## QUTWOB HR1170-52BD-L

# QUTWOB 52" Wood Ceiling Fan with Lights and Remote Control Instruction Manual

Model: HR1170-52BD-L

## 1. SAFETY INFORMATION

---

Please read and understand this entire manual before attempting to assemble, operate, or install the product. Failure to follow these instructions could result in electric shock, fire, or serious personal injury.

- Ensure all electrical connections comply with local codes and ordinances, and with the National Electrical Code (NEC).
- Consult a qualified electrician if you are unfamiliar with electrical wiring.
- Disconnect power at the main circuit breaker before installation or servicing to prevent electric shock.
- The fan must be mounted with a minimum of 7 feet (2.1 meters) clearance from the floor to the trailing edge of the blades.
- The fan is suitable for use on concrete roofs with an inclination of up to 15 degrees.
- Do not operate the fan if any part is damaged. Contact customer support for replacement parts.
- Do not insert objects into the path of the fan blades.

## 2. PRODUCT OVERVIEW

---

The QUTWOB 52-inch Wood Ceiling Fan is designed for both indoor and outdoor use, featuring a modern aesthetic with functional controls. It incorporates a durable DC inverter motor and integrated LED lighting.

### Key Features:

- **Solid Wood Blades:** Three dark walnut-colored blades crafted from solid wood for durability and aesthetic appeal.
- **DC Inverter Motor:** Energy-efficient and quiet operation, with a maximum speed of 165 RPM and noise level below 30dB.
- **Integrated LED Light:** 18W LED light with 1500 lumens, offering three color temperatures (3000K Warm

White, 4500K Natural White, 6000K Cold White) and 0-100% brightness adjustment.

- **Remote Control:** Provides convenient control over 6 fan speeds, light settings, reversible blade rotation (for summer/winter use), and a timer function (1H, 4H, 8H).
- **Versatile Installation:** Compatible with sloped ceilings up to 15 degrees and includes multiple downrod options (5", 10", 14").

### 3. PACKAGE CONTENTS

---

Verify that all components are present before beginning installation. If any parts are missing or damaged, do not proceed with installation and contact customer support.

- Motor Assembly
- Fan Blades (3)
- Downrods (5", 10", 14")
- Canopy
- Mounting Bracket
- Remote Control with Wall Mount
- Light Kit (Integrated LED)
- Hardware Pack (screws, washers, wire nuts)
- Instruction Manual

### 4. SETUP AND INSTALLATION

---

Installation of the QUTWOB ceiling fan is designed to be straightforward. For detailed visual guidance, please refer to the installation video provided below. Ensure power is disconnected at the circuit breaker before starting.

#### Installation Steps Overview:

1. **Mounting Bracket Installation:** Secure the mounting bracket to the ceiling junction box. Ensure it is capable of supporting the fan's weight.
2. **Downrod Assembly:** Select the appropriate downrod length (5", 10", or 14") for your ceiling height. Feed the fan wires through the downrod.
3. **Motor Assembly Attachment:** Attach the downrod to the motor assembly and secure it.
4. **Hanging the Fan:** Carefully lift the fan assembly and hang it on the mounting bracket.
5. **Wiring Connections:** Connect the fan's electrical wires to the household wiring according to the wiring diagram in the manual. Ensure all connections are secure.
6. **Canopy Installation:** Slide the canopy up to the ceiling and secure it to cover the wiring and mounting bracket.
7. **Blade Attachment:** Attach the three solid wood blades to the motor housing.
8. **Light Kit Installation:** Connect and secure the integrated LED light kit to the bottom of the fan motor housing.
9. **Power Restoration:** Restore power at the main circuit breaker.

## 5. OPERATING INSTRUCTIONS

---

The QUTWOB ceiling fan is operated using the included remote control. Ensure the remote has fresh batteries installed.

