Tribesigns XK00493

Tribesigns L-Shaped Executive Desk User Manual

Model: XK00493

PRODUCT OVERVIEW

The Tribesigns 70.8" Executive Desk with 55" File Cabinet is designed for modern home and professional office environments. This L-shaped computer desk features ample storage with shelves and a cabinet, providing a functional and organized workspace. Its rustic brown and black finish offers a contemporary industrial aesthetic.

PRODUCT DIMENSIONS AND COMPONENTS

Understanding the dimensions and identifying all components is crucial before assembly. The desk measures 55.12"D x 70.87"W x 29.53"H. Please ensure all parts listed in the included hardware kits and instructions are present.

SETUP AND ASSEMBLY

Assembly of the Tribesigns L-Shaped Executive Desk requires two people and includes all necessary tools. Follow these steps carefully for proper installation.

1. **Assemble the Desk Frame:** Begin by connecting the metal frame components (parts 24 and 25) using the provided M6x32mm screws (O) and M4x64mm hex key (F). Ensure all connections are secure.

Video 1: Tribesigns Executive Desk Installation Tutorial. This video provides a comprehensive guide to assembling the desk, including detailed steps for each section.

2. **Construct the File Cabinet Base:** Attach parts 12, 13, 14, and 15 to the base (part 17) using the $\phi 6 \times 35$ mm screws (A), $\phi 15 \times 10$ mm cam locks (C), and $\phi 8 \times 30$ mm dowels (D). This forms the internal structure of the file cabinet.
3. **Secure the Cabinet Back Panel:** Attach the back panel to the assembled cabinet structure using the $\phi 7 \times 47$ mm screws (E).
4. **Install Cabinet Legs:** Attach the cabinet legs to the base using M6x38mm screws (J).
5. **Insert Sliding Doors:** Carefully slide the cabinet doors (parts 5 and 6) into their designated tracks.
6. **Attach Cabinet Top Panel:** Secure the cabinet top panel (part 7) using $\phi 6 \times 35$ mm screws (A), $\phi 15 \times 12$ mm cam locks (B), and $\phi 8 \times 30$ mm dowels (D).
7. **Install Cabinet Doors:** Attach the hinges to the cabinet doors (part 16) using 3.5x14mm screws (G) and M4x18mm screws (P). Then, attach the doors to the cabinet frame using the hinges.
8. **Connect Desk Sections:** Attach the main desk frame to the file cabinet using M6x38mm screws (J) and M6x60mm screws (L). Ensure a stable connection.
9. **Attach Desk Tops:** Place the desk tops (parts 1, 2, and 3) onto the assembled frame and secure them using M6x30mm screws (I) and M6x50mm screws (K).
10. **Install Privacy Baffle:** Attach the front privacy baffle (part 4) using M6x30mm screws (I) and M6x28mm screws (H).

OPERATING INSTRUCTIONS

The Tribesigns Executive Desk is designed for versatile use in a home or professional office. Its L-shaped configuration provides ample surface area for multiple monitors, documents, and office accessories.

- **Workspace Utilization:** The 70.8" computer desk offers a spacious tabletop suitable for multiple monitors, notepads, and organizers.
- **File Cabinet Functionality:** The 55" file cabinet includes a closed door for organized and hidden storage of office supplies. It also features three open compartments for displaying precious collections or frequently accessed items.
- **CPU Storage:** A dedicated tower stand area within the cabinet ensures your CPU is safely stored and out of the way.

MAINTENANCE

To ensure the longevity and appearance of your Tribesigns Executive Desk, follow these simple maintenance guidelines:

- **Cleaning:** Wipe the desk surfaces with a dry cloth to remove dust and debris. Avoid using harsh chemicals or abrasive cleaners, as they may damage the finish.
- **Spills:** Immediately wipe up any spills with a soft, dry cloth to prevent moisture damage.
- **Heat Protection:** Use coasters or protective pads under hot items to prevent heat marks on the desktop.
- **Weight Distribution:** Distribute weight evenly across the desk surface and shelves to prevent warping or structural stress. The maximum weight recommendation for the desk is 150 pounds.
- **Regular Checks:** Periodically check all screws and connections to ensure they remain tight. Tighten if necessary to maintain stability.

TROUBLESHOOTING

If you encounter any issues with your Tribesigns Executive Desk, refer to the following common problems and solutions:

Problem	Possible Cause	Solution
Desk wobbles or is unstable.	Loose screws or uneven floor.	Tighten all assembly screws. Ensure the desk is on a flat, level surface. Adjust leg levelers if available.
Parts do not align during assembly.	Incorrect orientation of parts or missing dowels/cam locks.	Review the assembly instructions carefully, paying close attention to part numbers and orientation. Ensure all dowels and cam locks are fully inserted.
Cabinet doors do not close properly.	Hinges are misaligned or loose.	Adjust the hinges on the cabinet doors. Ensure they are securely fastened and aligned with the cabinet frame.
Missing parts upon delivery.	Packaging error or transit damage.	Contact Tribesigns customer service immediately with your purchase details. Refer to the warranty section for contact information.
