Win Up Time 12DDJ-ZB-W-A

Win Up Time 12DDJ-ZB-W-A Electric Standing Desk User Manual

Model: 12DDJ-ZB-W-A

INTRODUCTION

This manual provides detailed instructions for the assembly, operation, maintenance, and troubleshooting of your Win Up Time 12DDJ-ZB-W-A Electric Standing Desk. Please read this manual thoroughly before use to ensure proper function and safety.

SAFETY INFORMATION

- Ensure all connections are secure before operating the desk.
- Keep children and pets away from the desk during operation to prevent injury.
- Do not overload the desk beyond its maximum weight capacity of 80 kg (176 lbs).
- Avoid placing liquids directly on the control panel or near electrical components.
- If the desk encounters an obstacle during movement, the anti-collision feature will activate. Remove the obstacle before resuming operation.
- Unplug the desk from the power source before cleaning or performing any maintenance.

SETUP AND ASSEMBLY

The Win Up Time Electric Standing Desk is designed for straightforward assembly. A complete set of tools and parts is included in the package. Follow the step-by-step instructions provided in the physical manual for detailed guidance.

Key Assembly Points:

- **Side Wing Orientation:** It is crucial to ensure that the side wings of the desk frame are oriented outwards during assembly. Incorrect installation of the side wings will result in misaligned pre-drilled holes on the desktop.
- **Casters:** The desk includes casters with brakes as an alternative to fixed feet. You can choose to install these for easier mobility.
- **Headphone Hook:** Attach the rotatable headphone hook as desired for convenient storage.

OPERATING INSTRUCTIONS

Your Win Up Time Electric Standing Desk features an intelligent control panel for easy height adjustment and smart functions.

Control Panel Functions:

Convenient Controller

Multi-function Intelligent Keypad

Up/ Down Movement

Adjust the height for up / down by press the button.

Digital Display

LED screen displays current height

Memory 1/ 2 / 3

3 Height's Memory Presets Buttons

Security lock

Save Current height Setting

Image: The multi-function intelligent keypad, showing buttons for height adjustment, digital display, memory presets, and security lock.

- **Up/Down Movement (^ / v buttons):** Press and hold the up or down arrow buttons to adjust the desk height. Release the button when the desired height is reached. The current height is displayed on the LED screen.
- **Memory Presets (1, 2, 3 buttons):** The desk features three programmable memory height settings. To save a height: adjust the desk to your desired position, then press the 'S' button followed by the desired memory button (1, 2, or 3). To recall a saved height: simply press the corresponding memory button (1, 2, or 3).
- **Anti-Collision System:** The desk is equipped with an anti-collision function. If the desk encounters an obstacle during height adjustment, it will automatically stop and slightly reverse to prevent damage. Remove the obstacle before resuming operation.
- **Unit Conversion:** The control panel allows you to switch the display unit between inches and centimeters. Refer to your physical manual for specific instructions on how to activate this feature.
- **Child Lock:** A child lock feature is available to prevent unintended operation and limit the desk's movement range. Consult your physical manual for instructions on how to activate and deactivate the child lock.

WIDE HEIGHT RANGE

Height Adjustable From **29** to **46**

Industrial-grade Steel Frame: 176lbs Load Capacity

Image: Detail of the iron headphone hook, illustrating its ability to rotate 360 degrees for convenient storage and to prevent collisions.

MAINTENANCE

Regular maintenance ensures the longevity and optimal performance of your standing desk.

- **Cleaning:** Wipe the desk surface and frame with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals that could damage the finish. Ensure the desk is unplugged before cleaning.
- **Inspections:** Periodically check all screws and bolts to ensure they are tight. Retighten if necessary.
- **Cable Management:** Keep power cords and other cables organized to prevent entanglement and damage during height adjustments.

TROUBLESHOOTING

If you encounter issues with your Win Up Time Electric Standing Desk, refer to the following common solutions:

- **Desk Not Moving:**

- Check if the power cord is securely plugged into both the desk and a working power outlet.
 - Ensure the child lock feature is not activated.
 - If an error code appears on the display, consult the physical manual for specific code meanings and solutions.
- **Uneven Movement:**
 - Ensure the desk is not overloaded and weight is evenly distributed.
 - Check for any obstructions beneath the desk or along the lifting columns.
 - **Anti-Collision Activation:** If the desk stops unexpectedly, it may have encountered an obstacle. Remove any obstructions and try adjusting the height again.
 - **Desk Stops Functioning:** If the desk completely stops working, first check the power connection. If the issue persists, contact customer support for further assistance.

SPECIFICATIONS

Feature	Detail
Brand	Win Up Time
Model Number	12DDJ-ZB-W-A
Color	White
Product Dimensions (L x W x H)	121.92 x 60.96 x 71.1-114.3 cm (48 x 24 x 28-45 inches)
