WLIVE ASNG097 Storage Cabinet/BL

WLIVE Black TV Stand Instruction Manual

Model: ASNG097 Storage Cabinet/BL

INTRODUCTION

Thank you for choosing the WLIVE Black TV Stand. This manual provides essential information for the safe assembly, operation, and maintenance of your new entertainment center. Please read these instructions carefully before beginning assembly and retain them for future reference.

SAFETY INFORMATION

Your safety is paramount. Please adhere to the following guidelines:

- Always secure the TV stand to the wall using the provided anti-tilt device to prevent accidental tipping. This is crucial for the safety of children and pets.
- Do not place more than 160 lbs (72.5 kg) on the stand's top surface. Exceeding this weight limit may compromise stability and cause damage or injury.
- Keep all small parts and assembly hardware away from children during assembly to prevent choking hazards.
- Ensure the stand is placed on a level, stable surface to prevent wobbling or instability.

STURDY STEEL FRAME

● Anti-Tilt Device

● Prevent Incidents

This image illustrates the sturdy steel frame, the anti-tilt device for enhanced safety, and the 4.7-inch clearance beneath the stand, allowing for robot vacuum operation.

PRODUCT FEATURES

The WLIVE Black TV Stand is designed with functionality and durability in mind:

- **Ample Storage:** Features 6 detachable fabric drawers and a spacious wooden top, providing organized storage for entertainment equipment and daily items. The desktop also serves as a display area for decorative items.
- **Stable Structure:** Constructed with a 15mm thickened metal steel frame and cross support rods for enhanced durability and stability. It can support up to 160 lbs.
- **Premium Details:** Equipped with smooth-sliding tracks and elegant metal handles for easy drawer access. Five all-directional adjustable feet ensure stability on various floor types and protect floors from scratches.
- **Durable Quality Materials:** Drawers are made from a 3-layer high-quality fiberboard and breathable non-woven fabric. The desktop is crafted from P2 grade artificial wood, which is scratch-resistant and easy to clean. All materials are tested for health and environmental safety.

Number of Pieces	1
Required Assembly	Yes

This image provides a visual representation of the product's dimensions and indicates its suitability for TVs up to 68 inches.

SETUP AND ASSEMBLY

Assembly of the WLIVE Black TV Stand is designed to be straightforward. A detailed assembly guide with clearly marked screw parts, reserved holes, and necessary tools is included in the package. For optimal ease and speed, it is recommended to have two people for assembly. Most users report completing assembly within an hour. Please follow the step-by-step instructions provided in the separate assembly manual for detailed guidance.

This video, provided by WLIVE, demonstrates the features and potential setup of the dresser, suitable for use as a TV stand for up to 68-inch televisions.

OPERATING INSTRUCTIONS

Using your WLIVE Black TV Stand is simple:

- **Placing Your TV:** Carefully place your television on the wooden top surface. Ensure the TV's base is fully supported and does not overhang the edges. This stand is suitable for TVs up to 68 inches.
- **Using the Drawers:** The fabric drawers are designed for smooth operation. Pull the elegant metal handles gently to open and push to close. The flexible fabric construction allows for generous storage capacity.
- **Adjustable Feet:** The adjustable feet can be rotated to fine-tune the stand's levelness on uneven floors. This also helps protect your flooring from scratches.

The TV stand is shown with a television, demonstrating its primary use as an entertainment center.

MAINTENANCE

To keep your WLIVE Black TV Stand in excellent condition:

- **Cleaning:** Wipe the wooden top and metal frame with a dry, soft cloth. For the fabric drawers, a damp cloth can be used for spot cleaning, but avoid excessive moisture.
- **Avoid Harsh Chemicals:** Do not use abrasive cleaners or strong chemical solutions, as these can damage the finish of the wood and metal, or the fabric of the drawers.
- **Regular Checks:** Periodically check all screws and connections to ensure they remain tight. Re-tighten if necessary to maintain stability.

TROUBLESHOOTING

If you encounter any issues with your TV stand, consider the following:

- **Wobbling:** Ensure the stand is on a level surface. Adjust the individual feet as needed to eliminate any wobble. Verify all assembly screws are securely tightened.

- **Drawer Issues:** If a drawer is not sliding smoothly, check for any obstructions in the drawer slot or ensure the drawer is correctly inserted into its frame.
- **Missing Parts:** If you find any parts missing or damaged upon unboxing, please contact customer support immediately.

WARRANTY AND SUPPORT

WLIVE is committed to providing quality products and excellent customer service. Your product is backed by our commitment to quality. For any questions, concerns, or assistance with assembly or product issues, please contact our professional after-sales support team. Contact information can typically be found on the packaging or our official website.
