2. SAFETY INFORMATION

Please read and understand all safety instructions before assembly and use. Failure to follow these instructions may result in injury or damage to the product.

- Keep all packaging materials away from children to prevent choking hazards.
- Ensure all components are securely fastened before use. Periodically check and tighten all connections.
- Do not stand on the sofa or use it as a step stool.
- Avoid placing the sofa near open flames, heat sources, or in direct sunlight for prolonged periods to prevent material degradation.
- Do not exceed the recommended weight capacity. This sofa is designed for seating up to 4 individuals.
- Use caution when opening and closing storage compartments to avoid pinching fingers.

4. SETUP AND ASSEMBLY INSTRUCTIONS

Assembly is required for this product. It is recommended to have two people for assembly.

- 1. Unpack Components:** Carefully remove all parts from the packaging. Place them on a soft, clean surface to prevent scratches.
- 2. Attach Legs:** For each module (Armrest, Middle, Ottoman), locate the pre-drilled holes on the bottom. Screw the sofa legs into these holes. Ensure they are tightened securely.
- 3. Connect Modules:** Arrange the modules in your desired configuration. Use the included connecting brackets (usually located on the underside or sides of the modules) to link them together. Slide the brackets into place and secure them with the provided hardware.
- 4. Place Cushions:** Position the seat cushions and back cushions onto the assembled frame. Fluff cushions as needed to restore their shape.

5. OPERATING INSTRUCTIONS

5.1 Reversible Chaise

The chaise module can be positioned on either the left or right side of the sofa to suit your room layout. To reverse the chaise:

1. Carefully disconnect the chaise module from the adjacent sofa module by disengaging the connecting brackets.
2. Move the chaise module to the desired side.
3. Connect the chaise module to the new adjacent sofa module using the connecting brackets, ensuring they are securely fastened.

5.2 Storage Compartments

Each module of the sofa, including the chaise and middle sections, features a hidden storage compartment beneath the seat. To access:

1. Lift the seat cushion from the desired module.
2. Locate the fabric pull tab or handle on the seat base.
3. Gently lift the seat base upwards to reveal the storage compartment. The mechanism is designed to hold the lid open.
4. To close, push the seat base down until it latches securely. Replace the seat cushion.

6. MAINTENANCE AND CARE

Proper care will extend the life and appearance of your sofa.

- **Regular Cleaning:** Vacuum the sofa regularly using an upholstery attachment to remove dust and debris.
- **Spot Cleaning:** For spills, blot immediately with a clean, dry cloth. Do not rub. For stubborn stains, use a mild fabric cleaner following the product instructions, testing on an inconspicuous area first.
- **Avoid Direct Sunlight:** Prolonged exposure to direct sunlight can cause fabric fading. Position your sofa away from direct sun or use curtains/blinds.
- **Fluff Cushions:** Regularly fluff and rotate seat and back cushions to maintain their shape and even out wear.
- **Frame Care:** Wipe the frame and legs with a soft, damp cloth. Avoid harsh chemicals.

7. TROUBLESHOOTING

If you encounter any issues, refer to the following common problems and solutions:

Problem	Possible Cause	Solution
Sofa feels unstable or wobbly.	Legs are not tightened; modules are not securely connected.	Ensure all legs are fully tightened. Check and secure all module connecting brackets.
Storage compartment lid does not close properly.	Obstruction in the compartment; mechanism misalignment.	Remove any items blocking the lid. Gently guide the lid to ensure proper alignment with the latch.
Cushions appear flat or lumpy.	Normal compression over time; uneven use.	Regularly fluff and rotate cushions to redistribute filling and maintain shape.
