected.
- **Error Code on Display:** Refer to your physical manual for specific error code meanings and troubleshooting steps. Often, unplugging the desk for 10 seconds and plugging it back in can reset the system.
- **Uneven Movement:** Ensure the desk is placed on a level surface. Check that all leg components are securely fastened.
- **Anti-Collision Triggered Frequently:** Ensure there are no objects under or above the desk that could interfere with its movement.
- **Noise During Operation:** A slight motor hum is normal. Excessive or unusual noise may indicate an issue; contact customer support.

If problems persist after attempting these steps, please contact ErGear customer support.

SPECIFICATIONS

Specification	Value
Brand	ErGear
Model Number	EGESD38V-US
Shape	Rectangular
Color	Vintage Brown
