5. OPERATING INSTRUCTIONS

The Pretend Play Doctor's Office is designed for imaginative role-playing. Here are some ways to engage with its features:

Interactive Play

Interactive Play

Children can engage in interactive play, such as using the height measurer to track growth or performing check-ups on patients.

- **Medical Sink:** Use the pretend sink for handwashing and preparing for examinations.
- **Exam Bench:** Patients can sit or lie on the bench for check-ups.
- **Height Measurer:** Utilize the integrated height measurer to record patient growth.
- **Chalkboard:** Write down appointments, diagnoses, or draw medical diagrams.
- **Medical Tools:** Use the included syringe, thermometer, otoscope, stethoscope, flashlight, and drill for various pretend medical procedures. Note: LED tools require batteries (not included).
- **Interchangeable Artwork:** Swap out the X-ray readouts and medical exam charts to vary play scenarios.
- **Doctor's Costume:** Dress up in the 2-piece doctor's costume (coat and hat) for an immersive role-play experience.

Accessory Overview

Accessories Included