#### Remote Control Functions:

- **Power On/Off:** Turns the fan and light on or off.
- **Fan Speed Control:** Adjusts the fan speed through 6 levels.
- **Light On/Off:** Controls the integrated LED light.
- **Light Color Temperature:** Cycles through 3 color temperatures: 3000K (Warm White), 4500K (Natural White), and 6000K (Cold White).
- **Brightness Adjustment:** Adjusts the light brightness from 0% to 100%.

- **Reverse Function (Summer/Winter Mode):** Changes the direction of blade rotation. Downward airflow creates a cooling effect for summer, while upward airflow circulates warm air for winter.
- **Timer Function:** Sets the fan to automatically turn off after 1 hour, 4 hours, or 8 hours.

## 52" Wood Ceiling Fan

-  Energy-saving DC Motor
-  Two-way Rotation
-  1/4/8 Hour Timing
-  Silent Mode
-  Trichromatic light source

Image: Illustration of the fan's quiet operation, remote control, 6-speed adjustment, and timer settings.

-  Adjustable Brightness
-  Two-way Rotation
-  5'/10"/14" Downrods
-  Fit for Sloped Ceiling

### 52" Ceiling Fans With Light

- Remote Control : 6 Speeds Adjustment
- Timer Setting : 1H 4H 8H
- Comfortable and Silent

### More Energy Efficient Than Traditional Ceiling Fan

## 6. MAINTENANCE

Regular maintenance helps ensure the longevity and optimal performance of your ceiling fan.

- **Cleaning:** Dust the fan blades and motor housing periodically with a soft, damp cloth. Do not use abrasive cleaners or solvents.
- **Tighten Fasteners:** Check all screws and fasteners on the fan and mounting hardware at least twice a year to ensure they are secure.
- **Blade Balance:** If the fan wobbles, ensure all blades are securely attached and consider using a blade balancing kit (not included) if necessary.
- **Light Cover:** Clean the light cover with a soft, lint-free cloth.

## 7. TROUBLESHOOTING

If you encounter issues with your QUTWOB ceiling fan, refer to the following common problems and solutions:

Problem	Possible Cause	Solution
Fan does not start	No power to the fan; Loose wire connections; Remote control battery dead or not paired.	Check circuit breaker; Verify all wire connections are secure; Replace remote battery or re-pair remote.
Light does not work	Loose wire connection to light kit; LED driver issue.	Check light kit wiring; Contact customer support if LED driver is suspected.

Problem	Possible Cause	Solution
Fan wobbles excessively	Loose blades or mounting hardware; Unbalanced blades.	Ensure all blades and mounting screws are tight; Use a blade balancing kit.
Remote control not responding	Dead batteries; Remote not paired with receiver.	Replace batteries; Follow pairing instructions in the full manual (if applicable).
Fan makes noise	Loose screws; Blades rubbing; Motor issue.	Check and tighten all screws; Ensure blades are not obstructed; Contact customer support if motor noise persists.

If the problem persists after attempting these solutions, please contact QUTWOB customer support.

## 8. SPECIFICATIONS

Feature	Specification
Brand	QUTWOB
Model Number	HR1170-52BD-L
Color	Black+Dark Walnut
Product Dimensions	52"D x 52"W x 16"H
Electric Fan Design	Ceiling Fan
Power Source	DC
Style	Modern
Room Type	Dining Room, Home Office, Living Room (Indoor/Outdoor)
Mounting Type	Ceiling Mount
Controller Type	Remote Control
Number of Speeds	6
Noise Level	30 Decibels
Wattage	18 watts (Light)
Number of Blades	3
Speed	165 RPM (Max)
Motor Type	Brushless DC Motor
Light Type	LED
Material	Wood (Blades)
Included Components	Light Kit

## 9. WARRANTY AND SUPPORT

---

QUTWOB stands behind the quality of its products.

- **Motor Warranty:** QUTWOB motors come with a 10-year warranty.
- **Unit Warranty:** The entire unit is covered by a 1-year worry-free warranty.

For any questions, concerns, or warranty claims regarding your ceiling fan, please contact QUTWOB customer support. Your satisfaction is of utmost importance.
