Brand: LEGO

## INTRODUCTION

---

This instruction manual provides essential information for assembling, displaying, and maintaining your LEGO DC Batman: The Animated Series Gotham City Display Set (76271). This detailed model captures the iconic 'dark deco' aesthetic of Gotham City, featuring locations such as Wayne Manor, the Batcave, and Arkham Asylum, along with four exclusive minifigures.

The set is designed for adult builders and offers an engaging construction experience. Please read through all sections to ensure proper assembly and care of your model.

## SAFETY INFORMATION

---

LEGO products are designed with safety in mind. This set contains small parts and is recommended for ages 18 and up. Keep small pieces away from young children to prevent choking hazards. Always follow the building instructions carefully to ensure the stability and integrity of the model.

## PACKAGE CONTENTS

---

Your LEGO DC Batman: The Animated Series Gotham City Display Set (76271) includes the following components:

- Approximately 4,210 LEGO building elements.
- Two sets of printed building instructions to facilitate simultaneous building.
- Four exclusive minifigures: Batman, The Joker, Harley Quinn, and Catwoman.

- Miniature Batmobile and Batwing models.
- Two sticker sheets for detailed embellishments.

Please verify all components are present before beginning assembly. If any parts are missing or damaged, refer to the 'Warranty and Support' section for assistance.

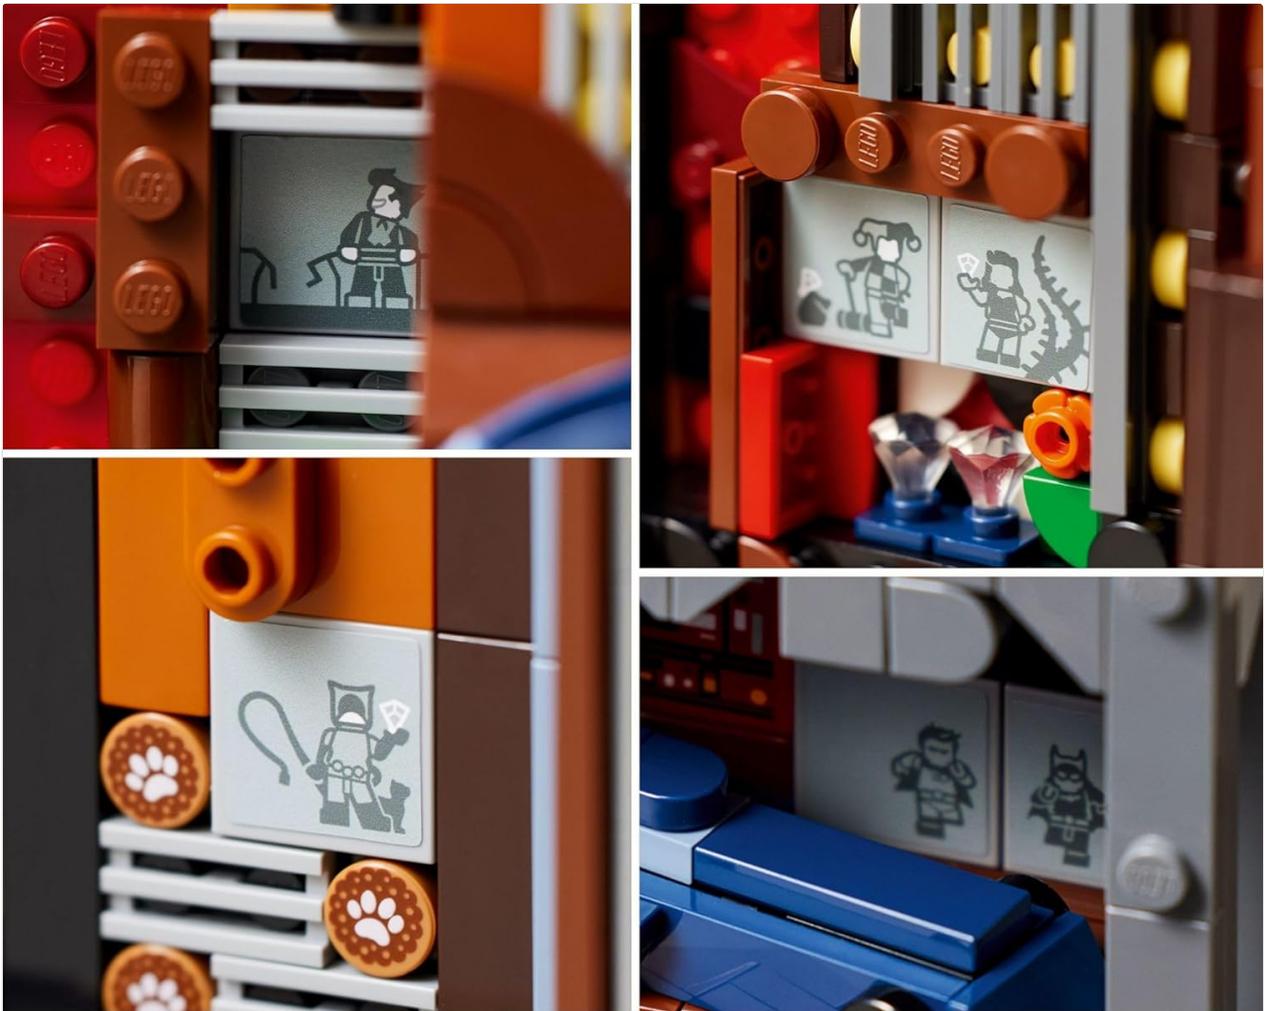

## ASSEMBLY INSTRUCTIONS

The LEGO DC Batman: The Animated Series Gotham City Display Set is a complex model requiring careful assembly. Follow the detailed steps provided in the included building instruction booklets. Two separate instruction booklets are provided, allowing two individuals to build the model concurrently.

For an enhanced building experience, consider using the official LEGO Builder app. This application provides digital, interactive 3D building instructions, allowing you to zoom, rotate, and visualize each step with ease.

### DISPLAY OPTIONS

Once assembled, your Gotham City display set can be showcased in two primary ways:

- **Surface Display:** The model features a built-in flip-out stand, allowing it to be securely placed on any flat surface, such as a shelf, desk, or cabinet.
- **Wall Mounting:** The set is designed to be mounted on a wall, transforming it into a unique piece of art. Ensure appropriate wall anchors and mounting hardware are used for secure installation (not included).

The set measures over 30 inches (76 cm) wide and 16 inches (41 cm) high, making it a substantial display piece.

### CARE AND MAINTENANCE

---

To maintain the quality and appearance of your LEGO set:

- **Cleaning:** Dust regularly with a soft brush or cloth. For deeper cleaning, use a mild soap solution and a soft cloth, then rinse with clean water and air dry. Avoid harsh chemicals or abrasive materials.
- **Storage:** Store the model in a cool, dry place away from direct sunlight to prevent discoloration or warping of the plastic elements.
- **Handling:** Handle the model with care, especially when moving or adjusting its position, to prevent accidental disassembly.

### TROUBLESHOOTING

---

If you encounter any issues during assembly or with the completed model, consider the following:

- **Missing Pieces:** Double-check all packaging and sorting trays. If a piece is genuinely missing, refer to

the 'Warranty and Support' section for assistance.

- **Assembly Errors:** Carefully review the building instructions for the specific step where the error occurred. Disassemble and reassemble the affected section.
- **Stability Issues:** Ensure all bricks are firmly pressed together. Loose connections can affect the model's overall stability.
