Yadea R-Max 2-in-1 Carpet and Steam Cleaner User Manual

Model: R-Max | Brand: Yadea

1. INTRODUCTION

Thank you for purchasing the Yadea R-Max 2-in-1 Carpet and Steam Cleaner. This innovative appliance combines the functions of a carpet cleaner and a steam cleaner, offering a versatile solution for deep cleaning various surfaces in your home and vehicle. Please read this manual thoroughly before use to ensure safe and effective operation and to maximize the lifespan of your product.

2. SAFETY INSTRUCTIONS

- Always ensure the appliance is unplugged before cleaning, maintenance, or when not in use.
- Do not immerse the appliance in water or other liquids.
- Keep the appliance out of reach of children and pets.
- Use only clean water in the clean water tank. Do not add cleaning solutions or chemicals unless specifically designed for this appliance and approved by Yadea.
- Exercise caution when using the steam function, as steam is hot and can cause burns. Keep hands and face away from the steam nozzle.
- Do not store the appliance in direct sunlight.
- Ensure the hose is free of debris and securely attached before operation.
- Always clean the tanks after each use and allow them to dry thoroughly to prevent mold and odors.

3. PRODUCT OVERVIEW

The Yadea R-Max is designed for efficient cleaning with its dual functionality. Key components include:

5.2 Carpet and Upholstery Cleaning (Stain Removal)

This mode is ideal for removing stains from carpets, sofas, car seats, mattresses, and other fabric products.

1. Attach the brush head to the hose.
2. Select either 100°C steam or 60°C hot water mode.
3. Direct the brush head over the stained area. Pull the spray lever to spray steam or hot water onto the

stain, which helps lift the dirt.

4. Move the brush head slowly over the area, allowing the powerful 12000Pa suction to extract the water and lifted dirt into the dirty water tank.
5. Repeat as necessary until the stain is removed.

5.3 Steam Cleaning (Hard Surfaces and Gaps)

Use this mode for stubborn dirt on tiles, kitchen surfaces, bathroom fixtures, window frames, and other hard-to-reach areas.

1. Attach the steam nozzle to the hose. For wiping surfaces, you can also attach the brush head with its dedicated cloth cover.
2. Select the 100°C steam mode.
3. Direct the steam nozzle at the target area. Pull the spray lever to release a powerful jet of steam or water.
4. For surfaces like kitchen counters or walls, use the brush head with the cloth cover to wipe away loosened dirt.
5. For narrow gaps or crevices, the concentrated steam jet from the steam nozzle can dislodge dirt effectively.
