OPERATING (USAGE)

The Victory III Club Sofa is designed for comfortable seating for up to three individuals.

- Use the sofa for its intended purpose: sitting and relaxation.
- Avoid placing sharp objects on the upholstery to prevent tears or damage.
- Distribute weight evenly across the seating area to maintain structural integrity and cushion longevity.

MAINTENANCE

Proper maintenance will extend the life and appearance of your Vente-unique Victory III sofa.

General Care

- Regularly vacuum the sofa using a soft brush attachment to remove dust and debris.
- Rotate cushions periodically to ensure even wear.
- Avoid direct exposure to sunlight to prevent fading of the microfiber fabric.
- Keep pets with sharp claws away from the sofa to prevent snags.

Microfiber Cleaning

The sofa is upholstered in durable microfiber. Follow these steps for cleaning:

1. **Spot Cleaning:** For spills, blot immediately with a clean, dry cloth. Do not rub, as this can spread the stain.

- Mild Stains:** Use a damp cloth with a small amount of mild soap (e.g., dish soap diluted in water). Test on an inconspicuous area first. Gently dab the stain, then wipe with a clean, damp cloth to remove soap residue. Allow to air dry completely.
- Stubborn Stains:** For more persistent stains, consult a professional upholstery cleaner. Avoid harsh chemicals or abrasive cleaners, as these can damage the microfiber.
