Yaheetech Mid-Back Office Chair User Manual

Model: YT-001321871

INTRODUCTION

Thank you for choosing the Yaheetech Mid-Back Office Chair. This manual provides detailed instructions for assembly, operation, maintenance, and troubleshooting to ensure you get the most out of your new chair. Please read this manual thoroughly before assembly and use.

SAFETY INFORMATION

⚠ WARNING: This product can expose you to chemical Di(2-ethylhexyl)phthalate (DEHP) and Lead which are known to the State of California to cause cancer and birth defects or other reproductive harm. For more information go to www.P65Warnings.ca.gov/furniture.

- Ensure all parts are present and undamaged before assembly.
- Do not use the chair if any parts are missing or damaged.
- Keep children and pets away during assembly.
- Do not stand on the chair.
- Do not use the chair for purposes other than its intended use as an office chair.
- Maximum weight capacity: 300 pounds. Do not exceed this limit.

PACKAGE CONTENTS

Your Yaheetech Mid-Back Office Chair package should include all necessary hardware, tools, and the following main components:

- Chair Backrest
- Seat Cushion
- Armrests (2)
- Gas Lift Cylinder
- Star Base
- Casters (5)

- Mechanism Plate
- Hardware Pack (screws, washers, allen wrench)
- User Manual (this document)

ASSEMBLY INSTRUCTIONS

Assembly is quick and easy. Please follow the steps below carefully.

Important Pre-Assembly Step:

Figure 1: Before assembly, ensure you remove the black plastic cap from the top of the gas lift cylinder. This cap protects the piston during shipping and must be removed for proper function.

Assembly Steps:

1. **Attach Armrests to Seat Cushion:** Align the armrests with the pre-drilled holes on the underside of the seat cushion. Secure them using the provided screws and allen wrench. Do not overtighten.
2. **Attach Armrests to Backrest:** Connect the backrest to the armrests, ensuring proper alignment. Secure with screws.

3. **Attach Mechanism Plate:** Fasten the mechanism plate to the underside of the seat cushion using the designated screws. Ensure the front of the mechanism faces the front of the seat.
4. **Assemble Base:** Insert the casters into the holes at the end of each leg of the star base. Push firmly until they click into place.
5. **Insert Gas Lift:** Place the gas lift cylinder into the center hole of the assembled star base.
6. **Connect Seat to Base:** Carefully place the assembled seat and backrest onto the top of the gas lift cylinder. Apply downward pressure to secure the connection.

OPERATING INSTRUCTIONS

Your Yaheetech Office Chair is designed for comfort and adjustability. Familiarize yourself with its features:

Height Adjustment:

To adjust the seat height, pull the lever located under the right side of the seat upwards. While pulling the lever, stand up to raise the chair, or remain seated and apply pressure to lower it. Release the lever to lock the height.

Figure 2: The chair features adjustable seat height, allowing you to customize it for optimal comfort and ergonomic positioning at your desk.

Rocking Function:

The chair features a rocking function for added comfort. To enable rocking, pull the same lever (used for height adjustment) outwards. To lock the chair in an upright position, push the lever inwards.

Figure 3: The chair offers a rocking function, providing flexibility for leaning back and relaxing during breaks.

Swivel and Mobility:

The chair is equipped with 360° smooth swivel wheels and a sturdy metal star base, allowing for effortless movement and rotation around your workspace.

Figure 4: The chair's 360° swivel and smooth-rolling casters ensure easy mobility and flexibility in any office or home setting.

MAINTENANCE

To maintain the appearance and longevity of your Yaheetech Office Chair, follow these simple maintenance guidelines:

- **Cleaning:** Wipe clean with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners, as they may damage the PU leather upholstery.
- **Regular Checks:** Periodically check all screws and bolts to ensure they are tight. Retighten if necessary to prevent wobbling or instability.
- **Caster Care:** Keep the casters free of hair and debris to ensure smooth rolling.
- **Avoid Direct Sunlight:** Prolonged exposure to direct sunlight can cause the PU leather to fade or crack.

Ergonomic Backrest

Conforms to the natural spine curve, providing optimal lumbar support

Figure 5: The chair features waterproof PU leather, making it easy to clean and maintain.

TROUBLESHOOTING

If you encounter any issues with your chair, please refer to the following common problems and solutions:

Problem	Possible Cause	Solution
Chair wobbles or feels unstable.	Loose screws or improper assembly.	Check and tighten all screws, especially those connecting the armrests to the seat and backrest, and the mechanism plate to the seat. Ensure the gas lift is fully seated in the base.
Chair does not adjust height or sinks slowly.	Gas lift issue or plastic cap not removed.	Ensure the black plastic cap was removed from the gas lift cylinder during assembly. If the issue persists, the gas lift may be faulty and require replacement.

Problem	Possible Cause	Solution
Casters do not roll smoothly.	Debris caught in casters.	Turn the chair over and remove any hair, dust, or debris from the caster wheels.
Screws do not align during assembly.	Parts misaligned or manufacturing tolerance.	Ensure all parts are oriented correctly as per the instructions. Loosely attach all screws before fully tightening any one, allowing for minor adjustments. If severe, contact customer support.

SPECIFICATIONS

Feature	Detail
Brand	Yaheetech
Model Number	YT-001321871
Color	Retro Brown
Product Dimensions (D x W x H)	25"D x 24"W x 41.5"H
Adjustable Height Range	38" - 41.5" (Overall Height)
