### Step-by-Step Assembly:

1. **Unpack All Components:** Carefully remove all parts from the two shipping boxes. Lay them out on a clean, soft surface to prevent scratches. Ensure all hardware is accounted for.
2. **Assemble Armrests:** Attach the soft armrest bags to the armrest frames. Zip them securely.
3. **Assemble Ottoman:** Connect the side panels of the ottoman using the corner brace connectors and screws. Fasten securely with the wrench. Place the base plate into the ottoman frame and install the four legs.
4. **Install Supporting Members to Seat Frames:** Distinguish between right and left supporting members. Install the appropriate members to each seat frame, ensuring the correct direction (top side with a hole). Fasten securely.
5. **Connect Seat Frames:** Insert the right seat frame into the right armrest and the left seat frame into the left armrest. Connect the right and left seat frames together using the provided connecting piece and screws.
6. **Install Sofa Legs:** Attach the remaining sofa legs to the underside of the seat frames.
7. **Prepare Cushions:** Open the seat and back cushions from their compression bags. Pat them gently to help them plump up.
8. **Attach Cushions:** Take off the velcro from the seat cushions and place them onto the seat frames, securing them with the velcro. Repeat for the back cushions.
9. **Final Touches:** Put down the back cloth and stick the velcro under the sofa frame to secure it.

## Operating Instructions

### Reversible Chaise:

The convertible chaise can be positioned on either the left or right side of the sofa to suit your living space and preference. It can also function as a separate ottoman. To reverse the chaise, simply detach it from the main sofa frame, move it to the desired side, and reattach securely. The ottoman can also be moved independently.

## Maintenance

To maintain the appearance and longevity of your Soscana sofa, follow these care instructions:

- **Cleaning:** Spot clean with a damp cloth. Avoid harsh chemicals or abrasive cleaners.
- **Cushion Care:** The seat and back cushions are removable. Fluff and rotate cushions regularly to ensure even wear and maintain their shape.
- **Frame Care:** Periodically check all screws and connections to ensure they are tight. Tighten if necessary.
- **Sunlight Exposure:** Avoid prolonged exposure to direct sunlight to prevent fading of the fabric.

## Troubleshooting

If you encounter any issues with your sofa, consider the following:

- **Squeaking/Wobbling:** Check all assembly bolts and screws. Tighten any loose connections. Ensure the sofa is placed on a flat, even surface.
- **Cushions Not Plumping:** After unpacking from compression bags, cushions may take 24-48 hours

to fully expand. Patting them can help accelerate the process.

- **Difficulty Assembling:** Review the assembly videos and instructions carefully. Ensure all parts are correctly oriented and aligned before tightening screws. Do not force components together.

If problems persist, please contact customer support for assistance.
