SOFTSEA Twin Size Murphy Bed with Wardrobe and Storage Drawers

SOFTSEA Twin Size Murphy Bed with Wardrobe and Storage Drawers Instruction Manual

MODEL: TWIN SIZE MURPHY BED WITH WARDROBE AND STORAGE DRAWERS

Brand: SOFTSEA

Introduction

This manual provides comprehensive instructions for the assembly, operation, and maintenance of your SOFTSEA Twin Size Murphy Bed with Wardrobe and Storage Drawers. Designed for optimal space utilization, this unit seamlessly transforms from a stylish cabinet into a comfortable twin-size bed, complete with integrated storage solutions. Please read all instructions carefully before beginning assembly or operation to ensure safe and proper use.

Important Safety Information

To prevent injury or damage to the product, adhere to the following safety guidelines:

- Do not exceed the recommended weight limits for the bed frame.
- Be aware of potential pinch points during the folding and unfolding operations. Keep hands and fingers clear of moving parts.
- Ensure proper assembly and secure fastening of all components to maintain stability.
- Use a mattress within the recommended thickness range to ensure proper folding and storage.
- Always secure the unit to a wall according to assembly instructions to prevent tipping.

Components List

Before assembly, verify that all parts and hardware are present. Refer to the detailed parts diagram in the assembly video for specific identification.

- Main Cabinet Panels (Top, Bottom, Sides, Back)
- Bed Frame Assembly (Metal frame with wood slats)
- Wardrobe Components (Door, Shelves, Hanging Rod)
- Drawer Components (Drawer fronts, sides, backs, bottoms, slides)
- Hardware Pack (Screws, dowels, cam locks, hinges, handles, hydraulic buffer bars, silent rubber rollers)
- Upholstered Headboard
- Tri-fold Foam Mattress

Assembly Guide

Assembly requires two adults. Follow the steps carefully. All necessary tools are included.

Assembly Video Tutorial

Video: This video provides a visual guide for the assembly process of the Murphy Bed Cabinet, demonstrating each step from unboxing to final setup.

Step-by-Step Instructions:

1. **Prepare the Base Cabinet:** Begin by assembling the main cabinet structure. Attach the bottom panel to the side panels using the provided hardware (e.g., cam locks and dowels). Ensure all connections are secure.
2. **Install Bed Frame:** Carefully position the pre-assembled metal bed frame with the tri-fold foam mattress inside the main cabinet. Secure it to the cabinet structure using the designated bolts and brackets.
3. **Assemble Wardrobe and Drawers:** Construct the wardrobe section and the three storage drawers. Attach the drawer slides to the cabinet and the drawers, then install the drawer fronts and handles. Mount the wardrobe door and its handle.
4. **Attach Top Panel:** Secure the tri-fold walnut top board to the top of the cabinet using the provided hinges. This panel will serve as a desk when the bed is folded.
5. **Install Handles and Headboard:** Attach the handles to the front panels of the bed section. Install the upholstered headboard within the bed frame.
6. **Final Adjustments:** Ensure all components are tightly secured and the bed mechanism operates smoothly. Test the folding and unfolding functions.

Image: The Murphy bed partially unfolded, revealing the sturdy metal bed frame and the tri-fold foam mattress.

Operating Your Murphy Bed

Unfolding the Bed:

- Open Cabinet Doors:** Gently pull the handles on the front panels of the bed section to release the latches.
- Lower the Bed:** With a controlled motion, pull the bed frame downwards. The hydraulic buffer bars will assist in a smooth and gradual descent.
- Extend Legs:** The bed legs will automatically extend as the bed lowers. Ensure they are fully extended and stable before use.
- Adjust Top Panel (Optional):** If the top panel was used as a desk, fold it back into its closed position above the headboard.

Folding the Bed:

- Clear Bedding:** Remove all bedding that might obstruct the folding mechanism.

2. **Lift Bed Frame:** Grasp the handles on the front panels of the bed section and lift upwards. The hydraulic buffer bars will assist in lifting the bed.
3. **Secure in Cabinet:** Continue lifting until the bed frame is fully upright and securely latched into the cabinet.
4. **Utilize Desk Feature (Optional):** The tri-fold walnut top board can be unfolded to create a home office desk when the bed is stored.

Image: The Murphy bed fully unfolded, ready for use, with the integrated wardrobe and drawers visible on the side.

Using the Wardrobe and Drawers:

The integrated wardrobe and three drawers provide convenient storage. The wardrobe includes a hanging rod for clothes, and the drawers are suitable for various personal items. Ensure drawers are closed before folding or unfolding the bed.

Maintenance and Care

- **Cleaning:** For the wood and MDF surfaces, wipe with a soft, damp cloth. Avoid harsh chemicals. For the upholstered headboard and foam mattress fabric, spot clean with a mild detergent or refer to professional dry cleaning if necessary.
- **Hardware Check:** Periodically inspect all screws, bolts, and fasteners to ensure they are tight. Tighten any loose hardware to maintain stability and safety.
- **Mechanism Lubrication:** If the folding mechanism becomes stiff, apply a small amount of silicone-based lubricant to the moving parts, avoiding contact with wood or fabric.
- **Mattress Care:** Rotate the foam mattress regularly to ensure even wear and prolong its lifespan.

Troubleshooting Guide

Problem	Possible Cause	Solution
---------	----------------	----------

Problem	Possible Cause	Solution
Bed difficult to fold/unfold	Loose hardware; obstruction; hydraulic buffer bars need lubrication.	Check and tighten all fasteners. Ensure no bedding is caught. Lubricate hydraulic buffer bars.
Drawers stick or do not slide smoothly	Misaligned slides; debris in tracks; overloaded drawer.	Check drawer slide alignment. Clear tracks of debris. Reduce drawer contents.
Unit feels unstable	Improper wall anchoring; loose connections.	Ensure the unit is securely anchored to the wall. Re-tighten all assembly hardware.

Product Specifications

Image: Detailed dimensions of the SOFTSEA Twin Size Murphy Bed in both folded and unfolded states.

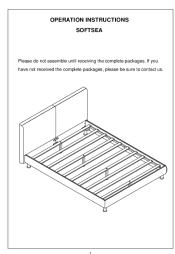

- **Size:** Twin Size
- **Product Dimensions (Folded):** 94.9" L x 19.7" W x 83.1" H (Approximate, based on image)
- **Product Dimensions (Unfolded):** 94.9" L x 80.2" W x 83.1" H (Approximate, based on image)
- **Special Feature:** Storage Cabinet, Drawers, Foldable, Murphy Bed
- **Color:** Grey
- **Finish Type:** Stained or Painted
- **Included Components:** All Tools
- **Compatible Mattress Size:** Twin
- **Brand:** SOFTSEA
