MAINTENANCE AND CARE

Proper maintenance ensures the longevity and hygiene of your swing.

- **Seat Pad:** The removable seat pad is machine-washable. Follow the care instructions on the fabric label for best results.
- **Frame:** Wipe the frame and plastic components with a damp cloth and mild soap. Do not use harsh abrasives or solvents.
- **Storage:** When not in use, fold the swing for compact storage in a dry, cool place away from direct sunlight.

TROUBLESHOOTING

If you encounter any issues with your swing, refer to the following common solutions:

Problem	Possible Cause / Solution
Swing not turning on or inconsistent operation.	Check battery installation and ensure correct polarity. Replace old or depleted batteries with new ones (4 C batteries required). Ensure all connections are secure and the swing is properly assembled.
Music not playing.	Press the music button to activate melodies. Check battery levels.
Swing appears wobbly.	Ensure the swing is placed on a flat, stable surface. Verify all frame connections are securely locked.
