**Bestier 618E**

# Bestier 71.5 inch Gaming Desk User Manual

Model: 618E | Brand: Bestier

## 1. INTRODUCTION

---

This manual provides detailed instructions for the assembly, operation, and maintenance of your Bestier 71.5 inch Gaming Desk. Please read this manual thoroughly before assembly and use to ensure proper function and safety.

Figure 1: Bestier 71.5 inch Pink Gaming Desk with LED lights and integrated storage.

## 2. SAFETY INFORMATION

---

### WARNING:

- Exceeding the maximum weight recommendation of 55 pounds can lead to structural damage or collapse.
- Improper anchoring may cause the desk to tip over, resulting in injury or damage.
- Electrical hazards may occur from overloading power outlets. Ensure total wattage of connected devices does not exceed 1500W.
- Always follow the assembly instructions, recommended uses, and electrical safety guidelines provided in this manual.

## 3. PACKAGE CONTENTS

---

Verify all components are present before beginning assembly. If any parts are missing or damaged, please contact customer support.

- Desk Panels (Main, L-shaped extension, Monitor Stand)
- Metal Frame Components
- Adjustable Metal Storage Shelf
- Cup Holder
- Headphone Hook
- Integrated Power Outlet (4 AC, 2 USB ports)
- LED Light Strip with Controller
- Assembly Hardware (screws, bolts, tools)
- User Manual (this document)

## 4. ASSEMBLY INSTRUCTIONS

---

Assembly typically requires one to two hours. It is recommended to have a second person for certain steps to ensure stability and ease of construction. All necessary tools are included.

1. Unpack all components and verify against the package contents list.
2. Identify and separate the main desk panels, L-shaped extension, and monitor stand.
3. Assemble the main metal frame using the provided screws and tools. Ensure all connections are secure.
4. Attach the desk panels to the assembled frame.
5. Install the integrated power outlet into the designated slot on the main desk panel.
6. Mount the monitor stand onto the main desk.
7. Attach the adjustable metal storage shelf to the L-shaped extension. Note that the shelf can be adjusted to over 3 different heights and tilted to your preferred angle.
8. Install the cup holder and headphone hook. These accessories offer 3 installation positions for user convenience.
9. Connect the LED light strip to one of the USB ports on the power outlet.
10. Ensure all screws are tightened and the desk is stable. Adjust leveling feet if necessary to compensate for uneven floors.

## Product Size

## 5. FEATURES AND FUNCTIONS

### 5.1 Large Ergonomic Monitor Stand

The 71.9-inch long monitor stand is designed to accommodate multiple monitors (up to 3) and a laptop, providing an immersive multi-screen experience and promoting ergonomic posture by raising your screens to eye level.

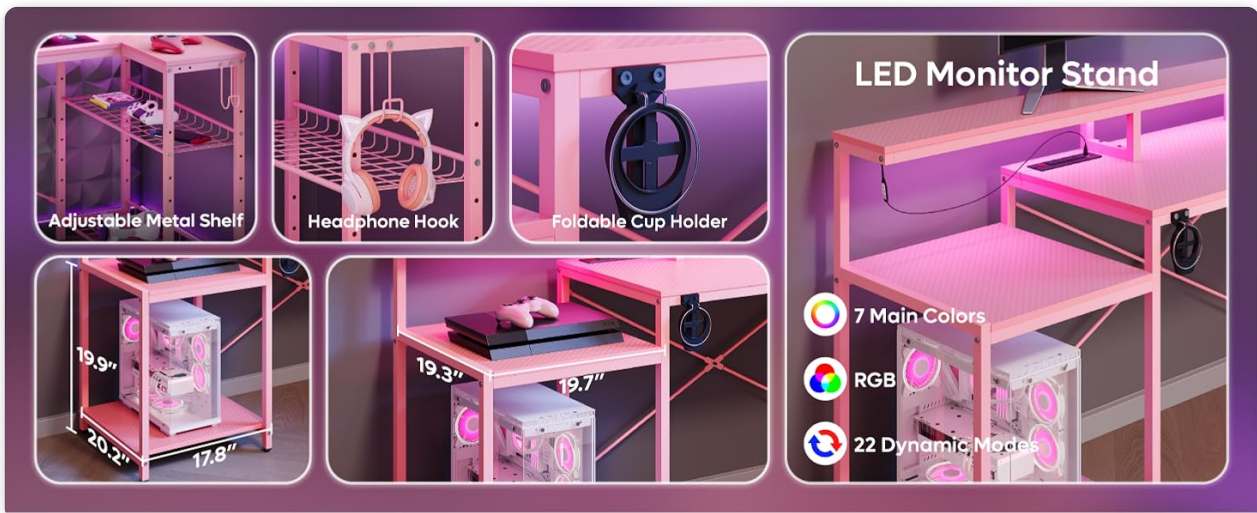

Figure 4: Ergonomic benefits of the monitor stand.

## 5.2 Integrated Power Outlet

The desk is equipped with a built-in power strip featuring 4 AC power sockets (120V/12A) and 2 USB charging ports (5V 2.2A). This allows for convenient power access for up to 6 devices simultaneously, with a rated power of 1500W. A master ON/OFF switch controls power to all outlets.

Figure 5: Integrated power outlet for convenient device charging.

### 5.3 LED Lighting System

An RGB LED light strip is installed under the monitor stand, offering 20 static colors and 22 dynamic modes. The speed and brightness are adjustable, allowing you to customize the desk's illumination to match your gaming setup or mood.

