OPERATING INSTRUCTIONS

Making Katie Kat Crawl

To make the doll crawl and hear adorable sounds, press the button located on her back. She will move her arms and legs to simulate crawling.

Interactive Sippy Cup

Place the included sippy cup into Katie Kat's mouth to hear realistic drinking and munching sounds. This feature enhances imaginative feeding play.

MAINTENANCE

Hair Care

Use the included brush to gently style and maintain the doll's soft hair. Avoid using heat styling tools or harsh chemicals on the doll's hair.

Cleaning

Wipe the doll's surface with a damp cloth. Do not immerse the doll in water, as this may damage the electronic components. The onesie can be removed for spot cleaning if necessary.

TROUBLESHOOTING

- **Doll not responding or crawling:** Ensure the power switch is in the 'ON' position. Check if the batteries are correctly installed and replace them if they are low or depleted.
- **Sounds are distorted or faint:** Replace the batteries with new ones.
- **Doll not crawling effectively:** The doll crawls best on non-carpeted, hard surfaces. Ensure there are no obstructions to its movement.
