## LINSY HOME LH518E4-B3

# LINSY HOME 7-Drawer Dresser Instruction Manual

Model: LH518E4-B3

## INTRODUCTION

---

Thank you for choosing the LINSY HOME 7-Drawer Dresser. This modern and functional dresser is designed to provide ample storage for your bedroom, living room, closet, or hallway. Crafted with P2 Grade Board and premium metal slides, it offers durability and smooth operation. This manual provides essential information for assembly, safe use, and maintenance of your new dresser.

## IMPORTANT SAFETY INFORMATION

---

Your safety is paramount. Please read and follow all safety instructions carefully.

- **Anti-Tip Kit:** This dresser includes an anti-tip accessory and a stabilizing device. It is crucial to secure the dresser to the back wall using this kit to prevent tipping, especially if children are present. This significantly reduces the risk of injury from furniture tip-over.

# | Anti-tip kit adds extra stability

Protect your kids and pets

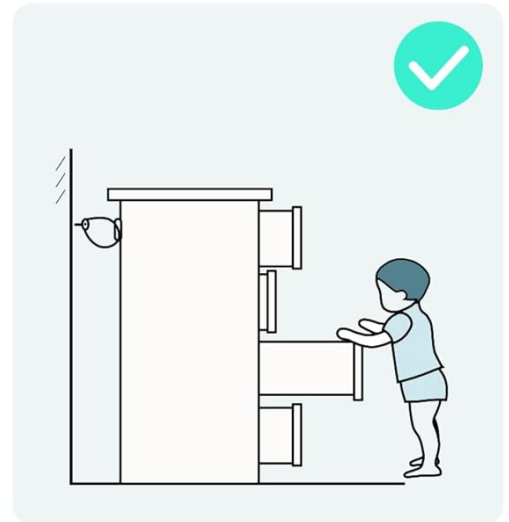

Image: Illustration demonstrating the proper installation of the anti-tip kit to secure the dresser to a wall, and a warning against tipping.

- **Weight Distribution:** Do not place a television or other heavy objects on top of the dresser. Ensure weight is evenly distributed within drawers.

## Reference TV size: 39 inch

Image: A dresser with a television placed on its top surface, illustrating its capacity to hold a 39-inch TV.

- **Drawer Usage:** Avoid opening more than one drawer at a time, as this can affect the stability of the unit and potentially cause it to tip over.
- **Assembly:** Assembly requires careful attention to detail. While possible for one person, two people are recommended for lifting and handling heavy components.

## PACKAGE CONTENTS

Before beginning assembly, please verify that all components are present and undamaged. If any parts are missing or damaged, please contact customer support.

- Dresser Panels (P2 Grade Board)
- 7 Drawer Units
- Premium Metal Drawer Slides
- Drawer Handles
- Assembly Hardware (screws, dowels, etc.)
- Anti-Tip Kit

- Assembly Tool (screwdriver)

## ASSEMBLY INSTRUCTIONS

---

Assembly is required for this dresser. Please follow the included detailed illustrations and instructions carefully. It is recommended to lay out all pieces before starting.

1. **Preparation:** Clear a spacious area for assembly. Ensure you have a power drill or electric screwdriver for easier and more secure fastening, as some screws may require significant torque.
2. **Panel Assembly:** Begin by assembling the main frame of the dresser using the provided panels and hardware. Pay close attention to the orientation of each piece as indicated in the diagrams.
3. **Drawer Slide Installation:** Attach the premium metal drawer slides to the dresser frame and the drawer units. Ensure they are aligned correctly for smooth operation.
4. **Drawer Assembly:** Assemble each of the 7 drawer units. The paper edge strips soaked in modified melamine grease provide a silky feel and enhanced durability.
5. **Handle Attachment:** Secure the drawer handles to each drawer front.
6. **Final Placement & Anti-Tip Installation:** Once assembled, position the dresser in its desired location. Install the anti-tip kit by securing the dresser to the wall as per the safety instructions.

## OPERATING INSTRUCTIONS

Your LINSY HOME dresser is designed for ease of use and efficient storage.

- **Drawer Operation:** The drawers feature premium metal slides for smooth and effortless opening and closing. Gently pull or push the handles to operate.
- **Storage Capacity:** Each drawer is designed to hold approximately 55 pounds of weight. Utilize the spacious interior for clothing, linens, and other personal items.

