SETUP

Initial Charging

Before first use, fully charge your earbuds and charging case. Place the earbuds into the charging case and connect the USB-C cable to the case and a power source. The indicator light on the case will show charging status.

Pairing with a Bluetooth Device

1. Ensure the earbuds are in the charging case and the case is open.
2. On your device (smartphone, tablet, laptop), go to Bluetooth settings.
3. Select "PureBoom" from the list of available devices.
4. Once connected, the earbuds are ready for use.

The earbuds are broadly compatible with Bluetooth devices including iOS (iPhone 16, 15, 14, 13, 12 series, SE, 11 series) and Android (Galaxy S25, S24, S23, S22, S21, S20 series, Note 20 series, Google Pixel 9/8/7/6/5) phones, laptops, PCs, tablets, iPads, smart TVs, gaming consoles, and smartwatches.

OPERATING INSTRUCTIONS

Touch Controls

The PureBoom earbuds feature convenient touch controls for managing your audio and calls. The touch-sensitive area is located on the outer surface of each earbud.

- **Play/Pause:** Tap once on either earbud.
- **Answer Call:** Tap once on either earbud.
- **End Call:** Tap once on either earbud during a call.
- **Skip Track:** Double-tap the right earbud for next track, double-tap the left earbud for previous track.
- **Volume Control:** Triple-tap the right earbud to increase volume, triple-tap the left earbud to decrease volume.
- **Voice Assistance:** Press and hold either earbud for 2 seconds to activate your device's voice assistant.

Tap Touch Controls

Control music and calls with the push of a button.

Tap Touch Controls

Tap controls means that you have access to your music and phone calls. All without ever reaching for your phone.

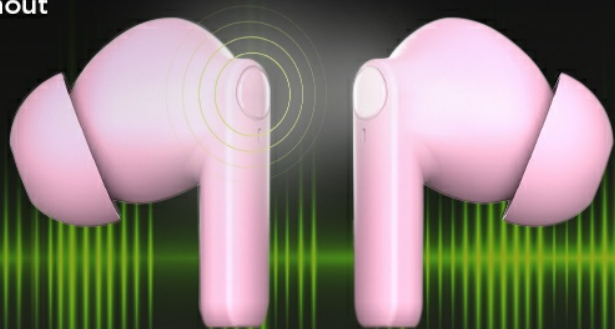

Image: Enjoying extended listening time with the earbuds.

Hands-Free Calling

With a built-in microphone, the earbuds allow for clear, hands-free calls within a 32-foot range from your connected device.

MAINTENANCE

To ensure the longevity and optimal performance of your PureGear PureBoom Wireless Earbuds, follow these maintenance guidelines:

- **Cleaning:** Regularly clean the earbuds and charging case with a soft, dry, lint-free cloth. Avoid using abrasive materials or harsh chemicals.
- **Ear Tips:** Remove and clean the ear tips periodically. You can gently wash them with water and mild soap, ensuring they are completely dry before reattaching.
- **Storage:** When not in use, store the earbuds in their charging case to protect them from dust and damage.
- **Water Resistance:** The earbuds are waterproof. However, avoid prolonged submersion in water and ensure they are dry before placing them back in the charging case to prevent damage to the charging contacts.
- **Temperature:** Avoid exposing the earbuds to extreme temperatures (hot or cold) as this can affect battery life and performance.

TROUBLESHOOTING

If you encounter issues with your PureGear PureBoom Wireless Earbuds, refer to the following common solutions:

Problem	Solution
Earbuds not pairing	Ensure earbuds are charged. Turn off and on Bluetooth on your device. Forget "PureBoom" from your device's Bluetooth list and re-pair.
No sound from one earbud	Place both earbuds back in the case, close it, then open again. Ensure both are charged. Re-pair with your device.
Low volume	Increase volume using touch controls or your connected device. Ensure ear tips are properly sealed in your ear.
Charging case not charging	Check the USB-C cable and power adapter connection. Try a different cable or power source.
Touch controls unresponsive	Ensure earbuds are clean and dry. Restart the earbuds by placing them in the case and taking them out.

If the issue persists, please contact PureGear customer support for further assistance.
