GUODSKHOO Led Torches

GUODSKHOO LED Rechargeable Flashlight User Manual

Model: Led Torches

1. Introduction

Thank you for choosing the GUODSKHOO LED Rechargeable Flashlight. This manual provides essential information for the safe and efficient operation, maintenance, and troubleshooting of your new device. Please read this manual thoroughly before use and retain it for future reference.

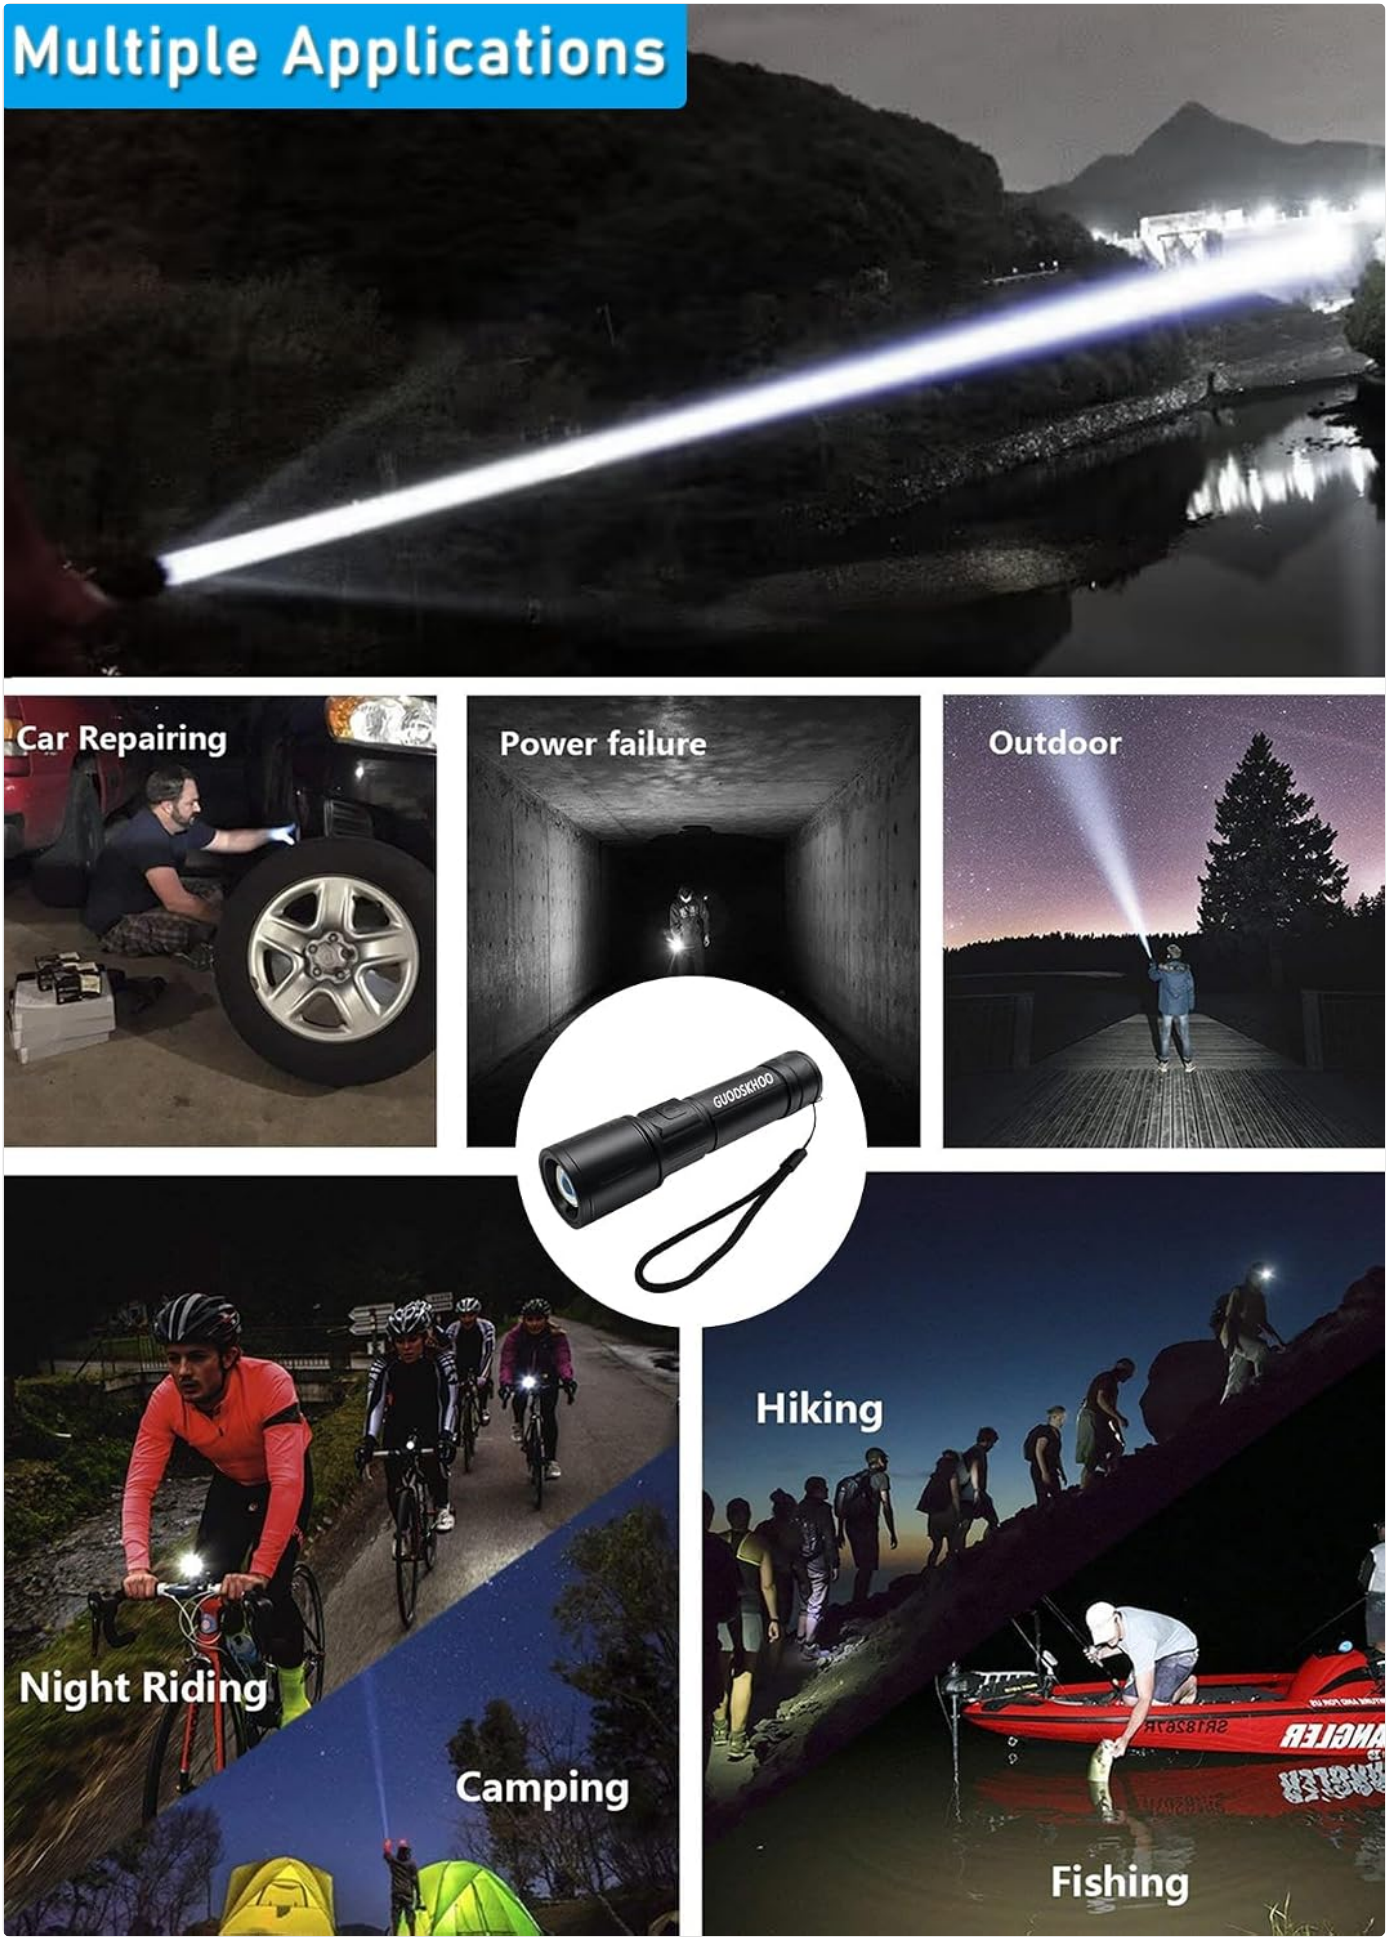

Figure 1.1: The GUODSKHOO LED Rechargeable Flashlight is suitable for a wide range of applications, including outdoor adventures and emergency situations.

2. Important Safety Information

- **Do not look directly into the LED light beam.** The intense light can cause temporary vision impairment or eye damage.
- Keep the flashlight out of reach of children.
- Do not disassemble or modify the flashlight. This may cause damage, void the warranty, and pose a safety risk.
- Use only the specified rechargeable battery and charging cable.
