## GAOMON RAP2

# GAOMON Queen Size Rattan Platform Bed Frame with LED Light Headboard

Model: RAP2 | Brand: GAOMON

## 1. IMPORTANT SAFETY INFORMATION

Please read and understand all instructions before assembly and use. Keep this manual for future reference.

- **Caution:** Be cautious of sharp edges during assembly and use.
- **Weight Limit:** Do not exceed the maximum weight limit of 800 pounds (including mattress and occupants).
- **Assembly:** Assembly requires two adults. Ensure all components are securely fastened before use.
- **Placement:** Place the bed frame on a level surface.
- **Electrical Safety:** For LED lights, ensure the power source is appropriate and avoid exposing electrical components to moisture.

## 2. PACKAGE CONTENTS

Verify that all parts are present before beginning assembly. If any parts are missing or damaged, contact customer support.

- Headboard (with integrated LED light strip)
- Footboard
- Side Rails
- Metal Slit Support System
- Center Support Bars and Legs
- Assembly Hardware (screws, bolts, washers, Allen wrench)
- LED Light Remote Control

### 3. SETUP AND ASSEMBLY INSTRUCTIONS

This bed frame is designed for straightforward assembly. Refer to the detailed step-by-step instructions included in your product packaging for specific diagrams and hardware identification. Assembly typically takes approximately 45 minutes for two adults.

#### General Assembly Steps:

1. **Unpack Components:** Carefully remove all parts from the packaging and lay them out on a clean, soft surface to prevent scratches.
2. **Attach Side Rails:** Connect the side rails to the headboard and footboard using the provided hardware. Ensure all connections are secure.
3. **Install Center Support:** Assemble and attach the center support bar(s) and legs to the bed frame.
4. **Place Slats:** Position the metal slats across the bed frame and secure them according to the instructions. Ensure the noise-free strips are correctly applied to prevent squeaking.
5. **Connect LED Lights:** Connect the LED light strip power cable to the appropriate power source as indicated in the LED light instructions.
6. **Final Check:** Double-check all bolts and screws to ensure they are tightened.

## Queen Size

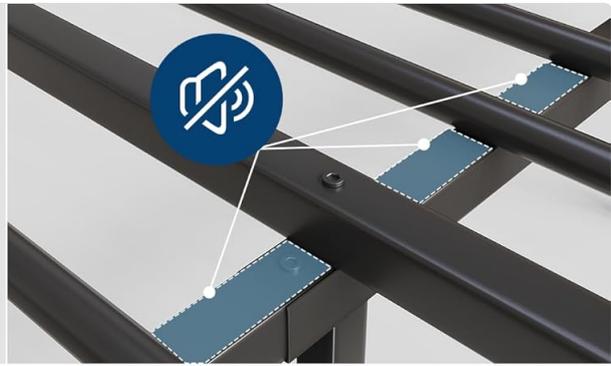

Figure 3.1: Bed frame dimensions and weight capacity (800 lbs).

**Mattress Recommendation:** This bed frame is designed for mattresses with a height of 8 to 12 inches. No box spring is needed.

## NOISE FREE STRIPS

No squeak and friction noise for a quiet slipping and shifting

## ANTI-SLIP DESIGN

Effectively prevent the mattress from slipping and shifting

## SQUEAK RESISTANT

Add three screws to reinforce the headboard to prevent any wobbling

Figure 3.2: Recommended mattress height (8"-12") and embedded design for mattress stability.

## 4. OPERATING INSTRUCTIONS (LED LIGHT HEADBOARD)

The integrated RGB LED light strip in the headboard offers various lighting options to enhance your bedroom ambiance. The lights can be controlled via a remote control or a dedicated mobile application.

### LED Light Features:

- **60,000 Colors:** Choose from a wide spectrum of colors.
- **Mode Switch:** Cycle through various lighting modes (e.g., static, fading, flashing).
- **Brightness Adjustable:** Adjust the intensity of the light.
- **Time Schedule:** Set timers for the lights to turn on or off.
- **Mic Mode:** Lights react to ambient sounds.
- **Music Mode:** Lights synchronize with music playback.

### Using the Remote Control:

Point the remote control directly at the LED receiver on the bed frame. Use the buttons to power on/off,

change colors, adjust brightness, and select modes.

### Using the Mobile Application:

Download the specified mobile application (refer to the LED light instructions for app name and QR code). Follow the in-app instructions to pair your device with the LED lights for advanced control features.

## 5. MAINTENANCE

Regular maintenance will help prolong the life and appearance of your bed frame.

- **Cleaning:** Wipe the metal frame with a soft, damp cloth. For the rattan surfaces, use a soft brush or cloth to gently remove dust. Avoid harsh chemicals or abrasive cleaners.
- **Fasteners:** Periodically check all bolts and screws and tighten them as needed to maintain stability and prevent wobbling or squeaking.
- **Rattan Care:** The PE rattan cane is durable and smooth. Avoid excessive moisture or direct prolonged sunlight exposure to maintain its integrity.

- **LED Lights:** Ensure the LED light strip and its connections are free from dust and debris. Do not attempt to repair or modify the LED strip yourself.

## 6. TROUBLESHOOTING

Refer to the following common issues and solutions:

Problem	Possible Cause	Solution
Bed frame squeaks or wobbles	Loose fasteners; improper assembly; lack of noise-free strips.	Tighten all bolts and screws. Ensure noise-free strips are correctly installed on the slats. Reinforce the headboard with additional screws if necessary (as per assembly instructions).
Mattress slides on the frame	Mattress not properly seated; anti-slip features not effective.	Ensure the mattress is fully seated within the embedded design of the frame. Verify that the anti-slip design elements are intact.
LED lights not working	Power connection issue; remote control battery dead; LED strip malfunction.	Check power connections. Replace remote control batteries. If issues persist, contact customer support.
