

FULEN WL03

FULEN WL03 Rechargeable Picture Light Instruction Manual

Model: WL03 | Brand: FULEN

1. INTRODUCTION AND OVERVIEW

The FULEN WL03 Rechargeable Picture Light is designed to enhance your artwork and living spaces with versatile, high-quality illumination. This battery-powered light offers museum-quality color fidelity with a CRI 95+ rating, ensuring your art is displayed with true-to-life colors. Its high-capacity 4500mAh battery provides extended illumination, and the rental-friendly magnetic installation allows for easy setup without permanent wall damage. Control your lighting experience effortlessly with the included smart remote, offering three color temperatures and five dimmable brightness levels, along with a built-in timer function.

2. WHAT'S IN THE BOX

- FULEN WL03 Picture Light
- Remote Control
- Double-Sided Tape (for mounting)
- Mounting Screws and Anchors
- USB-C Charging Cable

3. PRODUCT FEATURES

3.1 Museum-Quality Color Fidelity (CRI 95+)

The FULEN WL03 features an industry-leading Color Rendering Index (CRI) of 95+, which accurately restores the natural vibrancy and intricate details of your paintings. This high CRI rating ensures that colors appear as they would under

natural sunlight, eliminating dullness and color distortion.

Higher Color Rendering Index

Enhances color vibrancy and realism

3.2 Extended Illumination with High-Capacity 4500mAh Battery

Equipped with a robust 4500mAh lithium battery, the picture light provides over 20 hours of continuous ambient glow on a single charge. This ensures long-lasting performance and reduces the frequency of recharging, making it a low-maintenance lighting solution.

3 Color Temperatures & Stepless Dimming

3.3 Rental-Friendly & Damage-Free Magnetic Installation

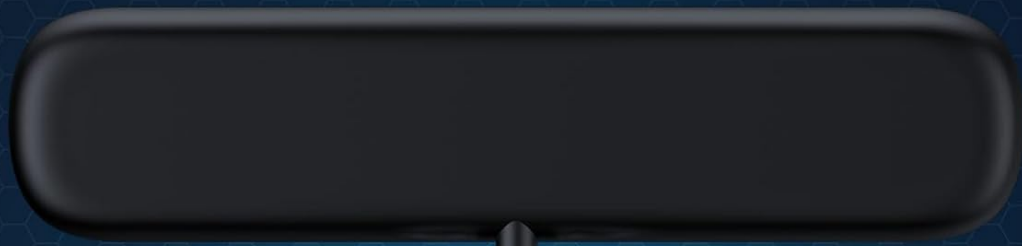

The cordless, tool-free design allows for easy installation. Simply attach the magnetic base to any smooth surface using the provided premium adhesive. The light bar detaches effortlessly for convenient recharging, keeping your walls pristine.

3.4 Effortless Ambiance Control via Smart Remote

The intuitive remote control provides full command over your lighting. You can switch between 3 color temperatures (warm, natural, or cool white) and adjust through 5 dimmable brightness levels. A built-in timer ensures energy-efficient operation by automatically turning off after your selected duration (10 or 30 minutes).

4. SETUP AND INSTALLATION

The FULEN WL03 Picture Light offers quick and easy installation with two primary methods: adhesive mounting or screw mounting.

4.1 Adhesive Mounting (Recommended for rental-friendly, damage-free setup)

1. **Prepare the Surface:** Ensure the wall surface is clean, dry, and smooth.
2. **Attach Adhesive to Base:** Peel off the protective film from the double-sided tape and firmly apply it to the back of the magnetic mounting base.
3. **Secure Base to Wall:** Press the magnetic base firmly onto the desired location on the wall. Ensure the