# | Product Size

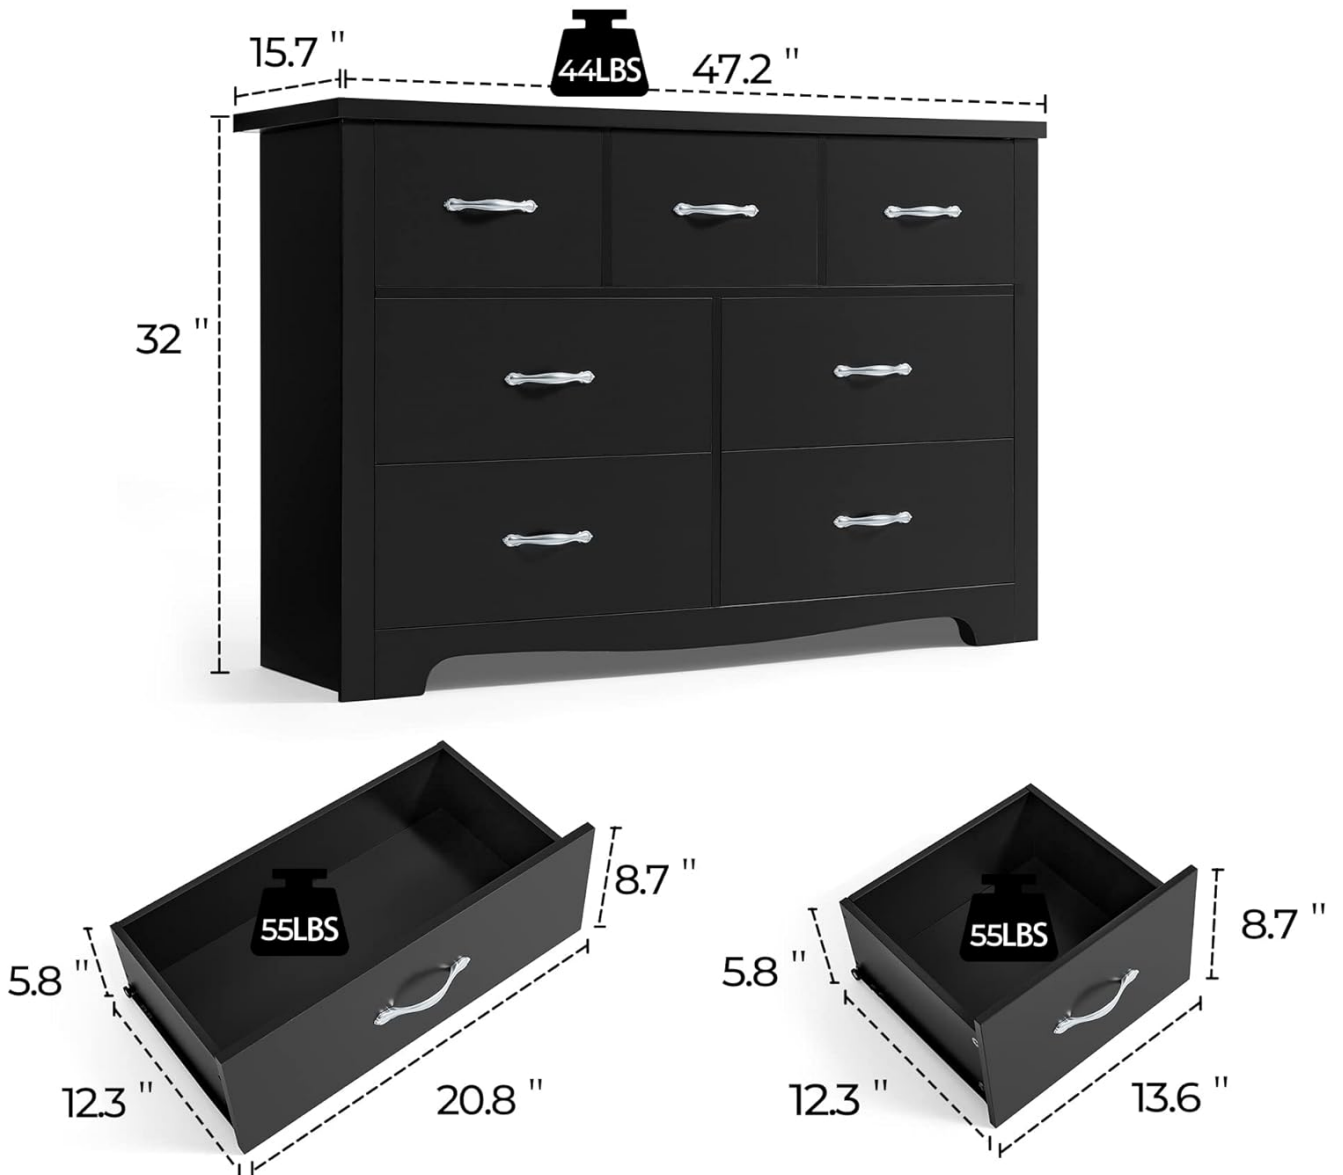

Image: Diagram illustrating the overall product dimensions (15.7"D x 47.2"W x 32"H) and the weight capacity of the drawers (55 lbs).

- **Organization:** Consider using drawer organizers to maximize space and keep smaller items tidy, such as the free drawer organizer shown in the product images.

- Ensure drawers are not overloaded, exceeding the 55-pound capacity.
- **Dresser feels unstable:**
  - Verify that the anti-tip kit is correctly installed and securely anchored to the wall.
  - Ensure all assembly screws are tightened.
  - Confirm the dresser is placed on a flat, level surface.
- **Difficulty with screw holes during assembly:**
  - Some screw holes may contain residual material. Apply firm pressure with your screwdriver to clear the material before twisting.
  - Ensure you are using the correct screw for each designated hole as per the assembly instructions.
