4. SETUP

1. **Power On:** Connect the power adapter to the frame and a power outlet. The frame will automatically power on.
2. **Initial Configuration:** Follow the on-screen prompts to select your language, time zone, and connect to a Wi-Fi network.
3. **App Download:** Download the "VPhoto" app from your mobile device's app store (iOS or Android).
4. **Frame Pairing:** Open the VPhoto app and follow the instructions to pair your mobile device with the digital picture frame. This typically involves scanning a QR code displayed on the frame.

5. OPERATION

5.1 Basic Navigation

- **Touch Screen:** Navigate menus and interact with content directly on the 10.1-inch touch screen.
- **Home Screen:** Access various functions such as Photo, Video, Music, Calendar, Weather, and Settings.
- **Gestures:** Swipe left/right to browse photos, tap to view options, pinch to zoom (if supported by software).

5.2 Displaying Photos and Videos

- **Slideshows:** The frame automatically plays a slideshow of uploaded photos and videos. You can customize slideshow intervals and transition effects in the settings.
- **Manual Browsing:** Tap the screen to pause the slideshow and manually browse through your media.
- **Auto-Rotate:** The frame automatically adjusts the display orientation (portrait or landscape) based on its physical placement.

6. SHARING PHOTOS AND VIDEOS

The FULLJA digital picture frame supports easy media sharing:

6.1 Using the VPhoto App

1. Ensure your frame is connected to Wi-Fi and paired with the VPhoto app on your smartphone.
2. Open the VPhoto app and select the photos or videos you wish to send.
3. Choose your connected frame as the recipient. The media will be sent and displayed on the frame within seconds.
4. Up to 30 members can be invited to share photos and videos to a single frame.

Share the Wonderful Moments with Your Loved One

6.2 Email Sharing

- Each frame has a unique email address. You can find this in the frame's settings.
- Send photos and short videos (up to 15 seconds) as attachments to this email address.
- The media will automatically appear on the frame.

7. STORAGE

The frame offers flexible storage options:

- **Internal Memory:** 32GB built-in memory is available for storing media.
- **TF Card Slot:** Insert a TF (microSD) card to expand storage capacity.
- **USB Port:** Connect a USB flash drive to view or transfer media.

8. ADDITIONAL FUNCTIONS

Beyond displaying photos and videos, the frame includes:

- **Music Playback:** Play background music during slideshows.
- **Weather Display:** View current weather information.
- **Calendar:** Access a digital calendar.
- **Alarms:** Set alarms for reminders.
- **Customizable Power Settings:** Schedule on/off times to conserve energy.

9. MAINTENANCE

- **Cleaning:** Use a soft, dry cloth to clean the screen and frame. Avoid abrasive cleaners or solvents.
- **Placement:** Place the frame on a stable surface or mount it securely on a wall. Avoid direct sunlight or extreme temperatures.
- **Software Updates:** Periodically check for and install software updates via the settings menu to ensure optimal performance.

10. TROUBLESHOOTING

Issue	Possible Solution
Frame does not power on.	Ensure the power adapter is securely connected to both the frame and a working power outlet. Try a different outlet.

Issue	Possible Solution
Cannot connect to Wi-Fi.	Verify your Wi-Fi password. Ensure the frame is within range of your router. Restart the frame and your router.
Photos/Videos not appearing.	Check your internet connection. Ensure media was sent successfully via the VPhoto app or email. Verify file formats are supported.
Screen is unresponsive.	Restart the frame by unplugging and re-plugging the power adapter. If the issue persists, perform a factory reset (refer to settings).
