## ghd Chronos

# ghd Chronos 1-Inch Professional HD Motion-Responsive Styler

Instruction Manual

## INTRODUCTION

---

Welcome to the ghd Chronos 1-inch professional HD motion-responsive styler. This advanced styling tool is engineered to deliver exceptional results with enhanced shine, reduced frizz, and superior breakage protection. Please read this manual thoroughly before first use to ensure safe and effective operation.

The ghd Chronos styler, presented with its elegant packaging, showcasing its sleek design and ready for use.

## SAFETY INFORMATION

---

- Always ensure the styler is unplugged when not in use or before cleaning.
- Do not use this appliance near water, in a bathroom, or near a basin or other vessel containing water.
- Keep out of reach of children.
- Allow the styler to cool completely before storing. Use the protective plate guard provided.
- Regularly inspect the cord for any damage. If damaged, discontinue use and contact ghd customer support.

## PRODUCT OVERVIEW

---

The ghd Chronos styler features HD motion-responsive technology, which adapts to your styling movements to ensure consistent heat delivery. It operates at a scientifically proven optimal styling temperature of 365°F (185°C) to minimize heat damage while maximizing results.

# NEW GHD CHRONOS

3x faster styling for one stroke  
high-definition results that last 24hrs

**HD** MOTION  
-RESPONSIVE  
TECHNOLOGY

**3X**  
FASTER  
STYLING

**NO**  
EXTREME  
HEAT  
DAMAGE

This image illustrates the core benefits of the ghd Chronos styler, including its speed, lack of heat damage, and advanced motion-responsive technology.

## Key Features:

- **HD Motion-Responsive Technology:** Continuously monitors heat output to maintain optimal styling temperature.
- **Optimal Temperature:** Pre-set to 365°F (185°C) for effective styling without extreme heat damage.
- **Ultra-Gloss Plates:** Designed for smooth gliding and high-definition results.
- **Automatic Sleep Mode:** Shuts off after 10 minutes of inactivity for safety.
- **Universal Voltage:** For consistent performance anywhere in the world.

## Official Product Overview Video:

An official product overview video for the ghd Chronos styler, detailing its features and benefits for users.

## SETUP AND FIRST USE

1. **Unboxing:** Carefully remove the ghd Chronos styler from its packaging. Ensure all components,

including the protective plate guard, are present.

2. **Plug In:** Insert the power cord into a suitable electrical outlet. The styler features universal voltage, making it adaptable for international travel with the correct plug adapter.
3. **Power On:** Press and hold the power button until the indicator light illuminates and you hear an audible signal. The styler will heat up rapidly to its optimal temperature of 365°F (185°C).
4. **Preparation:** Ensure your hair is clean, dry, and free of tangles. For optimal results and heat protection, apply a heat protectant spray like ghd Bodyguard Heat Protect Spray.

## OPERATING INSTRUCTIONS

---

### 1. Straightening Hair:

1. Divide your hair into small, manageable sections.
2. Place a section of hair between the styler plates, close to the roots.
3. Gently glide the styler down the hair section from root to tip in a single, smooth stroke. The HD motion-responsive technology will ensure consistent heat.
4. Repeat for all sections until desired straightness is achieved.

Section hair and style each section in one-stroke. Glide down for sleek results or rotate for curls & waves.

Demonstration of the ghd Chronos styler being used to straighten hair, showing the smooth glide and effective styling.

## 2. Creating Curls and Waves:

1. Take a section of hair and clamp the styler near the roots.
2. Rotate the styler 180 degrees away from your face.
3. Slowly glide the styler down the hair section to the ends. The rounded barrel design facilitates smooth curling.
4. For looser waves, glide faster. For tighter curls, glide slower.
5. Allow curls to cool before touching or brushing to set the style.

**ghd chronos is ideal for faster  
styling and defined results.  
Suitable for all hair types**

This image demonstrates the versatility of the ghd Chronos styler across various hair textures, from straight to curly, achieving defined results.

Visual representation of the improved hair quality after using the ghd Chronos styler, highlighting reduced frizz, increased shine, and enhanced protection.

## MAINTENANCE AND CARE

- **Cleaning:** Ensure the styler is unplugged and completely cool. Wipe the plates and exterior with a soft, damp cloth. Do not use harsh chemicals or abrasive cleaners.
- **Storage:** Always use the provided protective plate guard when storing the styler. Store in a cool, dry place, away from direct sunlight and moisture.
- **Cord Care:** Do not wrap the power cord tightly around the styler, as this can cause damage. Store the cord loosely.

## TROUBLESHOOTING

- **Styler Not Heating:** Ensure the styler is properly plugged into a working electrical outlet and the power button is pressed until the indicator light is on. If the issue persists, contact customer support.
- **Hair Snagging:** Ensure hair is thoroughly detangled before styling. Use small sections and glide the styler smoothly.

- **Automatic Shut-off:** The styler enters sleep mode after 10 minutes of inactivity. Simply press the power button to reactivate.

## SPECIFICATIONS

Feature	Detail
Product Dimensions	5 x 3 x 3 inches; 1.68 Pounds
