Vistefly V15Max Akku

Vistefly 7x2500mAh Replacement Battery for V15 Max Vacuum Cleaner - User Manual

1. Introduction

This manual provides comprehensive instructions for the safe installation, operation, and maintenance of your Vistefly 7x2500mAh Lithium-ion replacement battery. This battery is specifically designed for use with Vistefly V15 Max, V15, and V15 Apex cordless vacuum cleaners. Please read this manual thoroughly before using the product to ensure optimal performance and safety.

Important Compatibility Note: This battery is **not compatible** with the Vistefly V15s Max 2024 version vacuum cleaner. Please verify your vacuum cleaner model before installation.

2. Safety Information

To prevent injury or damage to the product, always observe the following safety precautions:

- Read all safety warnings and instructions provided with your vacuum cleaner and this battery.
- Do not disassemble, open, or shred the battery pack.
- Do not expose the battery pack to heat or fire. Avoid storage in direct sunlight or high temperatures.
- Do not short-circuit a battery pack. Avoid storing battery packs haphazardly in a box or drawer where they may short-circuit each other or be short-circuited by conductive materials.
- Do not subject the battery pack to mechanical shock.
- In the event of battery leakage, do not allow the liquid to come into contact with skin or eyes. If contact occurs, wash the affected area with copious amounts of water and seek medical advice immediately.
- Only use the charger specifically provided for use with your Vistefly vacuum cleaner.
- Do not use any battery pack that is not designed for use with your specific Vistefly vacuum cleaner model.
- Keep the battery pack out of the reach of children.
- Dispose of the battery pack properly and safely according to local regulations.

This image shows the Vistefly battery with important safety warnings and compatibility information. It indicates compatibility with V15, V15 Apex, and V15 Max models, and explicitly states non-compatibility with the V15s Max 2024 version. Safety warnings include instructions against disassembly, exposure to heat, short-circuiting, and improper disposal.

3. Package Contents

- 1 x Vistefly 7x2500mAh Replacement Battery

This image displays the Vistefly 7x2500mAh replacement battery, featuring its grey casing and purple connector, designed for Vistefly V15 series vacuum cleaners.

4. Setup and Installation

Follow these steps to replace the battery in your Vistefly V15 Max, V15, or V15 Apex vacuum cleaner:

1. Ensure your Vistefly vacuum cleaner is powered off and unplugged from any charging source.
2. Locate the existing battery on your vacuum cleaner. Refer to your vacuum cleaner's original user manual for specific battery removal instructions if needed.
3. Typically, battery removal involves pressing a release button or unlatching a mechanism to detach the old battery.
4. Align the new Vistefly replacement battery with the battery slot on your vacuum cleaner.
5. Gently slide the battery into place until it clicks securely. Ensure it is firmly seated and does not wobble.
6. Once installed, you may proceed to charge the battery before first use.

This image illustrates the difference between the Vistefly V15 Max battery (black label, 7x2500mAh) and the V15s Max battery (silver label, 8x2500mAh), highlighting their distinct designs and capacities. Note the V15 Max battery is compatible with V15 Max, V15, and V15 Apex models, while the V15s Max battery is not compatible with the V15 Max.

5. Operating Instructions

After successful installation, operate your vacuum cleaner as usual. The new battery will provide power for cleaning tasks.

- **Initial Charge:** It is recommended to fully charge the battery before its first use to optimize battery life and performance.
- **Charging:** Use only the original Vistefly charger provided with your vacuum cleaner. Connect the charger to the vacuum cleaner as per its original instructions.
- **Battery Indicator:** Monitor the battery indicator lights on your vacuum cleaner to check the current charge status and remaining power.

6. Maintenance

Proper maintenance can extend the lifespan of your battery:

- **Storage:** When not in use, store the battery in a cool, dry place, away from direct sunlight and extreme

temperatures.

- **Long-Term Storage:** If storing the battery for an extended period (e.g., several months), charge it to approximately 50-60% capacity. Avoid storing a fully charged or completely discharged battery for long durations.
- **Cleaning:** Keep the battery contacts clean and free from dust or debris. Use a dry cloth to wipe them if necessary.
- **Avoid Deep Discharge:** While Lithium-ion batteries are robust, frequent complete discharge can reduce their overall lifespan. Try to recharge before the battery is fully depleted.

7. Troubleshooting

If you encounter issues with your Vistefly replacement battery, consider the following:

- **Battery Not Charging:**
  - Ensure the charger is properly connected to both the vacuum cleaner and a working power outlet.
  - Check for any visible damage to the battery, charger, or charging port on the vacuum cleaner.
  - Verify that you are using the original Vistefly charger.
- **Reduced Run Time:**
  - The battery may not be fully charged. Ensure it is charged until the vacuum cleaner's indicator shows full capacity.
  - Battery performance naturally degrades over time with repeated charge cycles.
  - Operating the vacuum cleaner in high-power modes will consume battery faster.
- **Battery Not Fitting or Compatible:**
  - Double-check your vacuum cleaner model. This battery is compatible with Vistefly V15 Max, V15, and V15 Apex models only. It is **not compatible** with the V15s Max 2024 version.
  - Ensure there are no obstructions in the battery compartment.

If problems persist, contact Vistefly customer support for further assistance.

8. Specifications

- **Brand:** Vistefly
- **Model Name:** V15Max Akku
- **Battery Composition:** Lithium-ion
- **Battery Capacity:** 2500 Milliampere-hour (mAh)
- **Voltage:** 12 Volts
- **Amperage:** 7 A
- **Weight:** 500 Grams
- **Compatibility:** Vistefly V15 Max, V15, V15 Apex vacuum cleaners
- **Non-Compatibility:** Vistefly V15s Max 2024 version

9. Warranty and Support

Information regarding specific warranty terms and customer support contact details for this product is not available in the provided data. Please refer to the product packaging or the official Vistefly website for warranty information and support contacts.
