Assembly Steps:

- 1. Unpack and Identify Parts:** Carefully unpack all components and lay them out. Refer to the included parts list to ensure all pieces are present and undamaged.

2. **Assemble the Top Section:** Begin by attaching the necessary hardware to the top panel of the cabinet.
3. **Attach Side Panels and Bottom Shelf:** Secure the side panels and the bottom shelf to the top section, ensuring proper alignment.
4. **Insert Back Panel:** Slide the back panel into the designated grooves. Secure it in place using the provided pressure devices to prevent rattling.
5. **Assemble Metal Stand:** Construct the metal stand by attaching the legs and the cross-support bars. Ensure the screw heads are positioned towards the back to avoid scratching walls.
6. **Attach Cabinet to Stand:** Carefully place the assembled cabinet onto the metal stand and secure it firmly.
7. **Install Doors and Handles:** Attach the tempered glass doors and handles to the cabinet.
8. **Adjust Shelves:** The inner shelves are adjustable. Position them according to your storage needs.
9. **Secure to Wall (Anti-Toppling):** Utilize the included anti-toppling accessories to securely fasten the cabinet to the wall. This is crucial for stability and safety.

OPERATING INSTRUCTIONS

The FiveWillowise Over The Toilet Storage Cabinet is designed for straightforward use. Once assembled and securely placed, it provides accessible storage for your bathroom essentials.

- **Adjustable Shelves:** The cabinet features adjustable inner shelves. To reposition a shelf, simply remove it from its current pegs and place it on the desired set of pegs. This allows for customization based on the height of items you wish to store.
- **Tempered Glass Doors:** The tempered glass doors provide a discreet yet stylish way to store items, keeping them organized and out of sight while adding an elegant touch to your bathroom decor.
- **Open Shelf Access:** The open shelf below the cabinet doors offers convenient access to frequently used items or decorative elements.

MAINTENANCE

To ensure the longevity and appearance of your FiveWillowise Over The Toilet Storage Cabinet, follow these

simple maintenance guidelines:

- **Cleaning:** Wipe surfaces with a soft, damp cloth. For tougher spots, a mild, non-abrasive cleaner can be used. Avoid harsh chemicals or abrasive materials that could damage the finish or glass.
- **Moisture Protection:** The P2 board is finished with a moisture-proof craft. However, it is recommended to wipe away any standing water or excessive moisture promptly to prevent long-term damage.
- **Hardware Check:** Periodically check all screws and connections to ensure they remain tight. Tighten any loose hardware to maintain the cabinet's stability.
- **Glass Care:** Clean the tempered glass doors with a standard glass cleaner and a soft cloth to maintain clarity and shine.

TROUBLESHOOTING

If you encounter any issues with your storage cabinet, please refer to the following common troubleshooting tips:

- **Cabinet Wobbles:**
 - Ensure the cabinet is placed on a level surface. Use the adjustable pads on the metal stand to compensate for uneven floors.
 - Verify that all assembly screws are securely tightened.
 - Confirm that the anti-toppling accessories are correctly installed and securely fastened to the wall.
- **Doors Do Not Close Properly:**
 - Check the alignment of the hinges. Adjust if necessary.
 - Ensure the magnetic catches are properly aligned with the door magnets. Adjust their position if needed.
- **Back Panel Rattles:**
 - Ensure the small securing devices (clips/screws) along the back panel's edges are properly installed and applying sufficient pressure.
