Intoval Y93

Intoval Aluminum 3-in-1 Wireless Charging Station

Model: Y93

Brand: Intoval

Introduction

The Intoval Aluminum 3-in-1 Wireless Charging Station (Model Y93) is designed to efficiently charge your iPhone, Apple Watch, and AirPods simultaneously. Crafted from durable aluminum alloy, this station provides a stable and elegant solution to keep your devices powered without cable clutter. It features advanced thermal conductivity for optimal battery health and a toggleable LED indicator for undisturbed sleep environments.

Package Contents

Verify that all items are present in your package:

- Intoval 3-in-1 Wireless Charging Station (Y93)
- USB-C to USB-C Charging Cable
- 20W USB-C Power Adapter
- User Manual
- Warranty Card

Setup Instructions

1. **Connect Power:** Insert the provided USB-C charging cable into the USB-C port on the back of the charging station. Connect the other end of the cable to the included 20W USB-C power adapter.
2. **Plug In:** Plug the power adapter into a wall outlet. The charging station is now ready for use.
3. **Placement:** Place the charging station on a flat, stable surface such as a desk or nightstand. Ensure adequate ventilation around the device.

Operating Instructions

Charging Your Devices

- **For iPhone:** Place your iPhone on the vertical charging pad. Ensure the phone is centered on the pad for optimal charging. The station supports charging in both portrait and landscape orientations.
- **For Apple Watch:** Place your Apple Watch on the dedicated magnetic charging module at the top of the station. The watch will automatically align and begin charging.
- **For AirPods:** Place your AirPods case (with wireless charging capability) on the flat charging pad at the base of the station.

The LED indicator on the charging station will illuminate to confirm that a device is charging. The station delivers up to 7.5W for iPhone, 10W max for Android phones, 5W for earbuds, and 2.5W for Apple Watch.

Image: A user's desk showing an iPhone, Apple Watch, and AirPods charging simultaneously on the Intoval station, demonstrating its space-saving design.

LED Indicator Control

A physical switch is located on the charging station to control the LED indicator light. Toggle this switch to turn the LED light off, which is useful for maintaining a dark environment, such as in a bedroom at night.

Compatibility

This wireless charging station is broadly compatible with a range of devices:

- **iPhones:** Supports iPhone models from 8 to 17 Pro Max, including iPhone 17, 17 Pro, 17 Pro Max, 16, 16 Plus, 16 Pro, 16 Pro Max, 15, 15 Plus, 15 Pro, 15 Pro Max, 14, 14 Plus, 14 Pro, 14 Pro Max, 13, 13 Pro, 13 Pro Max, 13 mini, 12, 12 Pro, 12 Pro Max, 11, SE (2nd gen), XS, XS Max, XR, X, and 8 Plus.

- **Android Phones:** Compatible with Google Pixel 8 Pro, Pixel 8, Pixel 7 Pro, Pixel 7a, Pixel 7, Pixel 6a, Pixel 6, Pixel 5, and Samsung Galaxy S24, S24+, S24 Ultra, S23, S23+, S23 Ultra, S22, S22+, S22 Ultra, S21, S21+, S21 Ultra.
- **Apple Watch:** Compatible with Apple Watch Series 1 through 9, and Apple Watch Ultra 1, 2, and 3.
- **AirPods:** Supports AirPods 2nd generation and newer, including AirPods 3, AirPods 4, AirPods Pro, and AirPods Pro 2, as well as other wireless charging earbuds.

The charging station supports phone cases up to 5mm (0.2 inches) thick. Thick, heavy-duty cases may interfere with charging efficiency.

Maintenance

To ensure the longevity and optimal performance of your Intoval Wireless Charging Station, follow these maintenance guidelines:

- **Cleaning:** Disconnect the power adapter before cleaning. Use a soft, dry, lint-free cloth to wipe the surface of the charging station. Avoid using abrasive cleaners, solvents, or chemical sprays, as these can damage the finish and internal components.
- **Storage:** When not in use for extended periods, store the charging station in a cool, dry place away from direct sunlight and extreme temperatures.
- **Handling:** Handle the device with care. Avoid dropping it or subjecting it to strong impacts, which could damage the internal circuitry or aluminum casing.

Troubleshooting

If you encounter issues with your charging station, refer to the following common problems and solutions:

Problem	Possible Cause	Solution
Device not charging	Loose connection, incompatible adapter, misaligned device, thick phone case.	Ensure the power cable and adapter are securely connected. Use the provided 20W adapter. Reposition your device to ensure it is centered on the charging pad. Remove thick phone cases (over 5mm).
Slow charging	Underpowered adapter, misaligned device, background apps on device.	Use the provided 20W power adapter. Ensure proper device alignment. Close unnecessary background applications on your device.
LED indicator not working	LED switch is off, power issue.	Check the physical LED toggle switch on the station and ensure it is in the 'on' position. Verify the station is receiving power.
Overheating	Poor ventilation, foreign objects, thick case.	Ensure the station is placed in a well-ventilated area. Remove any foreign objects between the device and the charging pad. Remove thick phone cases. The aluminum design helps dissipate heat, but extreme conditions can still cause issues.

Specifications

- **Model Number:** Y93
- **Brand:** Intoval
- **Material:** Aluminum Alloy
- **Color:** Grey
- **Input Voltage:** 9V DC
- **Input Amperage:** 2A
- **Output Wattage:** 18W Total (7.5W for iPhone, 10W max for Android, 5W for earbuds, 2.5W for Apple Watch)
- **Connector Type:** USB Type C
- **Wireless Charging Standard:** Qi

- **Special Features:** Charging Indicator, Lightweight Design, Multi-Device Charging, Short Circuit Protection, Wireless Charging
- **Item Weight:** 5.12 ounces
- **Certifications:** CE, FCC

Safety Information

Please read and follow these safety precautions to prevent damage to the product or injury to yourself:

- Do not disassemble, modify, or repair the device.
- Keep the device away from water, moisture, and high temperatures.
- Avoid placing metal objects or magnetic cards on the charging pads, as this may interfere with charging or damage the device.
- Use only the provided power adapter and cable to ensure compatibility and safety.
- Keep out of reach of children.

Warranty and Support

The Intoval Aluminum 3-in-1 Wireless Charging Station comes with a**1-year warranty** from the date of purchase. This warranty covers manufacturing defects and workmanship under normal use.

For warranty claims, technical support, or any questions regarding your product, please contact Intoval customer service through the retailer where the product was purchased or visit the official Intoval website for contact information.

Please retain your proof of purchase for warranty validation.
