## SAFETY INFORMATION

---

Please observe the following safety guidelines to prevent injury or damage to the product:

- Always assemble the desk according to the provided instructions.
- Ensure the desk is stable and secure before use.
- When using the removable monitor stand, ensure it is properly attached and tightened to prevent tipping.
- Do not place heavy objects on the desk that could cause it to tip over.
- Keep all electrical components (power strip, LED lights) away from liquids.
- Do not overload the power outlets. Refer to the power strip specifications for maximum load.
- Keep small parts and packaging materials away from children to prevent choking hazards.
- Regularly check all fasteners to ensure they remain tight.

## PARTS LIST

---

Before assembly, verify that all components are present and undamaged. If any parts are missing or damaged, please contact

customer support.

Steel Frame Components	Various	Legs, crossbars, and support structures.
Fabric Drawers	4	Collapsible storage drawers for the cabinet.
Monitor Stand	1	Removable stand with clamping unit.
Power Strip	1	Built-in unit with AC outlets and USB ports.
LED Light Strip	1	Integrated LED lighting for ambiance.
Assembly Hardware	Various	Screws, bolts, Allen wrench, etc.
Adjustable Feet	4+	For leveling the desk on uneven floors.

## SETUP AND ASSEMBLY

---

Follow these steps to assemble your Homieasy L-Shaped Desk. It is recommended to have two people for assembly.

- Unpack and Organize:** Carefully unpack all components and lay them out on a clean, soft surface to prevent scratches. Identify each part using the provided parts list.
- Assemble the Frame:** Attach the steel frame components together using the provided hardware. Ensure all connections are secure but do not fully tighten screws until the desk is fully assembled.
- Attach Desk Panels:** Secure the main desktop panels to the assembled frame. The L-shaped configuration is reversible; decide whether you want the drawer cabinet on the left or right side before attaching the panels.
- Install Drawer Cabinet:** Assemble the drawer cabinet frame and integrate it into the desk structure. Insert the four fabric drawers into their respective slots.
- Mount Monitor Stand:** The monitor stand can be clamped to the back edge of the desk. Position it to your preferred height and tighten the clamping unit securely.
- Integrate Power Strip:** Place the recessed power strip into its designated cutout on the desktop. Ensure it is flush and secure.
- Install LED Light Strip:** Adhere the LED light strip to the underside of the monitor stand or along the back edge of the desk as desired. Connect it to the power strip.
- Final Tightening and Leveling:** Once all components are in place, fully tighten all screws and bolts. Adjust the leveling feet at the bottom of the desk legs to ensure stability on uneven floors.

## MAINTENANCE

Proper care will extend the life of your Homieasy L-Shaped Desk.

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners. For the fabric drawers, spot clean with a mild detergent if necessary.
- **Dusting:** Regularly dust all surfaces to prevent buildup.
- **Fasteners:** Periodically check all screws and bolts to ensure they are tight. Re-tighten if necessary.
- **Avoid Moisture:** Keep the desk away from excessive moisture and direct sunlight to prevent warping or fading.

## TROUBLESHOOTING

---

If you encounter any issues with your desk, refer to the following common problems and solutions:

Problem	Possible Cause	Solution
Desk is wobbly.	Uneven floor or loose fasteners.	Adjust the leveling feet at the bottom of the legs. Ensure all assembly screws are fully tightened.
LED lights not working.	Power connection issue, remote battery dead, or app not connected.	Check if the LED strip is properly plugged into the power strip. Replace remote battery. Ensure Bluetooth is enabled and the app is correctly paired.
Power outlets not providing power.	Power strip not plugged into wall outlet, or overloaded.	Ensure the desk's main power cord is securely plugged into a functioning wall outlet. Unplug some devices if overloaded. Check for tripped circuit breakers.
Drawers are difficult to open/close.	Overloaded drawers or misaligned cabinet.	Reduce the weight in the drawers. Check if the drawer cabinet is assembled correctly and aligned with the desk frame.
