T4TREAM Fluted 5 Drawers Dresser Instruction Manual

Brand: T4TREAM | Model: FPSC5DRSC-NO

Product Overview

The T4TREAM Fluted 5 Drawers Dresser is a modern and versatile furniture piece designed to enhance your living space with both style and functionality. It features a distinctive wave-like fluted panel design, a white faux marble top with earth-toned veins, and smooth curved edges for safety and elegance. This dresser is crafted from FSC-Certified wood, optimal MDF, and P2 engineered wood, ensuring durability and easy maintenance. Its five spacious drawers provide ample storage for various items, making it suitable for bedrooms, living rooms, hallways, and entryways.

Setup and Assembly

This dresser requires assembly. All necessary components are meticulously labeled with serial numbers, and a pack of spare hardware is included. Typically, assembly can be completed by two adults following the clear, user-friendly instructions provided. The cabinet's stability is reinforced by a steel support at the base, ensuring a reliable and sturdy piece of furniture once assembled.

Operating Instructions

The T4TREAM Fluted 5 Drawers Dresser is designed for straightforward operation. Each of the five drawers features smooth-glide mechanisms, allowing for easy opening and closing. To access the contents, simply pull the chic metal handle located on the front of each drawer. Ensure drawers are closed completely after use to maintain the dresser's sleek appearance and protect stored items.

Maintenance

To maintain the appearance and longevity of your T4TREAM dresser, wipe surfaces with a dry cloth. The melamine veneer faux marble top is water-resistant and easy to clean. Avoid using harsh chemicals or abrasive cleaners, as these may damage the finish. Ensure the dresser is placed on a flat, stable surface to prevent wobbling or damage.

Troubleshooting

If you encounter issues during assembly or use, consider the following:

- **Assembly Difficulty:** Refer to the user-friendly instructions and ensure all components are correctly identified by

their serial numbers. Having a power screwdriver can significantly ease the process.

- **Drawer Alignment:** If drawers appear misaligned, carefully re-check the assembly of the drawer slides and the main frame. Ensure all screws are tightened appropriately, but do not overtighten.
- **Stability Concerns:** Verify that the steel support at the base is correctly installed. Ensure the dresser is placed on a completely flat and stable surface. Anti-tipping hardware is included and should be utilized for enhanced safety, especially in households with children or pets.
- **Damaged Packaging/Parts:** If the package arrives damaged, the internal foam and wood protective boards are designed to prevent direct damage to the item. If any parts are missing or damaged upon inspection, please contact customer support for assistance.

Specifications

Feature	Detail
