TAGRY X08

TAGRY X08 True Wireless Earbuds User Manual

Model: **X08** | Brand: **TAGRY**

1. INTRODUCTION

Thank you for choosing the TAGRY X08 True Wireless Earbuds. These earbuds are designed to provide a superior audio experience with advanced features such as an LED power display, extended 60-hour playback, wireless charging, and IPX5 waterproof rating. This manual will guide you through the setup, operation, and maintenance of your new earbuds to ensure optimal performance and longevity.

Image: Two sets of TAGRY X08 True Wireless Earbuds, one black and one white, shown in their respective charging cases. Both cases feature a digital LED power display.

2. SETUP

2.1. Unboxing and Initial Inspection

Upon opening the package, ensure all components are present:

- TAGRY X08 Earbuds (Left and Right)
- Wireless Charging Case
- USB-C Charging Cable
- Multiple Sizes of Ear Tips (Small, Medium, Large)

2.2. Charging the Earbuds and Case

Before first use, fully charge the charging case and earbuds. The dual digital LED power display on the case indicates the power level for both the case and individual earbuds.

- **Case Charging:** Connect the USB-C cable to the charging port on the case. The LED light will flash from 1 to 100, indicating the charging progress. The case also supports wireless charging.
- **Earbud Charging:** Place the earbuds into the charging case. They will begin charging automatically. Each earbud provides approximately 6 hours of playback on a single charge, and the 470mAh charging case offers an additional 4 full charges, totaling up to 60 hours of music time.

USB-C and Wireless Charging

Convenient and Faster Charging with Two Methods

Image: Illustration showing both USB-C cable charging and wireless charging pad options for the TAGRY X08 earbuds charging case.

2.3. One-Step Auto Pairing

The TAGRY X08 earbuds feature a convenient one-step auto-pairing process:

1. Ensure Bluetooth is enabled on your device (smartphone, tablet, laptop, etc.).
2. Open the charging case. The earbuds will automatically power on and enter pairing mode.
3. On your device's Bluetooth settings, select "X08" from the list of available devices to connect.
4. Once connected, the earbuds will automatically pair with your device every time you open the charging case.

One-Step Auto Pairing

After first pairing,
earbuds auto pair with
your phone while
opening the case

2.4. Ergonomic Fit

The X08 earbuds are designed for comfort and a secure fit. They come with three different sizes of ear tips (small, medium, large) to ensure a snug fit for most ear canals. Experiment with the different sizes to find the most comfortable and secure fit for your ears.

Crystal-Clear Sound

13mm speaker
produce powerful bass and stunning treble

3. OPERATING INSTRUCTIONS

3.1. Smart Touch Control

The earbuds feature intuitive touch controls for managing music, calls, and voice assistant functions without needing to access your phone:

- **Play/Pause:** Single tap on either earbud.
- **Answer/Hang Up Call:** Single tap on either earbud.
- **Next Track:** Double tap on the right earbud.
- **Previous Track:** Double tap on the left earbud.

- **Volume Up:** Triple tap on the right earbud.
- **Volume Down:** Triple tap on the left earbud.
- **Voice Assistant (Siri):** Long press on either earbud.

Smart Touch Control

Control music and calls with your finger tap

3.2. Sound Quality and Modes

The TAGRY X08 earbuds are equipped with 13mm speakers and triple-layer composite diaphragms, delivering powerful bass, stunning treble, and clear mids for an immersive stereo sound experience. They support both mono and twin stereo modes, allowing you to use a single earbud or share the audio experience with another person.

4. MAINTENANCE

4.1. Waterproofing

The TAGRY X08 earbuds are rated IPX5 waterproof, meaning they are protected against low-pressure water jets from any direction. A nano-coating on the earbud surface prevents water and sweat from penetrating, making them suitable for sports activities and light rain. However, they are not designed for submersion in water.

Image: An earbud shown with water droplets, illustrating its IPX5 waterproof capability, suitable for sports and light exposure to moisture.

4.2. Cleaning

To maintain optimal performance and hygiene, regularly clean your earbuds and charging case:

- Use a soft, dry, lint-free cloth to wipe the earbuds and charging case.
- For stubborn dirt, slightly dampen the cloth with water or a mild, non-abrasive cleaner.

- Gently clean the charging contacts on both the earbuds and inside the case to ensure proper charging.
- Remove ear tips and clean them with mild soap and water, then dry thoroughly before reattaching.

5. TROUBLESHOOTING

If you encounter issues with your TAGRY X08 earbuds, refer to the following common problems and solutions:

Problem	Possible Cause	Solution
Earbuds not pairing/connecting.	Not in pairing mode, out of range, previously paired.	Ensure earbuds are in pairing mode (open case). Move closer to device. Forget "X08" in device's Bluetooth settings and re-pair.
Only one earbud playing sound.	Earbuds not linked, low battery, dirty contacts.	Place both earbuds back in the case, close, then open again. Ensure both are charged. Clean charging contacts.
Charging case not charging.	Faulty cable/adaptor, dirty port.	Try a different USB-C cable and power adapter. Clean the charging port on the case.
Poor sound quality/distortion.	Low battery, interference, improper fit.	Charge earbuds fully. Move away from other wireless devices. Adjust earbud fit and try different ear tips.

6. SPECIFICATIONS

- **Model Name:** X08
- **Brand:** TAGRY
- **Connectivity Technology:** Wireless (Bluetooth 5.3)
- **Ear Placement:** In Ear
- **Form Factor:** In Ear
- **Control Type:** Media Control, Music, Volume Control, Call Control, Voice Control (Touch, Voice)
- **Waterproof Level:** IPX5
- **Music Playtime:** About 6 hours on single charge
- **Total Playback Time (with charging case):** Up to 60 hours
- **Charging Case Battery Capacity:** 470mAh
- **Speaker Size:** 13mm
- **Frequency Range:** 20 Hz - 20,000 Hz
- **Single Earbud Weight:** 0.14oz
- **Earbud Dimensions:** 1.57*0.78*0.59in
- **Charging Case Dimensions:** 2.56*2.16*1in
- **Compatible Devices:** Devices with Bluetooth compatibility (e.g., smartphones, tablets, laptops, smart TVs)
- **Noise Control:** Sound Isolation (CVC noise reduction for calls)