- Avoid exposing the flashlight to extreme temperatures or direct sunlight for prolonged periods.
- If the flashlight is not used for an extended period, charge the battery every 3-6 months to maintain battery health.
- Dispose of batteries according to local regulations. Do not dispose of batteries in fire.

3. Package Contents

Please check the package for the following items:

- GUODSKHOO LED Rechargeable Flashlight
- Rechargeable Lithium-ion Battery (pre-installed or separate)
- USB Type-C Charging Cable
- Wrist Lanyard
- Battery Cage (for AAA batteries, if applicable)
- Storage Case

4. Product Features

- **Super Bright LED Illumination:** Provides powerful light output for various applications.
- **3 Lighting Modes:** Easily switch between Strong, Weak, and Flash modes.
- **Adjustable Zoom Function:** Telescopic head allows for adjusting the beam from a narrow spotlight to a wide floodlight.
- **USB-C Rechargeable:** Convenient charging via a Type-C port with real-time power display.
- **Durable Construction:** Made from high-quality aluminum alloy, ensuring robustness and longevity.
- **Portable and Ergonomic Design:** Features an anti-slip knurling and a wrist strap for a secure and comfortable grip.
- **Waterproof:** Designed for ordinary waterproof use, suitable for various weather conditions.

Figure 4.1: The compact and portable design of the GUODSKHOO LED Rechargeable Flashlight, with key dimensions indicated.

5. Setup

5.1 Battery Installation

If the battery is not pre-installed, follow these steps:

1. Unscrew the tail cap of the flashlight.
2. Insert the rechargeable Lithium-ion battery with the positive (+) end facing towards the flashlight head.
3. Securely screw the tail cap back on.

Figure 5.1: Diagram illustrating the battery installation process by unscrewing the tail cap and inserting the battery.

5.2 Charging the Flashlight

Before first use, fully charge the flashlight. The power indicator will show the charging status.

