MOFII B0CPSBNW3B

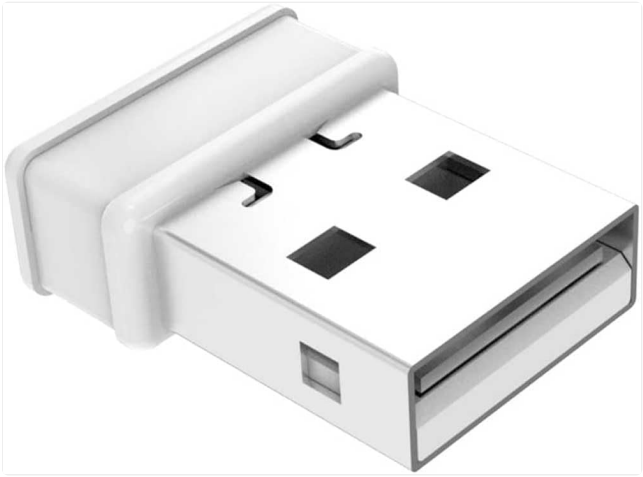

MOFII 2.4G Wireless Keyboard and Mouse Set USB Receiver User Manual

Introduction

This document provides detailed instructions for the MOFII 2.4G Wireless USB Receiver. This receiver is specifically designed to establish a wireless connection between your MOFII or TzBBL 2.4G wireless keyboard and mouse set and your computer. Please read this manual carefully to ensure proper setup and operation.

Product Overview

The MOFII 2.4G Wireless USB Receiver is a compact device that enables wireless communication for compatible MOFII and TzBBL keyboard and mouse sets. It utilizes 2.4GHz wireless technology for a stable and reliable connection.

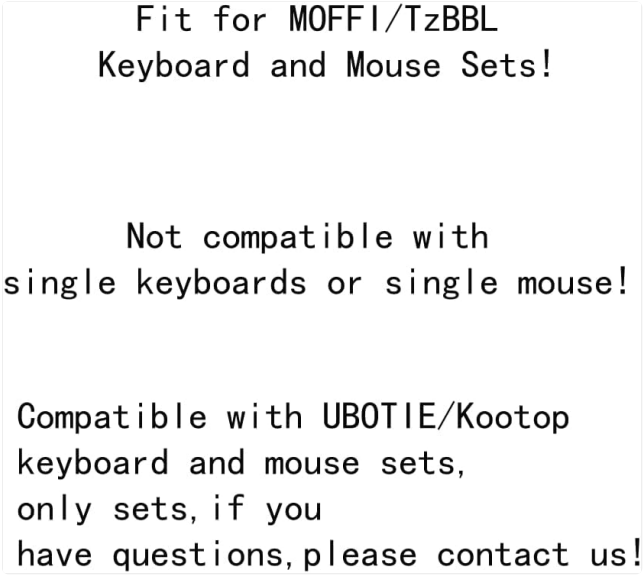

This image displays the compact MOFII 2.4G Wireless USB Receiver, a small white device with a standard USB-A connector.

This image shows the 2.4GHz USB receiver, emphasizing that 'Only One USB' is needed for both keyboard and mouse, and that it does not include the keyboard or mouse.

Compatibility

This USB receiver is specifically designed for use with MOFII and TzBBL 2.4G Wireless Keyboard and Mouse Sets. It is important to note that this receiver is **not compatible with single keyboards or single mice**; it functions exclusively with the designated sets.

This image clarifies product compatibility, stating it is 'Fit for MOFII/TzBBL Keyboard and Mouse Sets!' and 'Not compatible with single keyboards or single mouse!'

The receiver supports various operating systems, ensuring broad compatibility with most modern computers:

- Windows XP / Vista
- Windows 7 / 8
- Windows 10
- Compatible with general Computer/PC and Laptop devices.

