## SETUP

### 1. Battery Installation

1. Locate the battery compartment on the underside of the keyboard.
2. Using a screwdriver, open the battery compartment cover.
3. Insert the required 1.5V R6/AA batteries (not included), ensuring correct polarity (+/-). The product requires AA batteries.
4. Close the battery compartment cover and secure it with the screw.

### 2. Microphone Connection (if applicable)

If your model includes a microphone, plug the microphone cable into the designated input jack on the keyboard.

### 3. Power On

Press the 'POWER ON' button to turn on the keyboard. You should hear a startup sound or see indicator lights illuminate.

## OPERATING INSTRUCTIONS

### Keyboard Functions

Image: An overview of the Bontempi PlayKeys keyboard highlighting its features: 8 percussion rhythms, applause effect, 16 demo songs, light effects, one-key one-note function, and record & play capabilities.

- **Playing Notes:** Press any of the 24 keys to play musical notes.
- **Demo Songs:** Press the 'DEMO' button to cycle through the pre-recorded demo songs. There are 16 demo songs available.
- **Rhythms:** Use the 'RHYTHM' buttons to select from 8 different percussion rhythms.
- **Record & Play:**
  - a. Press the 'RECORD' button to begin recording your key presses.
  - b. Play your desired melody on the keyboard.
  - c. Press the 'PLAY' button to listen to your recorded melody.
- **Volume Control:** Adjust the volume using the 'VOLUME' buttons.
- **Light Effects:** The keyboard and microphone may feature integrated light effects that activate during play.
- **One Key One Note:** This function simplifies playing by allowing any key press to play the next note in a melody, making it easier for beginners.

### Microphone Usage

- Speak or sing into the microphone. The sound will be amplified through the keyboard's speakers.
- Some microphones may have additional buttons for sound effects or pre-recorded songs (e.g., 'SONG 1', 'SONG 2').

## MAINTENANCE

### Cleaning

Wipe the surface of the keyboard and microphone with a soft, dry cloth. Do not use abrasive cleaners, solvents, or immerse the product in water.

### Storage

When not in use, store the keyboard in a cool, dry place away from direct sunlight and extreme temperatures. Remove batteries if the product will not be used for an extended period to prevent leakage.

## TROUBLESHOOTING

Problem	Possible Cause	Solution
Keyboard does not turn on.	Batteries are dead or incorrectly installed.	Replace batteries with new 1.5V R6/AA batteries, ensuring correct polarity.
No sound from keyboard/microphone.	Volume is too low; microphone not connected properly.	Increase volume using the 'VOLUME' buttons. Ensure microphone is securely plugged in.
Keys are unresponsive or sound distorted.	Low battery power; internal malfunction.	Replace batteries. If the problem persists, contact customer support.
Recording function not working.	Recording memory is full; incorrect operation.	Ensure you press 'RECORD' before playing and 'PLAY' after. The recording capacity is limited.
