ROOMTEC B10400523D

ROOMTEC Glass Display Cabinet User Manual

Model: B10400523D

Brand: ROOMTEC

INTRODUCTION

This user manual provides detailed instructions for the assembly, operation, and maintenance of your ROOMTEC Glass Display Cabinet. Designed with 4 shelves and double doors, this cabinet is ideal for displaying various items such as jewelry, bags, shoes, figures, photos, books, action figures, wine, and whisky. Its robust construction features tempered glass and solid wood particle boards, ensuring durability and protection for your collections.

SAFETY INFORMATION

For your safety and to prevent potential injuries or damage, please adhere to the following guidelines:

- The product should be vertical and horizontal during assembly. Failure to do so may result in installation failure or instability.
- Installation must be performed by two adults. Keep children away from the assembly area to avoid accidents.
- Each glass shelf level can support a maximum weight of 50 pounds. The upper and lower decks can hold 85 pounds per floor. Do not exceed these weight limits.
- This display cabinet includes a fixing device to prevent tipping over. It is highly recommended to securely fix the glass cabinet to the wall, especially in households with children or pets.
- Always follow the assembly instructions carefully.

Video: Official installation guide for the 4-shelf glass display cabinet. This video demonstrates the step-by-step assembly process.

Key Assembly Steps:

- Prepare the Base:** Attach the adjustable feet to the bottom panel. Ensure they are securely fastened.
- Install Side Panels:** Carefully position and secure the side glass panels into the base. Ensure they are vertical and horizontal for stability.
- Attach Top Panel:** Place the top panel onto the assembled side panels, securing it with the provided hardware.

- 4. Insert Shelves:** Slide the glass shelves into the designated slots. Each shelf is 5mm thick.
- 5. Install Doors and Handles:** Attach the double doors using the provided hinges and install the door handles. The cabinet features a lock for added security.
- 6. Secure Anti-Tipping Device:** For enhanced safety, install the fall-proof device and secure the cabinet to the wall.

OPERATING INSTRUCTIONS

Your ROOMTEC Glass Display Cabinet is designed for easy access and secure storage.

- Opening/Closing Doors:** Use the stainless steel handles to gently open and close the double doors.
- Locking Mechanism:** The cabinet is equipped with a key lock. Insert the key into the lock on the door and turn to secure or unlock the cabinet. Always remove the key after locking.

- **Adjusting Shelves:** The glass shelves are fixed in place once installed. Ensure items are placed evenly to distribute weight.

MAINTENANCE

To maintain the appearance and longevity of your display cabinet, follow these simple maintenance tips:

- **Cleaning:** Wipe the glass surfaces and wood particle boards with a damp cloth. For glass, a glass cleaner can be used. Avoid abrasive cleaners that may scratch the surfaces.
- **Dusting:** Regularly dust the interior and exterior of the cabinet to keep your displayed items clean.
- **Inspecting Hardware:** Periodically check all screws and fittings to ensure they remain tight. Tighten if necessary.

TROUBLESHOOTING

If you encounter any issues with your ROOMTEC Glass Display Cabinet, consider the following common solutions:

Problem	Possible Cause	Solution
Doors do not align or close properly.	Hinges are loose or misaligned. Cabinet is not level.	Check and tighten hinge screws. Adjust the adjustable feet to ensure the cabinet is level on all sides.
Cabinet feels wobbly.	Loose connections or uneven floor. Anti-tipping device not installed.	Ensure all assembly screws are tightened. Adjust feet for stability. Install the anti-tipping device securely to the wall.
Dust accumulation inside.	Small gaps in door seals or panel joints.	While designed to minimize dust, some minor gaps may exist. Regular cleaning is recommended. Consider adding thin weather stripping if dust is a significant concern.

SPECIFICATIONS

- **Brand:** ROOMTEC
- **Model:** B10400523D
- **Color:** Black
- **Product Dimensions:** 14.3"D x 31.7"W x 64"H
