PRODUCT OVERVIEW

The LEGO Ideas Red London Telephone Box is a collectible building set that recreates the classic K2 London telephone box within a quintessential London street scene. Key features include:

- **Authentic Design:** A detailed brick-built replica of the K2 Red London Telephone Box.
- **London Surroundings:** Includes a buildable cobbled street, lamppost with hanging flower baskets, a flowerpot, and a fence with a street sign.
- **Interchangeable Interior:** Offers two options for the phone inside the booth: a vintage rotary phone or a 1990s-style phone, both with sticker decorations.
- **Light Brick Function:** A LEGO light brick is integrated into the roof, activated by pressing down.
- **Mobile Phone Stand:** The fence component can be utilized as a stand for a cell phone.

ICONIC LONDON PHONE BOX MODEL FOR ADULTS

SETUP AND ASSEMBLY

Your LEGO Ideas Red London Telephone Box set includes all necessary LEGO Building Elements and a detailed instruction booklet. For an enhanced building experience, the LEGO Builder app is available to guide you through each step.

1. **Unpack Components:** Carefully open the box and sort the LEGO elements by numbered bags as indicated in the instruction manual.
2. **Follow Instructions:** Refer to the included physical instruction manual or the LEGO Builder app for step-by-step assembly guidance.
3. **Base Construction:** Begin by constructing the base, which includes the cobbled street, lamppost, and fence.
4. **Telephone Box Assembly:** Proceed with building the main telephone box structure.
5. **Interior Customization:** Choose between the vintage rotary phone or the 1990s-style phone for the interior. Apply corresponding stickers as directed.
6. **Light Brick Integration:** Install the LEGO light brick into the roof section of the telephone box.

7. **Final Touches:** Add the flower baskets, flowerpot, and street sign to complete the London scene.

BUILD LONDON-STYLE SURROUNDINGS

OPERATING INSTRUCTIONS

Once assembled, your LEGO Ideas Red London Telephone Box offers interactive features:

- **Activating the Light Brick:** To illuminate the interior of the telephone box, gently press down on the roof of the booth. The integrated LEGO light brick will activate.
- **Using as a Cell Phone Stand:** The fence component of the set is designed to function as a convenient stand for your mobile phone. Position your phone against the fence for display.

**PRESS THE ROOF TO TURN
ON THE LIGHT**

MAINTENANCE

To ensure the longevity and appearance of your LEGO model, follow these maintenance guidelines:

- **Cleaning:** Dust the model regularly with a soft, dry cloth or a soft-bristled brush. For deeper cleaning, use a mild soap solution and a soft cloth, then rinse with clean water and air dry. Avoid harsh chemicals.
- **Storage:** Store the model in a cool, dry place away from direct sunlight to prevent discoloration or warping of plastic elements.
- **Handling:** Handle the model with care to avoid accidental disassembly or damage to delicate parts.

TROUBLESHOOTING

Should you encounter any issues with your LEGO Ideas Red London Telephone Box, consider the following:

- **Missing Pieces:** If you find any missing pieces during assembly, please contact LEGO Customer

Service directly. They have a dedicated service for replacing missing elements.

- **Light Brick Not Working:** Ensure the light brick is correctly installed and that its battery (if applicable and replaceable) is functional. Refer to the specific light brick instructions for battery details.
- **Stability Issues:** Double-check all connections to ensure bricks are firmly pressed together. Refer to the instruction manual to verify correct placement of all elements.

SPECIFICATIONS

Feature	Detail
Brand	LEGO
Model Number	21347 (Item model number: 6474646)
Number of Pieces	1,460
Recommended Age	18 years and up
Product Dimensions (assembled)	Over 12 in. (31 cm) high, 7.5 in. (19 cm) wide and 6 in. (15 cm) deep
