TAGRY X08

TAGRY X08 True Wireless Earbuds Instruction Manual

Model: X08

Brand: TAGRY

INTRODUCTION

Thank you for choosing the TAGRY X08 True Wireless Earbuds. These earbuds are designed to provide a superior audio experience with convenient features such as an LED power display, long playback time, wireless charging, and intuitive touch controls. This manual will guide you through the setup, operation, and maintenance of your new earbuds to ensure optimal performance.

WHAT'S IN THE BOX

- TAGRY X08 True Wireless Earbuds (Left and Right)
- Wireless Charging Case
- USB-C Charging Cable
- Multiple Sizes of Ear Tips (Small, Medium, Large)
- User Manual

PRODUCT OVERVIEW

Digital Power Display

Dual digital display to show the power of the charging case and earbuds

One-Step Auto Pairing

After first pairing,
earbuds auto pair with
your phone while
opening the case

Figure 2: An exploded view illustrating the internal components of the earbud, highlighting the 13mm speaker and triple-layer composite diaphragms for powerful bass and clear audio.

SETUP

1. Initial Pairing

The TAGRY X08 Bluetooth earphones feature a Hall switch for one-step auto pairing. After the first connection, these wireless earphones will automatically connect with your device as soon as you open the charging case.

1. Ensure your device's Bluetooth is turned on.
2. Open the charging case. The earbuds will automatically enter pairing mode.
3. On your device, search for Bluetooth devices and select "X08" from the list.
4. Once connected, you will hear an audible confirmation, and the earbuds will be ready for use.

One-Step Auto Pairing

After first pairing, earbuds auto pair with your phone while opening the case

OPERATING INSTRUCTIONS

The TAGRY X08 earbuds feature intuitive touch controls for easy management of music, calls, and voice assistant functions.

Touch Controls

Smart Touch Control

Control music and calls with your finger tap

Figure 4: Detailed diagram of touch control functionalities on the earbud for music, calls, and voice assistant.

- **Play/Pause:** Single tap on either earbud.
- **Volume Adjustment:** Tap and hold the right earbud for Volume +, tap and hold the left earbud for Volume -.
- **Next Track:** Double tap the right earbud.
- **Previous Track:** Double tap the left earbud.
- **Answer/Hang Up Call:** Single tap on either earbud during an incoming call or active call.
- **Voice Assistant:** Triple tap on either earbud to activate your device's voice assistant (e.g., Siri, Google Assistant).

Mono and Twin Stereo Mode

The earbuds support both mono and twin stereo modes. You can use a single earbud independently for calls or audio, or use both for an immersive stereo experience. Simply remove one earbud from the case to use in mono mode; the other will remain in the case or can be used by another person.

CHARGING

The TAGRY X08 earbuds and charging case offer versatile charging options and clear battery indicators.

Battery Life

- Each earbud provides approximately 6 hours of playback on a single charge.
- The 470mAh charging case can provide up to 4 additional full charges for both earbuds, offering a total of up to 60 hours of music time.

LED Power Display

The charging case features a dual digital LED power display to show the power level of both the charging case and the individual earbuds. When charging the case, the LED light will flash from 1 to 100. When earbuds are placed in the case, they will begin charging, and their individual battery levels will be displayed.

Charging Methods

Figure 5: The charging case supports both USB-C cable charging and wireless charging for convenience.

- **USB-C Cable Charging:** Connect the provided USB-C cable to the charging port on the case and to a power source.
- **Wireless Charging:** Place the charging case on a compatible wireless charging pad (not included).

MAINTENANCE

Water Resistance

The TAGRY X08 wireless headphones are rated IPX5 waterproof. The nano-coating on the earbud surface helps

prevent water and sweat from penetrating, making them suitable for sports and workouts. Avoid submerging the earbuds in water.

Cleaning

Regularly clean your earbuds and charging case with a soft, dry cloth. Remove ear tips and clean them separately with mild soap and water if necessary, ensuring they are completely dry before reattaching.

SPECIFICATIONS

Earbud Weight (Single)	0.14oz
Audio Driver Size	13 Millimeters
Noise Control Features	Passive Noise Control, CVC Noise Reduction (for calls)
Control Method	Touch

TROUBLESHOOTING

- **Earbuds not pairing:** Ensure Bluetooth is enabled on your device. Place earbuds back in the case, close, then open again to re-enter pairing mode. Forget "X08" from your device's Bluetooth list and try pairing again.
- **No sound or low volume:** Check the volume level on both your device and the earbuds using the touch controls. Ensure earbuds are properly seated in your ears.
- **One earbud not working:** Place both earbuds back in the charging case. Close the lid for a few seconds, then open it again. If the issue persists, try resetting the earbuds (refer to the full user manual for specific reset instructions).
- **Charging case not charging:** Ensure the USB-C cable is securely connected to both the case and the power source, or that the wireless charging pad is active and the case is correctly positioned.
- **Difficulty pairing with specific devices (e.g., iPhone):** Some users have reported issues pairing with certain iPhone models despite updated iOS. Ensure your device's Bluetooth is discoverable and try restarting both the device and the earbuds.