1. Locate the USB Type-C charging port on the flashlight body.
2. Connect the provided USB Type-C cable to the flashlight's charging port.
3. Connect the other end of the USB cable to a compatible USB power source (e.g., wall adapter, power bank, computer USB port).
4. The power display indicators (25%/50%/75%/100%) will illuminate to show the charging progress. All indicators will be solid when fully charged.

Figure 5.2: Illustration of the USB Type-C charging port and the real-time power display indicators on the flashlight.

6. Operating Instructions

6.1 Power On/Off

Press the power switch button located on the flashlight body to turn the flashlight ON or OFF.

Figure 6.1: The power switch button on the flashlight body, used for turning the device on and off.

6.2 Changing Lighting Modes

With the flashlight ON, press the power switch button repeatedly to cycle through the 3 available lighting modes:

1. **Strong Light:** For maximum illumination.
2. **Weak Light:** For extended battery life or less intense lighting needs.
3. **Flash:** For signaling or emergency situations.

Figure 6.2: Visual representation of the three distinct lighting modes: Strong, Weak, and Flash.

6.3 Zoom Function

Adjust the focus of the light beam by gently pulling or pushing the head of the flashlight (telescoping mechanism).

- **Zoom Out (Wide Beam):** Pull the head outwards to widen the beam for broad area illumination.
- **Zoom In (Narrow Beam):** Push the head inwards to narrow the beam for a focused spotlight, ideal for long-distance viewing.

Figure 6.3: Illustration demonstrating the flashlight's adjustable zoom feature, allowing for both wide-angle and focused beams.

7. Maintenance

- **Cleaning:** Wipe the flashlight body with a soft, damp cloth. Do not use abrasive cleaners or solvents.
- **Storage:** Store the flashlight in a cool, dry place away from direct sunlight and extreme temperatures.
- **Battery Care:** If storing for an extended period, ensure the battery is partially charged (around 50%) and recharge it every 3-6 months to prevent deep discharge and prolong battery life.
- **Lubrication:** Periodically apply a thin layer of silicone grease to the O-rings and threads to maintain water resistance and smooth operation.

8. Troubleshooting

Problem	Possible Cause	Solution
Flashlight does not turn on.	Battery is depleted or incorrectly installed.	Charge the battery. Ensure the battery is inserted with the correct polarity (+/-). Check if the tail cap is fully tightened.
Light is dim or flickers.	Low battery charge. Loose connections.	Recharge the battery. Ensure the tail cap and head are securely tightened.
Flashlight does not charge.	Charging cable or adapter issue. Dirty charging port.	Try a different USB-C cable and power adapter. Clean the charging port gently with a dry cotton swab.
Zoom function is stiff.	Lack of lubrication or dirt.	Clean the telescoping mechanism and apply a small amount of silicone grease.

9. Specifications

Feature	Detail
Model Number	Led Torches
Brand	GUODSKHOO
Light Source Type	LED
Material	Aluminum Alloy
Power Source	Battery Powered (Rechargeable Lithium-ion)
Battery Type	1 Lithium-ion (included)
Voltage	3.7 Volts
Special Features	Long Range, Adjustable Focus, Adjustable Light Mode, High Power, Rechargeable
Water Resistance Level	Waterproof (ordinary)
Product Dimensions (L x W x H)	4 x 16 x 16 cm (approx. 1.57 x 6.3 x 6.3 inches)
Item Weight	340 Grams (approx. 0.75 lbs)

Feature	Detail
UPC	714855376899
GTIN	714855376899

10. Warranty and Support

For warranty information or technical support, please refer to the retailer's policy where the product was purchased or contact GUODSKHOO customer service directly. Please have your model number (Led Torches) and purchase details available when contacting support.
While specific contact details are not provided in this manual, you can typically find support information on the official GUODSKHOO website or through your point of purchase.

Ask a question about this manual

Ask about setup, troubleshooting, compatibility, parts, safety, or missing instructions. Manuals+ will review the question and use this page's manual context to help answer it.