### 5.4 Storage and Accessories

- **Adjustable Metal Shelf:** Located on the L-shaped extension, this shelf can be adjusted to multiple heights and tilted to optimize storage for items like gaming consoles (PC, PS5, Xbox) or other peripherals.
- **Foldable Cup Holder:** Provides a secure and convenient spot for your beverage, preventing spills on the desk surface. It can be folded away when not in use.
- **Headphone Hook:** Keeps your headphones within easy reach and off the desk surface, contributing to a tidy workspace.
- Both the cup holder and headphone hook offer 3 different installation positions for user preference.

### 5.5 Material Quality

The desktop features a 3D carbon fiber texture, crafted from durable P2 particleboard. This material is easy to clean, resistant to scratches, and designed for long-lasting use.

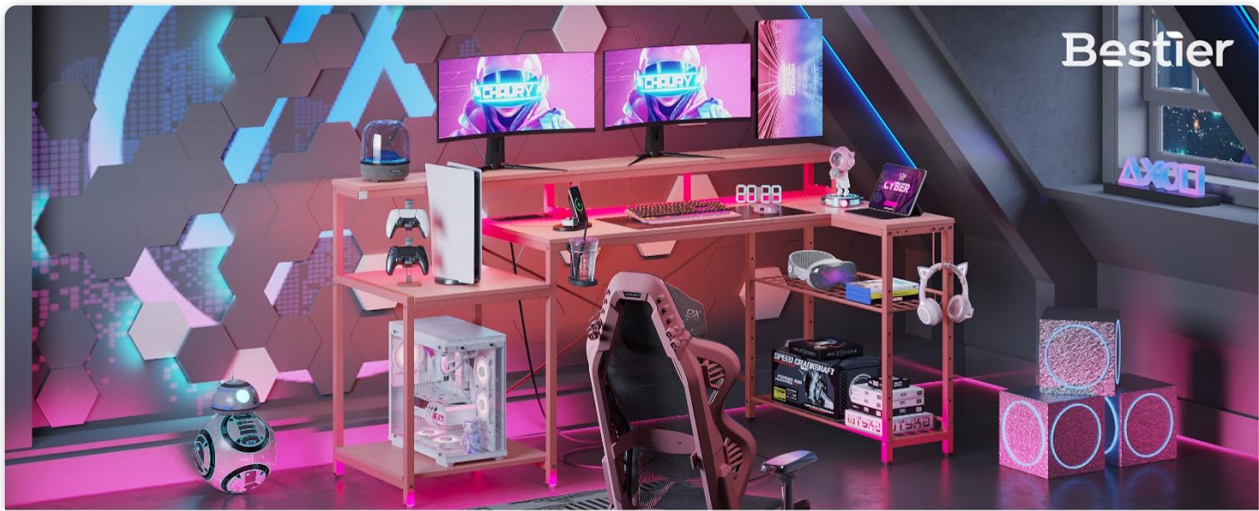

Figure 6: Durability features of the desk material.

## 6. OPERATING INSTRUCTIONS

---

### 6.1 Power Outlet Usage

To use the integrated power outlets and USB ports, ensure the desk's main power cord is securely plugged into a wall outlet. Use the ON/OFF switch on the power strip to activate or deactivate power to all connected devices.

### 6.2 LED Light Operation

The LED light strip is powered via a USB connection to the integrated power outlet. Use the inline controller on the LED strip cable to:

- Change between 20 static colors.
- Select from 22 dynamic lighting modes.
- Adjust the speed of dynamic modes.
- Adjust the brightness of the lights.

## 7. MAINTENANCE AND CARE

---

- **Cleaning:** Wipe the desk surface with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals that may damage the carbon fiber texture.
- **Spills:** Immediately wipe up any spills to prevent liquid from seeping into the particleboard.
- **Weight Distribution:** Distribute weight evenly across the desk surface and shelves. Do not exceed the maximum weight recommendation of 55 pounds.
- **Electrical Safety:** Regularly inspect the power cord and outlets for any signs of damage. Do not overload the power strip.
- **Fasteners:** Periodically check and tighten all screws and bolts to ensure the desk remains stable and secure.

## 8. TROUBLESHOOTING

---

- **Desk Wobbles:** Check that all assembly screws are securely tightened. Adjust the leveling feet at the

bottom of the desk legs to stabilize it on uneven surfaces.

- **LED Lights Not Working:**

- a. Ensure the desk's main power cord is plugged into a live wall outlet.
- b. Verify the ON/OFF switch on the integrated power strip is in the 'ON' position.
- c. Check that the LED light strip's USB connector is fully inserted into one of the USB ports.
- d. Ensure the inline controller on the LED strip cable is not damaged and is properly connected.

- **Power Outlets Not Functioning:**

- a. Confirm the desk's main power cord is plugged in and the ON/OFF switch is active.
- b. Test the wall outlet with another device to ensure it is supplying power.
- c. Avoid overloading the power strip; unplug some devices if too many are connected.

## 9. SPECIFICATIONS

| Feature                        | Detail  |
|--------------------------------|---|
| Brand                          | Bestier   |
| Model Number                   | 618E  |
| Product Dimensions (D x W x H) | 19.7"D x 71.5"W x 35.8"H  |
| Item Weight                    | 52.58 Pounds  |
| Maximum Weight Recommendation  | 55 Pounds   |
