SUPERJARE L Shaped Desk 53 inch

SUPERJARE 53-inch Reversible L-Shaped Desk with LED Lights & Power Outlets User Manual

Model: L Shaped Desk 53 inch

1. IMPORTANT SAFETY INSTRUCTIONS

Please read all instructions carefully before assembly and use. Keep this manual for future reference.

- Ensure all parts are present and undamaged before assembly.
- Assemble the desk on a soft, clean surface to prevent scratches.
- Do not overtighten screws during assembly to avoid damaging components.
- Keep small parts away from children.
- Do not stand or sit on the desk.
- Distribute weight evenly across the desk surfaces and shelves.
- Use the adjustable feet to ensure stability on uneven floors.
- Only use the provided power outlets for compatible devices. Do not overload the power strip.

2. PACKAGE CONTENTS

Verify that all components listed below are included in your package:

- Desk Panels (various sizes for desktop, monitor stand, shelves)
- Metal Frame Components
- Fabric Drawer
- LED Light Strip with Smart Controller
- Integrated Power Strip (4 AC Outlets, 2 USB-A, 1 USB-C)
- Assembly Hardware (screws, bolts, Allen wrench)
- Adjustable Feet
- Instruction Manual

Figure 2.1: Exploded view of all desk components and hardware.

This image displays all individual parts of the SUPERJARE L-Shaped Desk, including wooden panels, metal frames, the fabric drawer, LED strip, power strip, and various screws and tools required for assembly. Each component is labeled for easy identification during the setup process.

3. SETUP AND ASSEMBLY

Assembly typically requires two people. Follow the steps below carefully.

1. **Unpack and Identify Parts:** Lay out all components on a soft surface. Refer to the parts list and diagrams to identify each piece.
2. **Assemble Side Frames:** Attach the horizontal bars to the vertical metal legs using the provided screws. Ensure all connections are secure but do not fully tighten until the entire frame is assembled.
3. **Attach Shelves:** Secure the wooden shelves to the assembled side frames. Note that the L-shaped section is reversible and can be configured to either the left or right side during this step.
4. **Connect Main Desktop Panels:** Join the main desktop panels to the assembled frames.
5. **Install Monitor Stand:** Place the monitor stand on the designated area of the desktop and secure it.

6. **Integrate Power Strip:** Carefully insert the power strip into the pre-cut slot on the desktop and secure it with screws. Connect the LED light strip to the USB port on the power strip.
7. **Assemble Fabric Drawer:** Fold the fabric drawer into shape and insert the bottom panel to make it rigid. Slide it into the designated slot.
8. **Final Tightening and Leveling:** Once all components are in place, fully tighten all screws. Adjust the leveling feet at the bottom of the desk legs to ensure the desk is stable and does not wobble.

Built-in Power Strip

4 AC Outlets
125V/12A

2 USB Ports
5V-3A

1 Type-C
5V-3A

Figure 3.1: Desk dimensions and reversible L-shape configuration options.

This diagram illustrates the overall dimensions of the desk, including the main desktop, monitor stand, and side shelves. It also highlights the reversible design, allowing the L-shaped section to be assembled on either the left or right side to suit your space requirements.

Video 3.1: Assembly process of the L-shaped desk.

This video demonstrates the step-by-step assembly of the L-shaped desk, from unpacking the components to securing the final pieces. It provides a visual guide to complement the written instructions.

4. OPERATING INSTRUCTIONS

4.1 LED Lights Operation

The LED lights can be controlled via a smart controller or a mobile application.

- **Smart Controller:** Use the physical controller to switch between 12 scene modes, adjust 3 brightness levels, and set 7 static colors.
- **Mobile App:** Download the compatible app to access over 60,000 colors, timing mode, mic mode, and music mode for dynamic lighting effects.

Figure 4.1: Smart controller and app interface for LED lights.

This image displays the physical smart controller with buttons for power, mode selection, and brightness adjustment. It also displays a mobile app interface, illustrating the extensive color palette and advanced control options available for the LED lighting system.

4.2 Integrated Power Outlets

The desk includes a built-in power strip for convenient device charging and power access.

- **4 Standard AC Outlets:** For powering monitors, computers, and other AC-powered devices.
- **2 USB-A Ports (5V-3A):** For charging smartphones, tablets, and other USB-A compatible devices.
- **1 Type-C Port (5V-3A):** For charging modern devices with USB-C connectivity.

Figure 4.2: Close-up of the integrated power strip.

This close-up image details the integrated power strip, showing the four standard AC outlets, two USB-A ports, and one USB-C port. A smartphone is shown charging wirelessly on a pad connected to one of the USB ports, demonstrating its functionality.

4.3 Monitor Stand and Storage

- **Monitor Stand:** Elevates your monitor to promote ergonomic posture and reduce neck strain.
- **Storage Shelves:** Two open shelves provide space for books, office supplies, or a PC tower.
- **Fabric Drawer:** A discreet fabric drawer is included for storing stationery and personal items, helping to keep your desktop clutter-free.

Figure 4.3: Desk with monitor stand and storage features.

This image showcases the desk's storage capabilities, including the elevated monitor stand, open shelves for various items, and the fabric drawer. A computer tower is placed on the bottom shelf, and the monitor stand is shown with a monitor, illustrating its ergonomic benefit.

5. MAINTENANCE AND CARE

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners that may damage the finish.
- **Dusting:** Regularly dust the desk to prevent buildup.
- **Screw Tightness:** Periodically check and tighten all screws to maintain structural integrity.
- **Adjustable Feet:** Ensure the adjustable feet are properly set to keep the desk level and stable.
- **Cable Management:** Organize cables to prevent tangles and reduce strain on connections.

6. TROUBLESHOOTING

- **Desk Wobbles:**
 - Check that all screws are securely tightened.

- Adjust the leveling feet on each leg until the desk is stable on uneven ground.

- **LED Lights Not Working:**

- Ensure the LED strip is correctly plugged into a USB port on the power strip.
- Verify the power strip is plugged into a working wall outlet.
- Check the smart controller or app for power and mode settings.

- **Power Outlets Not Functioning:**

- Confirm the main power cord from the desk is securely plugged into a functional wall outlet.
- Test the wall outlet with another device to ensure it is working.
- Avoid overloading the power strip with too many high-power devices.

- **Drawer Sticks or Does Not Slide Smoothly:**

- Ensure the fabric drawer is properly assembled and its bottom panel is fully inserted.
- Check for any obstructions in the drawer slot.

7. SPECIFICATIONS

Feature	Detail
Brand	SUPERJARE
Model Name	L Shaped Desk
Size	53 inch
Product Dimensions	18.9"D x 53.1"W x 29.5"H
Color	Pu White
Shape	L-Shape
Top Material Type	Engineered Wood
Base Material	Metal (Alloy Steel)
Special Features	Built-In USB Outlet, Monitor Stand, LED Lights, Reversible Design, Fabric Drawer, 2 Storage Shelves
Power Outlets	4 Standard AC (125V/12A), 2 USB-A (5V-3A), 1 Type-C (5V-3A)
