Max Build More 83168

Max Build More Police Headquarters Playset (822 Pieces)

INSTRUCTION MANUAL - MODEL 83168

Brand: Max Build More

Introduction

This manual provides comprehensive instructions for the assembly and use of the Max Build More Police Headquarters Playset, Model 83168. This set includes over 822 building bricks designed to construct a detailed police headquarters, along with various police vehicles and a tow truck for engaging play scenarios. It is intended for users aged 6 years and up.

The playset allows for the creation of a police station, a police car, a police helicopter, a police motorbike, and a tow truck. All components are designed for compatibility with leading building brick brands, offering expanded creative possibilities.

Safety Information

WARNING: CHOKING HAZARD - This product contains small pieces and is not suitable for children under 3 years of age. Adult supervision is recommended during assembly and play, especially for younger children within the recommended age range.

Setup and Assembly

Before beginning assembly, ensure all 822+ pieces are present by comparing them against the parts list provided in the separate instruction booklet. Organize the bricks by color and type to facilitate the building process.

Follow the step-by-step instructions provided in the included assembly guide. Each step illustrates the required bricks and their placement. Pay close attention to the diagrams for correct orientation and connection of pieces.

The assembly process involves constructing the main police headquarters building, a separate jail cell structure, a police car, a police helicopter, a police motorbike, and a tow truck. Ensure all connections are firm to maintain the structural integrity of the models.

Operating and Play Features

Once assembled, the Max Build More Police Headquarters Playset offers various interactive play features:

- **Police Headquarters:** Features multiple rooms and areas for imaginative police operations.
- **Police Vehicles:** The police car, helicopter, and motorbike can be used for high-speed chases and patrols. The police helicopter includes articulated blades that can spin.
- **Tow Truck:** This vehicle is equipped with a tow hook, allowing for dynamic play scenarios such as apprehending suspects or recovering vehicles.
- **Jail Break Scenario:** The playset is designed to facilitate a jail break narrative, where the tow truck can be used to simulate breaking out of the jail structure, leading to police pursuit.

Maintenance

To ensure the longevity of your Max Build More playset, follow these maintenance guidelines:

- **Cleaning:** Dust the bricks regularly with a soft, dry cloth. For deeper cleaning, gently wash individual bricks with mild soap and lukewarm water. Rinse thoroughly and air dry completely before reassembly or storage. Avoid harsh chemicals or abrasive materials.
- **Storage:** Store the playset in a cool, dry place away from direct sunlight to prevent discoloration or warping of the plastic bricks. Keep small pieces in a designated container to prevent loss.
- **Handling:** Avoid excessive force when connecting or disconnecting bricks to prevent damage.

Troubleshooting

If you encounter any issues during assembly or play, consider the following:

- **Missing Pieces:** Double-check the packaging and surrounding area. If pieces are genuinely missing, refer to the

customer support section for assistance.

- **Difficulty Connecting Bricks:** Ensure bricks are correctly aligned and apply gentle, even pressure. Max Build More bricks are designed to be compatible with leading brands, but slight variations in fit may occur.
- **Model Instability:** Review the assembly steps to ensure all connections are secure and no steps were missed. Loose connections can lead to instability.
