## SETUP AND ASSEMBLY

Follow these steps to assemble your Mini Brands Create Garden collectible. Assembly may vary slightly depending on the specific plant model you receive.

1. **Unbox the Capsule:** Carefully open the two halves of the capsule. The new capsules are designed to open easily for less mess.
2. **Identify Components:** Lay out all the pieces from the capsule. Each plant typically consists of a base, stem, leaves, and flower/fruit parts. Some sets may include additional accessories like dew drops or mini bugs.
3. **Assemble the Plant:** Refer to the specific assembly guide included with your mini plant. Generally, you will connect the stem to the base, then attach leaves and flower/fruit parts. Some models may require the use of UV resin for final touches.
4. **Add Details:** Once the main plant is assembled, add any included dew drops or mini bugs to enhance your mini garden's realism.

## MAINTENANCE

Mini Brands Create Garden collectibles require minimal maintenance to keep them looking their best.

- **Cleaning:** Gently wipe with a dry, soft cloth to remove dust. Avoid using harsh chemicals or abrasive materials.
- **Storage:** Store in a cool, dry place away from direct sunlight to prevent potential fading or damage to plastic components.
- **Handling:** Handle with care, as some parts are small and delicate.

## TROUBLESHOOTING

Here are some common issues and their potential solutions:

Issue	Possible Cause / Solution
Missing or damaged parts	Carefully check all packaging. If parts are genuinely missing or damaged upon opening, contact customer support (see Warranty & Support section).
Difficulty assembling small pieces	Use tweezers for very small components. Ensure good lighting. Refer to the specific assembly instructions for your plant model. Adult assistance may be required.
Received duplicate items	While ZURU strives for variety, blind packaging may occasionally result in duplicates. These can be traded with other collectors.
