Safety Information

To prevent injury and damage to the product, adhere to the following safety guidelines:

- **Tip-Over Prevention:** Always use the provided wall anchor kit to secure the dresser to a wall. This is crucial to prevent accidental tipping, especially in households with children.
- **Assembly:** Assembly requires two adults. Do not attempt to assemble alone.
- **Weight Limits:** Do not exceed the maximum load capacity of 66 lbs (30 kg) for the tabletop and 33 lbs (15 kg) per drawer. Overloading can compromise stability and cause damage.
- **Placement:** Place the dresser on a flat, level surface. Uneven surfaces can lead to instability.
- **Children:** Do not allow children to climb on or play with the dresser. Keep small parts out of reach during assembly.

- Drawer handles
- Anti-tip kit

Wood Panels (Example)

- Top panel
- Side panels
- Bottom panel
- Back panel
- Drawer front panels
- Drawer side/back panels
- Drawer bottom panels
- Support legs

Assembly Instructions

Assembly is recommended for two adults. Follow the numbered steps in the included assembly guide for detailed illustrations. The following provides a general overview:

1. **Prepare Workspace:** Clear a spacious area and lay out all parts on a soft, clean surface to prevent scratches. Organize hardware by type.
2. **Assemble Frame:** Attach the side panels to the bottom panel using the specified hardware (e.g., dowels, cam locks). Ensure all connections are secure.
3. **Install Back Panel:** Secure the back panel to the main frame.
4. **Attach Top Panel:** Fasten the top panel to the assembled frame.
5. **Assemble Drawers:** For each of the eight drawers, assemble the front, side, and back panels, then slide in the bottom panel. Attach the drawer handles.
6. **Install Drawer Slides:** Attach the drawer slides to both the dresser frame and the assembled drawers. Ensure they are aligned correctly for smooth operation.
7. **Insert Drawers:** Carefully insert each assembled drawer into its corresponding slot, ensuring the slides engage properly.
8. **Attach Support Legs:** Secure the support legs to the base of the dresser.
9. **Secure with Anti-Tip Kit:** Mount the anti-tip device to the back of the dresser and to a wall stud, following the specific instructions provided with the kit. This step is critical for safety.

Operation

The LINSY HOME 8-Drawer Dresser is designed for storing clothing and other household items.

- **Drawer Use:** Open and close drawers smoothly using the handles. Avoid forcing drawers if they stick.
- **Weight Distribution:** Distribute weight evenly across drawers. Avoid placing excessively heavy items in a single drawer.
- **Top Surface:** The top surface can hold items up to 66 lbs (30 kg). Do not place heavy televisions or other oversized items that exceed this limit.

Maintenance

Proper care will ensure the longevity of your dresser.

- **Cleaning:** Wipe surfaces with a dry, soft cloth. Avoid abrasive cleaners or harsh chemicals that can damage the finish.
- **Spills:** Immediately wipe up any spills to prevent staining or water damage.
- **Hardware:** Periodically check and tighten all screws and fasteners to maintain structural integrity.
- **Sunlight:** Avoid prolonged exposure to direct sunlight, which can cause fading or discoloration.

Troubleshooting

Problem	Possible Cause	Solution
Drawers do not slide smoothly.	Misaligned drawer slides, loose screws, obstruction.	Check alignment of slides on both drawer and frame. Tighten all screws on slides. Remove any obstructions.

Problem	Possible Cause	Solution
Dresser feels wobbly.	Loose fasteners, uneven floor, not secured to wall.	Tighten all assembly screws. Ensure dresser is on a level surface. Verify anti-tip kit is correctly installed and secured.
Parts are missing or damaged.	Shipping damage, packaging error.	Do not proceed with assembly. Contact LINSY HOME customer support immediately for replacement parts.
