awei A897BL

AWEI A897BL Air Conduction Bluetooth Headphones

User Manual

INTRODUCTION

Thank you for choosing the AWEI A897BL Air Conduction Bluetooth Headphones. These headphones are designed to provide a comfortable and safe listening experience, especially during outdoor activities, by allowing you to remain aware of your surroundings. This manual will guide you through the setup, operation, and maintenance of your new headphones.

SAFETY INFORMATION

- Do not expose the headphones to extreme temperatures, humidity, or corrosive substances.
- Avoid dropping or subjecting the headphones to strong impacts.
- Do not disassemble or modify the headphones. This will void the warranty.
- Clean the headphones with a soft, dry cloth. Do not use harsh chemicals or abrasive materials.
- Keep out of reach of children and pets.
- Use only the provided charging cable or a certified equivalent.
- While air conduction allows for environmental awareness, always exercise caution in traffic or dangerous situations.

PACKAGE CONTENTS

Please check the package for the following items:

- AWEI A897BL Air Conduction Bluetooth Headphones
- USB Charging Cable
- User Manual (this document)

PRODUCT OVERVIEW

Familiarize yourself with the components of your AWEI A897BL headphones.

- **Flexible Neckband:** Provides a secure and comfortable fit around the back of the head.
- **Air Conduction Transducers:** Deliver sound without blocking the ear canal.
- **Control Buttons:** (Specific button functions will be detailed in the Operating section)
- **Charging Port:** For recharging the internal battery.

1. Charging the Headphones

Before first use, fully charge your AWEI A897BL headphones.

1. Connect the small end of the USB charging cable to the charging port on the headphones.
2. Connect the large end of the USB charging cable to a USB power adapter (not included) or a computer's USB port.
3. The LED indicator will show the charging status (e.g., red for charging, blue/off for fully charged).
4. Charging typically takes approximately 1.5-2 hours for a full charge.

2. Bluetooth Pairing

Pair your headphones with your Bluetooth-enabled device (smartphone, tablet, computer).

1. Ensure the headphones are turned off.
2. Press and hold the Power button (usually a multi-function button) for approximately 3-5 seconds until the LED indicator flashes red and blue alternately, indicating pairing mode.
3. On your device, go to Bluetooth settings and turn Bluetooth on.
4. Search for available devices. You should see "AWEI A897BL" or a similar name appear in the list.
5. Select "AWEI A897BL" to connect. Once connected, the LED indicator on the headphones will typically turn solid blue or stop flashing.
6. If prompted for a password, enter "0000" (four zeros).

The headphones will automatically attempt to reconnect to the last paired device when turned on.

Bluetooth V5.3

Unimpeded

Bluetooth version 5.3 improves the stability of wireless connections, with lower power consumption and more stable transmission, strong anti-interference, and smooth and good sound.

Image: A graphic representation of Bluetooth version 5.3 technology, highlighting its advanced capabilities for stable, low-power, and high-quality wireless audio transmission, ensuring an unimpeded listening experience.

OPERATING INSTRUCTIONS

Wearing the Headphones

The A897BL headphones are designed for air conduction, meaning they rest outside your ear canal.

1. Place the flexible neckband around the back of your head.
2. Position the sound transducers (the parts that deliver sound) just in front of your ears, resting on your cheekbones.
3. Adjust for a comfortable and secure fit.

Listen to ambient sound Outdoor sports are safer

The non-ear-blocking way allows sports enthusiasts to maintain their perception of the external environment while listening to music.

Basic Controls

Button/Action	Function
Power Button (Long Press)	Power On/Off
Power Button (Short Press)	Play/Pause Music, Answer/End Call

Button/Action	Function
Volume + Button (Short Press)	Increase Volume
Volume - Button (Short Press)	Decrease Volume
Volume + Button (Long Press)	Next Track
Volume - Button (Long Press)	Previous Track
Power Button (Double Press)	Activate Voice Assistant (Siri, Google Assistant)

MAINTENANCE

- Cleaning:** Wipe the headphones regularly with a soft, slightly damp cloth. Do not use alcohol, benzene, or other chemical cleaners. Ensure the charging port is dry before charging.
- Storage:** Store the headphones in a cool, dry place away from direct sunlight and extreme temperatures.
- Battery Care:** To prolong battery life, avoid fully discharging the headphones frequently. Charge them regularly, even if not in use for extended periods.

TROUBLESHOOTING

Problem	Possible Solution
Headphones won't turn on.	Charge the headphones fully. Ensure the power button is pressed and held long enough.
Cannot pair with device.	<ul style="list-style-type: none"> Ensure headphones are in pairing mode (flashing red/blue). Turn off and on Bluetooth on your device. Forget "AWEI A897BL" from your device's Bluetooth list and try pairing again. Move headphones closer to your device. Ensure no other devices are connected to the headphones.
No sound or low volume.	<ul style="list-style-type: none"> Increase volume on both headphones and your connected device. Ensure headphones are properly connected to your device. Check if the audio output on your device is set to "AWEI A897BL".
Sound cutting in/out.	<ul style="list-style-type: none"> Move closer to your device (within 10 meters/33 feet). Avoid obstacles between headphones and device (e.g., walls, large metal objects). Reduce interference from other wireless devices.