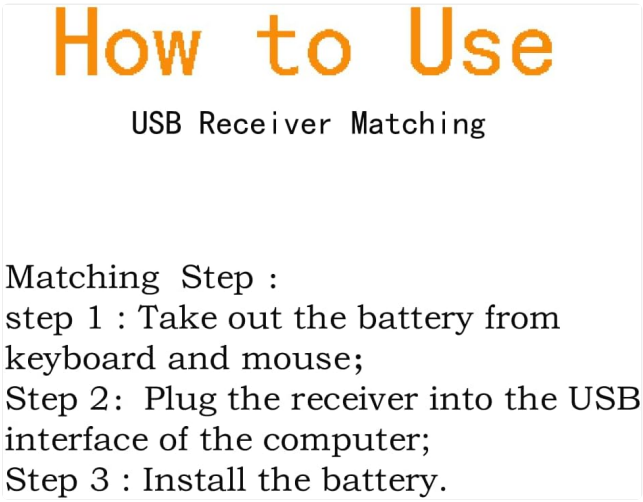

This graphic highlights the wide compatibility of the 2-in-1 USB receiver with various operating systems including Windows XP/Vista, Windows 7/8, Windows 10, and general computer/PC and laptop devices.

Setup Instructions

Follow these steps to connect your MOFII or TzBBL wireless keyboard and mouse set using the USB receiver:

1. **Step 1: Prepare Devices**
   Remove the batteries from both your wireless keyboard and wireless mouse. This ensures a fresh connection sequence.
2. **Step 2: Connect Receiver**
   Plug the 2.4G USB receiver into an available USB port on your computer.
3. **Step 3: Install Batteries**
   Reinstall the batteries into your wireless keyboard and mouse. The devices should automatically connect to the receiver.

Your keyboard and mouse should now be ready for use. If they do not connect immediately, refer to the Troubleshooting section.

This diagram illustrates the three-step process for using the USB receiver: 1) Take out the battery, 2) Plug the receiver into the computer's USB interface, 3) Install the battery.

Operation

Once the setup is complete, the MOFII 2.4G Wireless USB Receiver operates on a 'plug and play' basis. There are no additional drivers or software required for basic functionality. Simply ensure the receiver is plugged into your computer and your keyboard and mouse have fresh batteries.

Troubleshooting

- **Devices Not Connecting:**
  Ensure the USB receiver is firmly plugged into a working USB port. Repeat the setup steps, paying close attention to removing and reinserting the batteries in your keyboard and mouse. Try a different USB port on your computer.
- **Intermittent Connection:**
  Move the receiver closer to your keyboard and mouse. Avoid placing the receiver near large metal objects or other wireless devices that might cause interference. Ensure batteries in keyboard and mouse are not low.
- **Lost Original Receiver:**
  This MOFII 2.4G Wireless USB Receiver is designed as a replacement for lost or damaged original receivers for compatible MOFII and TzBBL keyboard and mouse sets. Ensure your specific keyboard and mouse model is compatible with this receiver.
- **Receiver Not Recognized by Computer:**
  Restart your computer with the receiver plugged in. Check your computer's Device Manager to see if the USB device is listed without errors.

Specifications

Brand	MOFII
Model Number	B0CPSBNW3B
Hardware Interface	USB
Data Link Protocol	USB
Color	White
Item Weight	0.634 ounces (0.02 Kilograms)
Package Dimensions	1.89 x 1.18 x 0.28 inches

Maintenance

To ensure the longevity and optimal performance of your USB receiver, consider the following:

- Keep the receiver clean and free from dust. Use a soft, dry cloth for cleaning.
- Avoid exposing the receiver to extreme temperatures or moisture.
- Store the receiver in a safe place when not in use to prevent loss or damage.
- Handle the USB connector carefully to prevent bending or breaking the pins.

Warranty and Support

For warranty information or technical support, please refer to the documentation included with your original MOFII or TzBBL keyboard and mouse set, or contact the seller directly. Keep your purchase receipt for warranty claims.
