Maintenance and Care

To ensure the longevity and appearance of your silicone case, follow these care instructions:

- **Cleaning:** Wipe the case regularly with a soft, damp cloth. For stubborn marks, use a small amount of mild soap and water, then rinse thoroughly and air dry.
- **Avoid Harsh Chemicals:** Do not use abrasive cleaners, solvents, or harsh chemicals, as these can damage the silicone material and finish.
- **Storage:** Store the case in a cool, dry place away from direct sunlight when not in use.
- **Prevent Staining:** Silicone can absorb dyes from certain materials. Avoid prolonged contact with dark-colored fabrics or items that may transfer color.

Troubleshooting

Case feels loose or doesn't fit properly:
Ensure the case is designed specifically for the Samsung Galaxy S24 Ultra (Model EF-PS928TVEGUS). Remove the case and re-install, making sure all corners and edges are fully seated.

Dust or debris under the case:
Remove the case, clean both your phone and the inside of the case with a soft, lint-free cloth, then re-install.
